A NEW LOOK AT LUKE-ACTS

Luke And The People Of God A New Look At Luke Acts

Jacob Jervell

Luke And The People Of God A New Look At Luke Acts:

Luke and the People of God Jacob Jervell,1972 **Luke and the People of God** Jacob Jervell,1972 **The Undercover Messiah and His Coming Kingdom** Jim R. Sibley,2025-01-21 What a profound mystery An undercover Messiah While an undercover agent may assume a deceptive identity an undercover boss assumes an identity that is merely unrecognized The concept of an undercover Messiah suggests that he assumed a role that was largely unanticipated though it was prophesied centuries earlier in Israel s Scriptures Messiah was to come as the Prophet like Moses the Priest like Melchizedek and the King like David Yet in his role as the Prophet he went largely unrecognized in his day and today Changing water to wine may seem undramatic but Moses s first miracle in Egypt was changing water to blood symbolizing judgment and death Jesus changed water to wine symbolizing the joy of redemption With this Jesus presented his calling card After his resurrection when Jesus encountered his confused and disheartened disciples he began with Moses This book unpacks Jesus as Prophet Priest and King and the kingdom he will establish as the future inheritance of believers With insights drawn from the latest scholarly research it offers relevant life changing wisdom for these turbulent times Behold, Your House Is Left to You Peter H. Rice,2016-10-07 This book explores the place of Jerusalem and its Temple in Luke s Gospel paying attention both to the Third Gospel s narrative and theological dynamics and to the historical and rhetorical milieu in which Luke composed his narrative It argues for a portrait of the Jerusalem Temple in Luke s Gospel that is complex multifold and coherent one comprised of interwoven strands constituting an engaging and intertextual response to the pressing theological concerns of the Evangelist s day *Contesting Conversion* Matthew Thiessen,2011-07-08 Winner of the Manfred Lautenschlaeger Award for Theological Promise Matthew Thiessen offers a nuanced and wide ranging study of the nature of Jewish thought on Jewishness circumcision and conversion Examining texts from the Hebrew Bible Second Temple Judaism and early Christianity he gives a compelling account of the various forms of Judaism from which the early Christian movement arose Beginning with analysis of the Hebrew Bible Thiessen argues that there is no evidence that circumcision was considered to be a rite of conversion to Israelite religion In fact circumcision particularly the infant circumcision practiced within Israelite and early Jewish society excluded from the covenant those not properly descended from Abraham In the Second Temple period many Jews began to subscribe to a definition of Jewishness that enabled Gentiles to become Jews Other Jews such as the author of Jubilees found this definition problematic reasserting a strictly genealogical conception of Jewish identity As a result some Gentiles who underwent conversion to Judaism in this period faced criticism because of their suspect genealogy Thiessen s examination of the way in which Jews in the Second Temple period perceived circumcision and conversion allows a deeper understanding of early Christianity *Contesting Conversion* shows that careful attention to a definition of Jewishness that was based on genealogical descent has crucial implications for understanding the variegated nature of early Christian mission to the Gentiles in the first century C E **Actualité de la pensée médiévale.**

Recueil d'articles. Joseph Verheyden, Jozef Verheyden, 1999 This volume contains the papers presented at the 47th Colloquium Biblicum Lovaniense Leuven 1998 The general theme of the meeting was the unity of the Gospel of Luke and the Acts of the Apostles Main papers on this topic were read by R L Brawley J Delobel A Denaux J A Fitzmeyer F W Horn J Kremer A Lindemann O Mainville D Marguerat F Neirynck W Radl M Rese J Taylor C M Tuckett and J Verheyden While a large majority of scholars agree that Luke intended his work to cover both the past and the continuing history of Jesus Gospel and Acts the essays also illustrate the complexities of this view on the unity of Luke Acts when it comes to interpret the various aspects of Lukan theology christology pneumatology and ecclesiology the expansion of the Church in light of its Jewish origins the genre of Luke Acts and the literary and stylistic means Luke used to make his work a unity In total the volume includes some 40 papers of which 24 are offered papers L Alexander H Baarlink M Bachmann D Bechard T L Brodie G P Carras A del Agua C Focant G Geiger B J Koet V Koperski D P Moessner G Oegema J Pichler E Plumacher A Puig i Tarrech U Schmid B Schwank N Taylor P J Tomson S Van den Eynde S Walton G Wasserberg F Wilk This collection is an invaluable contribution to current discussions in Lukan study and to a nuanced understanding of the relationship between Luke's two volumes

Luke's Portrait of Paul John Clayton Lentz, 1993 The purpose of this book is to seek a fuller understanding of how the characterisation of Paul in Acts would have been perceived by those who first read or heard the Lukan narrative As the author makes clear the careful reader of Acts should be amazed at the way St Paul is portrayed therein Dr Lentz demonstrates through a careful examination of particular texts the great improbability that a Jew of strict Pharisaic background would have held let alone been proud of Roman citizenship and citizenship of the city of Tarsus By investigating the social and legal expectations of the first century the author shows that Paul is seen to be deferred to in matters of legal minutiae by those in positions of authority He is given high social status and abundant moral virtue in order to attract to Christianity the high ranking citizen who would recognise in Paul the classical cardinal virtues

The Early Reception of Paul the Second Temple Jew Isaac W. Oliver, Gabriele Boccaccini, 2018-10-04 Paul's relationship to Christianity as a Pharisaic Jew whose moment of revelation on the road to Damascus has made him the most famous early Christian is still a topic of great interest to scholars of early Christianity and Judaism This collection of essays from world renowned scholars examines how Christians of the first two centuries perceived Paul's Jewishness and how they seized upon Paul's views on Judaism in order to advance their own claims about Christianity The contributors offer a comprehensive examination of various early Christian views on Paul in texts contained both in and outside of the New Testament demonstrating how the reception of Paul's thought affected the formation of Judaism and Christianity into separate entities Divided into five sections the arguments focus upon Paul's reception in Ephesians the other Deutero Pauline Epistles the Acts of the Apostles Marcion of Synope and the reaction of Paul's opponents Featuring essays from scholars including Judith Lieu James H Charlesworth and Harry O Meier this volume forms a perfect resource for scholars to reassess Paul's Jewishness

and relationship with Judaism Receptions of Paul in Early Christianity Jens Schröter, Simon Buttica, Andreas Dettwiler, 2018-10-22 The volume deals with interpretations of Paul his person and his letters in various early Christian writings Some of those written in the name of Paul became part of the New Testament others are included among Ancient Christian Apocrypha still others belong to the collection called The Apostolic Fathers Impacts of Paul are also discernible in early collections of his letters which became an important part of the New Testament canon This process resulting in the canonical Paul is also considered in this collection **Challenges to Biblical Interpretation** Heikki Räisänen, 2021-11-22 The book offers a selection of the author s seminal recent articles focusing on Jesus Paul and questions of principle It contributes to the Jesus quest by questioning the authenticity of some sayings and stories usually counted to the bedrock of the tradition It analyses the ambiguous relationship of early Christians especially Paul to their Jewish heritage It suggests new ways of handling fundamental questions of principle in biblical interpretation The book is likely to stimulate thought and discussion challenging widely held views The author reflects on the use of New Testament in responsible modern theology defending classical historical criticism against recent challenges The emphasis put on the role of experience in the formation of early Christian thought and on the significance of the effective history of the Bible is especially helpful **The Trial of the Gospel** Alexandru Neagoe, 2002-05-16 For many years Luke Acts has been studied as a work of history and theology The Trial of the Gospel sets out to examine Luke s writings as an apologetic work by focusing on those parts of Luke s story where the apologetic overtones seem most prominent the trial narratives By analysing the trials of all major Lukan characters Jesus Peter Stephen and Paul Alexandru Neagoe argues that the narratives are best understood when viewed as part of Luke s apologia pro evangelio a purpose which is in keeping with the author s declared aim to give his readers assurance about the matters in which they had been instructed Luke 1 4 Neagoe concludes that the specific role of the trial narratives is to provide the framework within which important tenets of the Christian faith are themselves put on trial before the reader with the intended result of the gospel s confirmation *Journal of Greco-Roman Christianity and Judaism, Volume 20* Stanley E. Porter, Matthew Brook O'Donnell, Wendy J. Porter, 2025-04-18 **Besorah** Mark S. Kinzer, Russell L. Resnik, 2021-06-09 The gospel of the life death and resurrection of Jesus of Nazareth has healed countless lives over the centuries but the gospel itself has been wounded through neglect of one of its main components The books of Luke and Acts reveal that the death and resurrection of Jesus are linked inextricably to the destruction and promised restoration of Jerusalem the city that personifies the Jewish people as a whole To highlight this expanded understanding of the gospel Mark Kinzer and Russ Resnik unpack the Hebrew term for gospel besorah as a prophetic message of salvation for Israel and all nations In Luke s besorah the death and resurrection of the Messiah are a sign of the coming judgment and restoration of Jerusalem and the Jewish people a restoration that brings with it the renewal of all creation This prophetic dimension of the besorah is a key to healing the fractured gospel and restoring its power amidst the strife and tumult of the twenty first

century **Intertextual Explorations in Deuterocanonical and Cognate Literature** Jeremy Corley, Geoffrey David Miller, 2019-05-06 This volume explores the fundamentals of intertextual methodology and summarizes recent scholarship on studies of intertextuality in the deuterocanonical books The essays engage in comparison and analysis of text groups and motifs between canonical deuterocanonical and non biblical texts Moreover the book pays close attention to non literary relationships between different traditions a new feature of research in intertextuality *Jesus Left Loose Ends* William R. G. Loader, 2021-11-10 Bill Loader has been one of the leading New Testament scholars not just in Australia but globally for half a century What is immediately apparent is that the clarity of communication and the exceptional precision in analyzing the details of ancient texts which are the hallmarks of his scholarship were present even in the earliest essays Without exception every essay in this volume is a contribution of exceptional insight for all who seek to learn from an exemplary scholar

Hebrews David L. Allen, 2010-09-15 The New American Commentary series is an exceptionally acclaimed resource for ministers and Bible students who want to understand and expound the Scriptures Notable features in this new Hebrews volume by scholar David Allen include Commentary based on the New International Version NIV text printed in the body of the commentary Sound scholarly methodology reflecting capable research in the original languages Interpretation emphasizing the theological unity of each book and Scripture as a whole Readable and applicable exposition **Reading the Bible Missionally** Goheen, 2016 Over the past half century it has become clear that mission is a central theme in the Bible s narrative and moreover is central to the very identity of the church This book significantly widens and deepens the emerging conversation on missional hermeneutics Essays from top biblical and missiological scholars discuss reading the Scriptures missionally using mission as a key interpretive lens Five introductory chapters probe various elements of a missional hermeneutic followed by sections on the Old and New Testaments that include chapters on two books from each to illustrate what a missional reading of them looks like Essays in two concluding sections draw out the implications of a missional reading of Scripture for preaching and for theological education Publisher *The Routledge Encyclopedia of the Historical Jesus* Craig A. Evans, 2014-01-14 This Encyclopedia brings together the vast array of historical research into the reality of the man the teachings the acts and the events ascribed to him that have served as the foundational story of one of the world s central religions This kind of historiography is not biography The historical study of the Jesus stories and the transmission of these stories through time have been of seminal importance to historians of religion Critical historical examination has provided a way for scholars of Christianity for centuries to analyze the roots of legend and religion in a way that allows scholars an escape from the confines of dogma belief and theological interpretation In recent years historical Jesus studies have opened up important discussions concerning anti-Semitism and early Christianity and the political and ideological filtering of the Jesus story of early Christianity through the Roman empire and beyond Entries will cover the classical studies that initiated the new historiography the theoretical discussions about authenticating the historical record

the examination of sources that have led to the western understanding of Jesus teachings and disseminated myth of the events concerning Jesus birth and death Subject areas include the history of the historical study of the New Testament major contributors and their works theoretical issues and concepts methodologies and criteria historical genres and rhetorical styles in the story of Jesus historical and rhetorical context of martyrdom and messianism historical teachings of Jesus teachings within historical context of ethics titles of Jesus historical events in the life of Jesus historical figures in the life of Jesus historical use of Biblical figures referenced in the Gospels places and regions institutions the history of the New Testament within the culture politics and law of the Roman Empire

The Eerdmans Dictionary of Early Judaism John J. Collins, Daniel C. Harlow, 2010-11-11 The Dictionary of Early Judaism is the first reference work devoted exclusively to Second Temple Judaism fourth century b c e through second century c e The first section of this substantive and incredible work contains thirteen major essays that attempt to synthesize major aspects of Judaism in the period between Alexander and Hadrian The second and significantly longer section offers 520 entries arranged alphabetically Many of these entries have cross references and all have select bibliographies Equal attention is given to literary and nonliterary i e archaeological and epigraphic evidence and New Testament writings are included as evidence for Judaism in the first century c e Several entries also give pertinent information on the Hebrew Bible The Dictionary of Early Judaism is intended to not only meet the needs of scholars and students at which it succeeds admirably but also to provide accessible information for the general reader It is ecumenical and international in character bringing together nearly 270 authors from as many as twenty countries and including Jews Christians and scholars of no religious affiliation

Luke's Legato Historiography David Lee Brack, 2017-10-24 As the first century came to a close the church struggled with its identity due to its memories of a disconnected past As the church reflected on recent history it remembered the origins of Christianity as full of gaps and discontinuities leaving it to question the validity of this new Jesus movement How did Jesus ministry relate to ancient Judaism What was the relationship between John the Baptist and Jesus What kind of transition occurred between Jesus and his followers How did the Holy Spirit relate to Jesus How could the controversial figure Paul have such an integral role in nascent Christianity How could a heavily Gentile church preach about the Messiah of Israel Using a musical metaphor this book demonstrates how Luke replies to these staccato narratives of the first century church with his own legato version of history Luke accomplishes this bridging of past events primarily through the ancient practice of rhetorical transitions and in the process reassures his audiences of the continuity of salvation history throughout the various stages of early Christianity

As recognized, adventure as with ease as experience about lesson, amusement, as capably as concord can be gotten by just checking out a book **Luke And The People Of God A New Look At Luke Acts** as a consequence it is not directly done, you could acknowledge even more approaching this life, approximately the world.

We present you this proper as without difficulty as easy showing off to acquire those all. We provide Luke And The People Of God A New Look At Luke Acts and numerous books collections from fictions to scientific research in any way. in the middle of them is this Luke And The People Of God A New Look At Luke Acts that can be your partner.
