A Life of My Own Claire Tomalin, 2018-08-21 Esteemed biographer and legendary literary editor Claire Tomalin's stunning memoir of a life in literature An intelligent and humane book There is genuine appeal in watching this indomitable woman continue to chase the next draft of herself Dwight Garner The New York Times In *A Life of My Own* the renowned biographer of Charles Dickens Samuel Pepys and Thomas Hardy and former literary editor for the Sunday Times reflects on a remarkable life surrounded by writers and books From discovering books as a form of escapism during her parents' difficult divorce to pursuing poetry at Cambridge where she meets and marries Nicholas Tomalin the ambitious and striving journalist Tomalin always steered herself towards a passionate involvement with art She relives the glittering London literary scene of the 1960s during which Tomalin endured her husband's constant philandering and numerous affairs and revisits the satisfaction of being commissioned to write her first book a biography of the early feminist Mary Wollstonecraft

In biography she found her vocation However when Nick is killed in 1973 while reporting in Israel the mother of four put aside her writing to assume the position of literary editor of the New Statesman Her career soared when she later moved to the Sunday Times and she tells with dazzling candor of this time in her life spent working alongside the literary lights of 1970s London But the pain of her young daughter's suicide and the challenges of caring for her disabled son as a single mother test Claire's strength and persistence It is not until later in life that she is able to return to what gave her such purpose decades ago writing biographies and finds enduring love with her now husband playwright Michael Frayn Marked by honesty humility and grace rendered in the most elegant of prose *A Life of My Own* is a portrait of a life replete with joy and heartbreak With quiet insight and unsparing clarity Tomalin writes autobiography at its most luminous delivering an astonishing and emotionally taut masterpiece
