Lugbara Religion Ritual And Authority Among East African People:

Lugbara Religion John Middleton,1989 *Lugbara Religion* John Middleton,1969 **Lugbara Religion** John Middleton,1960 *LUGBARA RELIG PB* John Middleton,1987 **Lugbara Religion** John Middleton,1999 Witchcraft and Sorcery in East Africa John Middleton,E. H. Winter,2013-11-05

Containing ten essays by anthropologists on the beliefs and practices associated with witches and sorcerers in Eastern Africa the chapters in this book are all based on field research and new information which is studied within its wider social context First published in 1963 **Lugbara Religion** John Middleton (Writes on economics),1960 *The African Husbandman* William Allan,2004

The African Husbandman helped a generation of scholars and officials to appreciate that Africans agricultural practices were both more complex and more malleable than was often thought Allan s work also pioneered research methods that wedded ethnographic and ecological fieldwork in ways that demonstrated the inextricable links between social arrangements environmental conditions and land use patterns If certain facets of Allan s analysis have now come under scrutiny his general tenet that to improve agricultural prospects in Africa one first has to understand it from the cultivators point of view has only been strengthened with time As long as there are individuals struggling to make sense of African agricultural productivity The African Husbandman will remain a classic Witchcraft, Power and Politics Isak Niehaus,Eliazaar Mohlala,Kally Shokaneo,2001-05-20

This is an extraordinary account of witchcraft and witch hunting in the modern world A powerful ethnographic study of witch hunting in 1980s South Africa a period of rapid social change this book demonstrates the extent to which witchcraft must be seen not as a residue of traditional culture but as part of a complex social drama which is deeply embedded in contemporary political and economic processes Isak Niehaus provides the context for this fascinating study of witchcraft practices He shows how witchcraft was politicised against the backdrop of the apartheid state the liberation struggle and the establishment of the first post apartheid regime which all affected conceptions of witchcraft Niehaus demonstrates how the ANC and other political groups used witchcraft beliefs to further their own agenda He explores the increasingly conservative role of the chiefs and the Christian church In the process he reveals the fraught nature of intergenerational and gender relations The result is a truly insightful and theoretically engaged account of a much studied but frequently misunderstood practice *African Studies: Breakthroughs in Research and Practice* Management Association, Information Resources,2020-04-03

Global interest in African studies has been rapidly growing as researchers realize the importance of understanding the impact African communities can have on the economy development education and more As the use acceptance and popularity of African knowledge increases it is crucial to explore how this community based knowledge provides deeper insights understanding and influence on such things as decision making and problem solving African Studies Breakthroughs in Research and Practice examines the politics culture language history socio economic development methodologies and contemporary experiences of African peoples from around the world Highlighting

a range of topics such as indigenous knowledge developing countries and public administration this publication is an ideal reference source for sociologists policymakers anthropologists government officials economists instructors researchers academicians and graduate level students in a variety of fields

The East African Revival Kevin Ward,2016-03-23 From the 1930s the East African Revival influenced Christian expression in East Central Africa and around the globe This book analyses influences upon the movement and changes wrought by it in Uganda Rwanda Burundi Kenya Tanzania and Congo highlighting its impact on spirituality political discourse and culture A variety of scholarly approaches to a complex and changing phenomenon are juxtaposed with the narration of personal stories of testimony vital to spirituality and expression of the revival which give a sense of the dynamism of the movement Those yet unacquainted with the revival will find a helpful introduction to its history Those more familiar with the movement will discover new perspectives on its influence

Sacred Paths of the West Theodore M Ludwig,2015-08-07 This text combines study of the dynamic historical development of each religious tradition with a comparative thematic structure Students are encouraged to discover and explore the nature of religious experience by comparing basic themes and issues common to all religions finding connections with their own personal experiences By sensitively introducing descriptive material within a comparative thematic structure this text helps students to understand how each religion provides for its adherents patterns and meanings that make up a full way of life

Mapping Yorùbá Networks Kamari Maxine Clarke,2004-07-12 Ethnographic study of life and ritual in an African American Yor b revivalist community in South Carolina and its complex relation to Nigerian Yor b identity

Black Magic, Witchcraft and Occultism Sajal Nag,2023-06-09 Black magic occult practices and witchcraft still evoke huge curiosity interest and amazement in the minds of people Although witchcraft in Europe has been a widely studied phenomenon black magic and occult are not yet a popular theme of academic research even though India is known as a land of magic tantra and occult The Indian State of Assam was historically feared as the land of Kamrup Kamakhya black magic witchcraft and occultic practices It was where different Tantric cults as well as other occult practices thrived The Khasi Hills are known for the practice of snake vampire worship The village of Mayong is the village where magic and occult is still practiced as a living tradition This book is one of the rarest collections where such practices are researched recorded and academically analyzed It is one of those collections where studies of all three practices of Black Magic Witchcraft and Occult are combined into one single book

The Nature of Entrustment Parker MacDonald Shipton,2007-01-01 This groundbreaking book addresses issues of the keenest interest to anthropologists specialists on Africa and those concerned with international aid and development Drawing on extensive research among the Luo people in western Kenya and abroad over many years Parker Shipton provides an insightful general ethnography In particular he focuses closely on nonmonetary forms of exchange and entrustment moving beyond anthropology s traditional understanding of gifts loans and reciprocity He proposes a new view of the social and symbolic dimensions of economy over the full life course including transfers between generations He shows

why the enduring cultural values and aspirations of East African people and others around the world complicate issues of credit debt and compensation The book examines how the Luo assess obligations to intimates and strangers including the dead and the not yet born Borrowing lending and serial passing along have ritual religious and emotional dimensions no less than economic ones Shipton shows and insight into these connections demands a broad rethinking of all international aid plans and programs Witchcraft and a Life in the New South Africa Isak Arnold Niehaus,2013 This biography casts new light on scholarly understandings of the connections between politics witchcraft and AIDS in South Africa

Understanding Religious Sacrifice Jeffrey Carter,2003-03-31 This volume provides a thorough introduction to the major classic and modern writings dealing with religious sacrifice Collected here are twenty five influential selections each with a brief introduction addressing the overall framework and assumptions of its author As they present different theories and examples of sacrifice these selections also discuss important concepts in religious studies such as the origin of religion totemism magic symbolism violence structuralism and ritual performance Students of comparative religion ritual studies the history of religions the anthropology of religion and theories of religion will particularly value the historical organization and thematic analyses presented in this collection **The Archaeology of Ancestors** Hill/Hageman,Hageman, Jon

B,2016-03-23 Contributors to this landmark volume demonstrate that ancestor veneration was about much more than claiming property rights the spirits of the dead were central to domestic disputes displays of wealth and power and status relationships Case studies from China Africa Europe and Mesoamerica use the evidence of art architecture ritual and burial practices to explore the complex roles of ancestors in the past Including a comprehensive overview of nearly two hundred years of anthropological research The Archaeology of Ancestors reveals how and why societies remember and revere the dead Through analyses of human remains ritual deposits and historical documents contributors explain how ancestors were woven into the social fabric of the living The Archaeology of People Alisdair Whittle,2003-09-02 Alasdair Whittle s new work argues powerfully for the complexity and fluidity of life in the Neolithic through a combination of archaeological and anthropological case studies and current theoretical debate The book ranges from the sixth to the fourth millennium BC and from the Great Hungarian Plain central and western Europe and the Alpine foreland to parts of southern Britain Familiar terms such as individuals agency identity and structure are dealt with but Professor Whittle emphasises that they are too abstract to be truly useful Instead he highlights the multiple dimensions which constituted Neolithic existence the web of daily routines group and individual identities relations with animals and active but varied attitudes to the past The result is a vivid original and perceptive understanding of the early Neolithic which will offer insights to readers at every level **The Humanities** Frank Whaling,2019-10-08 No detailed description available for The Humanities
