The Complete Works of George MacDonald (Illustrated Edition) George MacDonald, 2023-12-07. The Complete Works of George MacDonald Illustrated Edition presents a compendium of MacDonald's pivotal contributions to fantasy literature and spiritual allegory, intricately interwoven with superb illustrations. This edition encapsulates MacDonald's unique narrative style, characterized by its lyrical prose, vivid imagery, and rich symbolism, which elevates the realms of allegory and fairy tale. As a forerunner of modern fantasy, MacDonald deftly explores themes of morality, redemption, and the interplay between the earthly and mystical, inviting readers to traverse not merely the outer landscapes but the inner sanctum of the human soul through works such as *Phantastes* and *The Princess and the Goblin*. George MacDonald, a profoundly influential Scottish author and poet of the 19th century, is often heralded as the grandfather of modern fantasy literature. His devout Christian faith and extensive theological inquiries inspired his imaginative narratives, reflecting his belief in the transformative power of love and grace. His friendship with literary giants such as Lewis Carroll and his influence on contemporaries like C. S. Lewis underscore his significance within the literary canon. Such intellectual network and theological grounding greatly informed his creative vision. I highly

recommend this illustrated edition to both scholars and enthusiasts of literary fantasy Its enriched textual exploration allows for a deeper engagement with MacDonald s themes and philosophies while the illustrations breathe new life into his historic tales This work not only appeals to admirers of fantasy but also serves as a testament to MacDonald s enduring significance in the exploration of spiritual truths through the lens of enchanting storytelling *Citizen*, 1832 **Munsey's Magazine**, 1912 *The Funeral Achievements of Henry V at Westminster Abbey* Anne Curry, Susan Jenkins, 2022 Ground breaking new studies of Henry V s chapel tomb and funeral service have new revelations and insights into the time Before Henry V set out in 1415 on the campaign which culminated in victory at Agincourt he made a will laying down precise instructions for a chantry chapel to be constructed in Westminster Abbey after his death so that he could be buried close to his saintly ancestor Edward the Confessor Seven years later the king died at Vincennes and his body was brought back for burial in the Abbey the elaborate funeral took place on 7 November 1422 His chapel was probably finally completed in the 1440s and remains a distinctive feature of Westminster Abbey to this day This book stimulated by the 600th anniversary of the death of this iconic king sheds new light on his funeral service and the design of his ornate chantry chapel and tomb It also considers each of the funeral achievements saddle helm shield and sword traditionally associated with him Drawing on up to date research by experts in each field with exciting input from new technologies it investigates the construction and form of the arms and weapons as well as providing fascinating insights into the material culture and commemoration of royalty in the fifteenth century and beyond Anne Curry is Emeritus Professor of Medieval History at the University of Southampton Susan Jenkins is Curator of Westminster Abbey experts in each field with exciting input from new technologies it investigates the construction and form of the arms and weapons as well as providing fascinating insights into the material culture and commemoration of royalty in the fifteenth century and beyond Anne Curry is Emeritus Professor of Medieval History at the University of Southampton Susan Jenkins is Curator of Westminster Abbey experts in each field with exciting input from new technologies it investigates the construction and form of the arms and weapons as well as providing fascinating insights into the material culture and commemoration of royalty in the fifteenth century and beyond Anne Curry is Emeritus Professor of Medieval History at the University of Southampton Susan Jenkins is Curator of Westminster Abbey
