Heart Song Emmanuelle Snow, 2021-05-27 Our banter is electric Fueled by passion and hate And as intoxicating as our chemistry I had one goal Get away from my life for a month Destination A cabin in the mountains I never expected to run into the one man who would disrupt all my plans And my heart Carter Hills One person I never thought I would ever argue with in my life And yet I moved next door to him and soon he s everywhere I look I can t venture outside without facing his cocky grin One that should be forbidden around women like me Single and broken The worst is that he hid his identity from me On purpose All this time I thought my moody yet hot as hell neighbor was just another man crossing my path From our first encounter he s been doing everything in his power to grate on my last nerve And he doesn t even seem to care that I can t stand him Because he always comes back for more Every single time Even if I try to keep him at arm s length I fail each time I feel the pull between us Whenever we stand too close to each other But pretending the attraction we share doesn t exist can make it disappear right Is indulging in the fire searing between us and risking being burned worth it or should I just run away Note This is the fully re edited version of readers favorite Pink and Country It includes both parts of the duet BlindSided and ForeverMore It is a standalone novel part of the Carter Hills Band universe Note from author Emmanuelle Snow writes emotionally charged love stories that will bring you on a rollercoaster ride of emotion but always toward a HEA You ll want to be best friends with her heroines and have her heroes to rock your bed and take hostage your heart Heart Song is perfect for the readers who love women s fiction love stories Nicholas Sparks Colleen Hoover Paige Toon Carley Fortune Jennifer Hartmann emotional and sad books tear jerkers realistic stories celebrities alpha male girl next door strong women billionaire celebrity rockstar and country music setting spicy books strangers to lovers second chances small town setting slow burn hot and steamy sexy times best friend s lovers single dad and widow friends to lovers secret identity and military romance

Yellow Roses, Precious Songs Regina Bianco Cosenza, 2011-12-29 In Long Island and New York City during the prosperous 1970s life was good It was a time of plentyplenty of jobs plenty of money plenty of hope for all and everything seemed right with the world For Anna Maria Bellone a vibrant college graduate from Long Island it was also a time to begin her career with a prominent NYC insurance firm It was not long before she met the captivating Andrew Moore who quickly swept her into his life and his soul They enjoyed everything their beautiful city had to offerbut the secrets he held close and the events of one fateful evening shook their relationship almost beyond repair Was it possible that all they had shared and built together could be so easily destroyed in a matter of moments Could romance end so swiftly leaving only broken lives and bittersweet memories behind Anna relied on her strength and the love that was born below the shadows of the Manhattan skyline She prayed that her faith would help Andrew heal emotionally while she physically recovered from the night that forever changed them But Andrew had a different idea To save her further misery he was convinced that if he put half a country between them his plan would be successful Could their love overcome the circumstances that tried to separate
