Erik Larson

Lusitania An Epic Tragedy Thorndike Press Large Print Nonfiction Series:

Lusitania Diana Preston, 2015-05-05 On May 7 1915 toward the end of her 101st eastbound crossing from New York to Liverpool England R M S Lusitania pride of the Cunard Line and one of the greatest ocean liners afloat became the target of a terrifying new weapon and a casualty of a terrible new kind of war Sunk off the southern coast of Ireland by a torpedo fired from the German submarine U 20 she exploded and sank in eighteen minutes taking with her some twelve hundred people more than half of the passengers and crew Cold blooded deliberate and unprecedented in the annals of war the sinking of the Lusitania shocked the world It also jolted the United States out of its neutrality and hastened the nation's entry into World War I In her riveting account of this enormous and controversial tragedy Diana Preston recalls both a pivotal moment in history and a remarkable human drama The story of the Lusitania is a window on the maritime world of the early twentieth century the heyday of the luxury liner the first days of the modern submarine and the climax of the decades long German British rivalry for supremacy of the Atlantic Above all it is the story of the passengers and crew on that fateful voyage a story of terror and cowardice of self sacrifice and heroism of death and miraculous survival Dead Wake Erik Larson, 2016-03-22

1 NEW YORK TIMES BESTSELLER From the bestselling author and master of narrative nonfiction comes the enthralling story of the sinking of the Lusitania Both terrifying and enthralling Entertainment Weekly Thrilling dramatic and powerful NPR Thoroughly engrossing George R R Martin On May 1 1915 with WWI entering its tenth month a luxury ocean liner as richly appointed as an English country house sailed out of New York bound for Liverpool carrying a record number of children and infants The passengers were surprisingly at ease even though Germany had declared the seas around Britain to be a war zone For months German U boats had brought terror to the North Atlantic But the Lusitania was one of the era's great transatlantic Greyhounds the fastest liner then in service and her captain William Thomas Turner placed tremendous faith in the gentlemanly strictures of warfare that for a century had kept civilian ships safe from attack Germany however was determined to change the rules of the game and Walther Schwieger the captain of Unterseeboot 20 was happy to oblige Meanwhile an ultra secret British intelligence unit tracked Schwieger's U boat but told no one As U 20 and the Lusitania made their way toward Liverpool an array of forces both grand and achingly small hubris a chance fog a closely guarded secret and more all converged to produce one of the great disasters of history It is a story that many of us think we know but don't and Erik Larson tells it thrillingly switching between hunter and hunted while painting a larger portrait of America at the height of the Progressive Era Full of glamour and suspense *Dead Wake* brings to life a cast of evocative characters from famed Boston bookseller Charles Lauriat to pioneering female architect Theodate Pope to President Woodrow Wilson a man lost to grief dreading the widening war but also captivated by the prospect of new love Gripping and important *Dead Wake* captures the sheer drama and emotional power of a disaster whose intimate details and true meaning have long been obscured by history Finalist for the Washington State Book Award One of the Best Books of the Year The Washington Post St
