Fortuitous America: Luck's Role in Shaping the Nation Pasquale De Marco, 2025-05-06 Luck is a curious thing It can strike at any time in any place and to anyone It can elevate the lowliest of individuals to great heights or it can dash the hopes of the most ambitious It can be a source of joy or it can be a source of despair But what role has luck played in shaping the history of America In this fascinating and thought provoking book we explore the role that luck has played in everything from the founding of the nation to the present day From the Pilgrims who landed at Plymouth Rock to the pioneers who settled the West from the Founding Fathers who signed the Declaration of Independence to the soldiers who fought in the Civil War luck has played a role in the lives of all Americans It is a force that we cannot control but it is a force that we can learn to understand By understanding the role that luck plays in our lives we can better position ourselves to take advantage of opportunities and to mitigate risks We can also learn to be more grateful for the good luck that we have and to be more resilient in the face of bad luck This book is a must read for anyone who is interested in American history or for anyone who is simply curious about the role that luck plays in our lives It is a thought provoking and entertaining exploration of one of the most mysterious and misunderstood forces in the universe In this book you will learn about The role that luck played in the founding of America How luck has affected the course of American history The different ways that Americans have thought about luck How our beliefs about luck have shaped our culture and society How to understand the role that luck plays in your own life Whether you are a history buff a student of human nature or simply someone who is curious about the world around you this book is sure to fascinate and inform you If you like this book write a review on google books
