Davidson-Schmich,2023-12-14 The German Federal Election of 2021 was one of the most open and competitive in the post war era This book provides a systematic analysis of its domestic and international context the shifting balance of the political parties the election strategies and campaign themes along with the challenges of government formation An international array of scholars from Europe North America and Australasia have contributed specially commissioned chapters on their principal areas of research The discussion of individual topics is combined with sufficient background information so as to be accessible to readers who may not have detailed knowledge of German politics In addition by including links to multimedia election related content we enhance the value of this volume and make it an indispensable reference tool **Australia's Lost Films** Ray Edmondson,Andrew Pike,1982 Australia s Lost Films was published by the National Library of Australia to coincide with THE LAST FILM SEARCH a project to find as many of these important films as possible and commit them to the care of the National Film and Sound Archive But with its many photographs and a complete checklist of silent feature films 1896 1930 the book stands as an important record of a necessarily little known part of Australia s cinematic past **Digital Technologies and Institutions for Sustainable Development** Aleksei V. Bogoviz,Elena G. Popkova,2022-10-11 This book focuses on digital institutions and the advanced technologies used on their basis as well as their contribution to sustainable development in the unity of seventeen SDGs formulated by the UN which is sequentially disclosed in six parts of the book This book is dedicated to comprehensive coverage of the role of the digital economy in sustainable development and the offering of a set of scientific methodological and practical recommendations to increase the scale and effectiveness of this role The first part explores the training of digital personnel for sustainable development the second part reveals the regional features of Russia and the third part describes the industry specifics of using digital technologies in entrepreneurship in support of sustainable development The fourth part deals with financial organizational and managerial issues of using digital technologies in entrepreneurship in support of sustainable development the fifth part is devoted to security international factors and risks and the sixth part deals with the legal framework and state regulation of digital technologies and sustainable development institutions The novelty of the book lies in its reliance on an institutional approach that allows rethinking and systematically studying the contribution of the digital economy to sustainable development The book is aimed at scholars who will find in it an institutional understanding of the digital economy s support for sustainable development and ways to improve it The secondary target audience of the book is the subject of managing the sustainable development of the

digital economy For them the book contains relevant and illustrative examples from practice and applied recommendations

Day the Country Died Ian Glasper,2014-07-01 The Day the Country Died features author historian and musician Ian Glasper Burning Britain exploring in minute detail the influential esoteric UK anarcho punk scene of the early Eighties If the colorful 80s punk bands captured in Burning Britain were loud political and uncompromising those examined in The Day the Country Died were even more so totally prepared to risk their liberty to communicate the ideals they believed in so passionately With Crass and Poison Girls opening the floodgates the arrival of bands such as Zounds Flux of Pink Indians Conflict Subhumans Chumbawamba Amebix Rudimentary Peni Antisect Omega Tribe and Icons of Filth heralded a brand new age of honesty and integrity in underground music With a backdrop of Thatcher s Britain punk music became self sufficient and considerably more aggressive blending a DIY ethos with activism to create the perfectly bleak soundtrack to the zeitgeist of a discontented British youth It was a time when punk stopped being merely a radical fashion statement and became a force for real social change a genuine revolutionary movement driven by some of the most challenging noises ever committed to tape Anarchy as regards punk rock no longer meant cash from chaos It meant freedom peace and unity Anarcho punk took the rebellion inherent in punk from the beginning to a whole new level of personal awareness All the scene s biggest names and most of the smaller ones are comprehensively covered with new exclusive interviews and hundreds of previously unseen photographs The Fascist Groove Thing Hugh Hodges,2023-02-21 This is the late 1970s and 80s as explained through the urgent and still relevant songs of the Clash the Specials the Au Pairs the Style Council the Pet Shop Boys and nearly four hundred other bands and solo artists Each chapter presents a mixtape or playlist of songs related to an alarming feature of Thatcher s Britain followed by an analysis of the dialogue these artists created with the Thatcherite vision of British society Tell us the truth Sham 69 demanded and pop music however improbably did It s a furious and sardonic account of dark times when pop music raised a dissenting fist against Thatcher s fascist groove thing and made a glorious boredom smashing noise Bookended with contributions by Dick Lucas and Boff Whalley as well as an annotated discography The Fascist Groove Thing presents an original and polemical account of the era *The Expository Times* ,1902 **The Expository Times** James Hastings,Ann Wilson Hastings,Edward Hastings,1902 That Magic Feeling John C. Winn,2009-06-16 From Revolver to Let It Be That Magic Feeling The Beatles Recorded Legacy Volume Two 1966 1970 continues the chronicle of the group s spectacular career from its creative zenith to its irrevocable split As the Beatles moved into the mid and late 1960s their collective and individual musical talent and innovations evolved at an unparalleled pace Like its companion volume Way Beyond Compare The Beatles Recorded Legacy Volume One 1957 1965 this unique work thoroughly chronicles all known and available Beatles recordings during this period of incredible creative growth Have you ever watched a Beatles film clip and wondered Where was that filmed Is any more of that footage available Have you ever heard a Beatles interview and asked When was that taped Where s the best place to find the complete recording That Magic Feeling answers these and thousands

of similar questions With more than 500 entries it includes recording sessions concerts newsreel footage press clips TV and film performances home movies radio interviews documentaries studio outtakes home demos and alternative mixes all of which are given complete coverage for the first time Author John C Winn has spent two decades poring over scrutinizing organizing and analyzing hundreds of hours of audio and video recordings and compiling them into a digestible chronological framework creating the ultimate reference guide to the Beatles legendary musical and cultural evolution
