**The Top 100 American Situation Comedies** Mitchell E. Shapiro, Tom Jicha, 2015-10-27 A number of books and articles have been written ranking the best situation comedies of all time. These have all had something in common: subjective criteria based on the authors' opinions. This book attempts an objective ranking of the best 100 American sitcoms based on a mathematical formula taking into account four factors: ratings, longevity, peer acceptance, and spawning of other programs/spin-offs. The authors considered a field of 377 series which met at least one of four criteria: aired for at least three seasons, rated among top 30 series in at least one season, received at least one major Emmy nomination, or spawned at least one other series. A critical essay is provided for each series along with air dates and cast listings.

**Shocking True Story** Henry E. Scott, 2010-01-19 Humphrey Bogart said of Confidential: "Everybody reads it but they say the cook brought it into the house." Tom Wolfe called it the most scandalous scandal magazine in the history of the world. Time defined it as a "cheesecake of innuendo, detraction, and plain smut." Dig up one sensational fact, embroider it for 1,500 to 2,000 words. If the subject thinks of suing, he may quickly realize that the fact is true even if the embroidery is not. Here is the never-before-told tale of Confidential magazine, America's first tabloid which forever changed our notion of privacy, our image of ourselves, and the practice of journalism in America. The magazine came out every two months, was printed on pulp paper, and cost a quarter. Its pages were filled with racy stories, sex scandals, and political exposés. It offered advice about the dangers of cigarettes and advocated various medical remedies. Its circulation at the height of its popularity was three million. It was first published in 1952 and took the country by storm. Readers loved its lurid red and yellow covers, its sensational stories filled with innuendo and titillating details, its articles that went far beyond most movie magazines like Photoplay and Modern Screen, and told the real stories such as trade publications as Variety and the Hollywood Reporter couldn't since they and the movie magazines were financially dependent on or controlled by the Hollywood studios. In Confidential's pages, homespun America was revealed as it really was: our most sacrosanct movie stars and heroes were exposed as wife beaters, Bing Crosby homosexuals, Rock Hudson and Liberace neglectful mothers, Rita Hayworth sex obsessives, June Allyson the cutie with the page boy, and Peter Pan collar mistresses of the rich and dangerous. Kim Novak, lover of Ramfis Trujillo, playboy son of the Dominican Republic dictator. Confidential's alliterative headlines told of tawny temptresses, black women passing for white, pinko partisans, liberals, lispers, lads, homosexuals, and promised its readers what the newspapers wouldn't reveal: The Real Reason for Marilyn Monroe's Divorce, How James Dean Knew He Had a Date with Death. The magazine's style, success, and methods ultimately gave birth to the National Enquirer, Star, People, E! Access, Hollywood, and TMZ. We see the two men at the magazine's center: its founder and owner, Robert Harrison, a Lithuanian Jew from New York's Lower East Side who wrote for The New York Graphic and published a string of girlie magazines including Titter, Wink, and Flirt; Bogart called the magazine's founder and owner the King of Leer, and Confidential's most important editor, Howard Rushmore, small town
