III** Paul Ricoeur, 2003-01-01 El tema filosófico planteado por este trabajo de composición narrativa es el de las relaciones entre el tiempo del relato y el de la vida y de la acción afectiva Este volumen de Tiempo y narración demuestra por lo pronto que la fenomenología de san Agustín a Heidegger condujo a una insoslayable Aporía del tiempo La segunda sección muestra cómo a estos callejones sin salida del pensamiento la Poética del relato responde movilizándolo por el canal de la lectura los recursos entrecruzados de la historia y la ficción **Boletín oficial de la Secretaría de Estado de la República de Cuba** Cuba. or Chile in the Southern Cone of Latin America However not much research has been conducted on the silent cases of transitions as a result of negotiated pacts The literature on memory trauma and impunity has much to offer to studies of transition and post authoritarianism This book situates the human and cultural experience of state terrorism from the perspective of the experiences of Uruguayan families through an in depth ethnographic cultural psycho social and political interdisciplinary study It will be a valuable resource to students scholars and practitioners who are interested in substantive questions of memory democratization and transitional justice set in Uruguay s scenario as well as to human rights policy makers advocates and educators and social and political scientists cultural analysts politicians social psychologists psychotherapists and activists It will also appeal to the general public who are interested in the problem of how to transmit the stories and meaning of traumatic experiences as a result of gross human rights violations the cultural and generational effects of state terror and the politics of impunity This book is essential for collections in Latin American studies political science and sociology
