Luke Following Jesus:

Luke Sharrel Keyes, 2011-05-25 Following Jesus what an exciting spiritual adventure But Jesus said faithfulness to Him means putting aside personal priorities Readers will discover how to have the faith to follow **The Upside Down Way** Matthew Ingalls, 2017-02-14 Jesus life should turn our world upside down His first observers according to Luke were routinely seized with amazement both at the bending of physics making the blind see and lame walk and at the ridiculous things he did and taught A careful look at the Jesus of the Gospels sketches a man completely out of touch with conventional thinking a man radically devoted to living a shocking life for the sake of the broken and forgotten In popular depictions of Jesus today he seems to be more concerned with upholding a conventional way of life than with overturning our understanding of ourselves Jesus life story should lead more to humble servanthood than to syncopated light shows in church or the triumph of a political candidate or a well ordered and respectable lifestyle The Upside Down Way is a series of devotionals drawn from the text of Luke Each devotional is an invitation to a fresh look at the outrageous words and actions of Jesus Author and pastor Matthew Ingalls combines rigorous historical study with a voice that is unflinchingly bold reflective honest and challenging in order to elevate Luke s ridiculous Jesus to his rightful position as the fountain of Christian faith **Following Jesus** Phillip C. Thrailkill, 2022-10-17 Two questions are braided together in Luke s Gospel Who is Jesus and what does it mean to be his student and apprentice The church has spent much of its intellectual energies on the first question but not so much on the second We are precise in our Christology and vague in our Discipleology my new word Of the four biographies that open the New Testament Luke is perhaps the best equipped to answer the question of what it means to follow Jesus along with others and what we can expect in the process Luke s Gospel is dense with story after story about Jesus s stumbling goofy persistent disciples And his second volume Acts continues the tale There is a deep continuity as Luke teaches between Jesus s original disciples and the ones who later declared their allegiance to him after his resurrection We walk in the footsteps of pioneers in this new way of living with a Jesus who is always near but just beyond sight The aim of this book is to plunder the fruits of New Testament scholarship especially the tools of rhetorical and narrative criticism to highlight what an incredible adventure came with the call to follow me **Following Jesus with Luke** Stonecroft Ministries, 2013-01-01 What would it have been like to walk around with Jesus watching what He did and hearing what He said This ten week study will guide readers through the eyewitness accounts gathered by Luke in his Gospel As they read selected Bible passages go over straightforward explanations and applications and wrestle with open ended questions participants will find their perspective on the Son of Man the God who identified Himself with us completely forever changed About This Series Stonecroft Bible Studies encourage people to know God and grow in His love through exploration of His life transforming Word the Bible Each book is designed for both seekers and new believers and includes easy to understand explanations and applications of Bible passages and study questions Following Jesus to Jerusalem: Luke 9-19 Paul

Barnett,2012-06-01 In this study of Luke s Gospel chapters 9 to 19 Australian Bible scholar Paul Barnett traces the journey of Jesus to Jerusalem in the last stage of his earthly ministry and challenges readers to live in the light of Jesus self sacrificial humility This is a stirring call to authentic Christian discipleship Sessions with Luke: Following Jesus on the Journey to Christian Character Timothy W. Brock,2013-04-11 Sessions with Luke is a ten lesson study designed to help participants explore and embody Christian character through reflection on biblical truths illustrated in the book of Luke Each session is followed by a thought provoking resource page of questions that allows for a deeper experience of the scriptural passages These resource pages can be used by seminar leaders during preparation and group discussion as well as in individual Bible study Timothy Brock takes readers on a journey through Luke s brilliant collection of memorable stories challenging teachings and well known parables describing the life and work of Jesus Christ Ultimately the stories found in Luke s gospel demonstrate that accepting the invitation to follow Jesus requires a radically transformed relationship with God and with other people Followers of Jesus are encouraged to emulate and to embody the character of Christ as they create a lifestyle of obedience to God and service to others **The Call to Follow Jesus** Kay Arthur,2002-06-15 Knowing Jesus is the beginning of a lifetime adventure In this simple but magnificent study of Luke believers will discover more about how Christ lived and how they too can live as true disciples **Luke - Following Jesus** Madelaine Smith,2013-06-30 A leaders guide for an eight month long study of the Gospel of Luke It is coordinated with the corresponding WEB Study Guide with an answer for every question in the WEB Study Guide to assist the leaders of groups or to help the individual student It is a valuable resource for anyone serious about understanding the Bible **Following Jesus Christ** John K. Goodrich,Mark L. Strauss,2019-11-19 A Comprehensive Guide to Discipleship in the New Testament and Today s World Although the concept of discipleship is an integral part of New Testament teaching it has largely faded from discussion in both the academy and the local church To revive and reclaim this teaching for believers in the twenty first century editors John Goodrich and Mark Strauss have assembled an expert team of scholars to uncover what every New Testament book teaches about discipleship providing a comprehensive biblical picture In addition other contributors explore discipleship in the context of the local church spiritual formation and the life of the mind Together these essays point the way forward for becoming more like Jesus Christ and helping others do the same in our personal and corporate lives An impressive roster of scholars who have addressed a vital but often neglected topic in both the church and in the academy Rich with insight Following Jesus Christ represents a major advance in this essential area of study Craig A Evans Houston Baptist University We are treated here to a survey of what discipleship means in the New Testament from experts in the field and we also see some of the wider dimensions of discipleship in this important work All those wanting to understand discipleship will find this to be a valuable resource Thomas R Schreiner The Southern Baptist Theological Seminary *Following Jesus* Peter Roennfeldt,2022-08-09 Disciplemaking Sounds intimidating doesn t it Like something only ordained ministers or trained missionaries can do But

Jesus didn't go looking for special forces followers. He took to the streets, looked everyday people in the eye and said simply Follow me. This book helps us to gain a more accurate picture of God by seeing his character displayed through the person of Jesus. The author meticulously and accurately presents the life and ministry of Jesus to strengthen our faith and to empower us for walking daily with God.

Following Jesus Blake Ferriss, 2019-05-15. Jesus spoke to the people once more and said I am the light of the world. If you follow me you won't have to walk in darkness because you will have the light that leads to life. John 8:12 NLT. Following Jesus: An Approach to Christian Spirituality provides a basis for understanding how the Lordship of Christ is the essential criterion for determining how Christianity functions as a relational experience with God. With that relational experience for the believer in Christ being the product of supernatural experience with the Holy Spirit, the book functions as an organizing tool to be used for a conscientious inquiry into how a Christian worldview operates in four relational categories of experience. With these relational categories act as a basis for understanding how our choices affect our lives and our futures both now and in life and eternally and how it is that God loves us and will give our lives the meaning and purpose that we all long for.

Following Jesus in the "Real World" Richard C. Lamb, Jr., 1995-03-17. Richard Lamb blends scriptural insights, stories of recent graduates and his own life experience to offer sound advice and practical encouragement for spiritual growth during the postcollege years. **Just Follow Jesus** Billy Joseph Stines, 2019-12-18. Who were the men called by Jesus? Among the twelve disciples were two sets of brothers: Peter and Andrew, James and John, and a man named Matthew. If we were selecting individuals to follow Jesus, these men would have never been on our list. But Jesus saw something in them we could never see. Peter, Andrew, James and John made their livelihood fishing in the Sea of Galilee. Matthew collected taxes for the hated Roman empire. Each was an average man just going about his daily business. But Jesus turned their lives upside down by calling to them, saying Follow me. Just as his call changed their lives, it can change your life too. Billy Joseph Stines, who served almost forty years at six churches scattered around North and South Carolina, explores why you should listen to the

call of Jesus He also urges readers to stop dismissing those parts of the Bible that do not fit their idea of who God is Instead of seeking peace through compromise the goal must be to discover the truth Jesus Christ **Jewish Ways of Following**

Jesus Edwin Keith Broadhead,2010 In this study Edwin K Broadhead s purpose is to gather the ancient evidence of Jewish Christianity and to reconsider its impact He begins his investigation with the hypothesis that groups in antiquity who were characterized by Jewish ways of following Jesus may be vastly underrepresented misrepresented and undervalued in the ancient sources and in modern scholarship Giving a critical analysis of the evidence the author suggests that Jewish Christianity endured as an historical entity in a variety of places in different times and in diverse modes If this is true a new religious map of antiquity is required Moreover the author offers a revised context for the history of development of both Judaism and Christianity and for their relationship Theology of the New Testament Frank S. Thielman,2011-03-22

Studying the theology of the New Testament can be a daunting task even to the knowledgeable Bible student or pastor Each of the twenty seven books written by various authors has its own theological emphasis and nuances How do we elicit a coherent message from such theological diversity especially given that some of the theological statements in the New Testament seem to be at odds with one another Is such an endeavor achievable or even valid Theology of the New Testament takes a balanced approach in response to these challenges Frank Thielman presents a theology of the New Testament that is careful to take into account the cultural and historical circumstances surrounding each book and the New Testament as a whole He not only examines each book s theological content individually but also in relation to the rest of the New Testament particularly within each of the three theological units that comprise the New Testament the gospels and Acts the Pauline epistles and the general epistles and Revelation This canonical and synthetic approach honors both the theological diversity of the various books and the theological connections between the books In the end Thielman finds a unified theological vision of the New Testament anchored in the centrality of Jesus Christ Frank Thielman s Theology of the New Testament is an outstanding achievement The book is marked by scholarly depth exegetical rigor and theological profundity Both students and professors will profit immensely from this lucid treatment of the theology contained in the New Testament documents Thomas R Schreiner Professor of New Testament The Southern Baptist Theological Seminary An accessible presentation of the key theological points of the New Testament books by an accomplished New Testament scholar and teacher Its clear style lucid organization and sound theological insight make it a prime resource for serious students in both the academy and the church Karen H Jobes PhD Associate Professor of New Testament Westmont College *Every Believer a Disciple!* David E. Bjork,2015-06-14 The growth of Christianity in recent decades has been remarkable but has it been growth with depth Are our communities of faith our churches creating and nurturing deeply committed followers of Jesus This book was born out of the realization that churches throughout the world despite their numerous evangelization and spiritual development activities are struggling to produce true disciples of Jesus How can we explain why so many of us in our churches are so

unlike Jesus in the way we think and act What can we change in our understanding and practices to facilitate life transformation and spiritual multiplication And as Christians what are we called to do In answering these questions the author proposes an alternative ecclesial and missional paradigm that will enable us to better equip and mobilize believers in the mission that Christ gave to his disciples and gives to us all to make disciples *The Expositor's Bible Commentary* David E.
