writers today Emily Nasrallah Al Anwar newspaper 2006 It is as if Hanane Aad the poet who knows the secret of wisdom were reassuring Al Hallaj when he was divided between two hearts his heavenly one and his earthly one The two main subjects of her verse love and poetry are expressed with eloquence and a beauty of language and she displays great sincerity when writing about matters of the heart and the mind Dr Sami Makarem 27 April 2006 A language inlaid with metaphors and with existential and creative amazement Did not Hanane Aad herself say that her language is at one and the same time her horse her insight and her chivalry or fouroussyah Dr Amine Albert Al Rihani 27 April 2006 The poetry of Hanane Aad is a laboratory of the soul s power and the will and combines both the concrete and the abstract Her poems are based on several contrasting themes and the poetical element in them is a result of these contrasts being developed in a vertical sequence Salman Zayneddin Al Anwar newspaper 2006 Her poetry embodies a feeling of nihilism or absurdity but in a positive sense stimulating creation and innovation instead of death and surrender This is the fruit of a transparent and sincere monologue indicating the power of the heart and the power of the soul The meditative inclination in Hanane Aad s verse may be founded on a strategy of her poetical writing to bring the abstract down from its throne to the level of the concrete and non absolute in order to humanize what is abstract and to set up a possible dialogue with life or the passing age at least within the poem Jihad Hudeib Amman October 2004
