The Illusion Of Victory Thomas Fleming, 2008-08-05 The political history of the American experience in World War I is a story of conflict and bungled intentions that begins in an era dedicated to progressive social reform and ends in the Red Scare and Prohibition Thomas Fleming tells this story through the complex figure of Woodrow Wilson the contradictory president who wept after declaring war devastated because he knew it would destroy the tolerance of the American people but who then suppressed freedom of speech and used propaganda to excite America into a Hun hating mob This is tragic history inexperienced American military leaders drove their troops into gruesome slaughters progressive politics were put on hold in America an idealistic president's dreams were crushed because of his own negligence Wilson's inability to convince Congress to ratify U S membership in the League of Nations was one of the most poignant failures in the history of the American presidency but even more heartrending were Wilson's concessions to his bitter allies in the Treaty of Versailles In exchange for Allied support of the League of Nations he allowed an unfair peace treaty to be signed a treaty that played no small role in the rise of National

Socialism and the outbreak of World War II Thomas Fleming has once again created a masterpiece of narrative American history This incomparable portrait shows how Wilson sacrificed his noble vision to megalomania and single mindedness while paying homage to him as a visionary whose honorable spirit continues to influence Western politics *Power, Space, and Time* J. Patrick Rhamey Jr.,Tadeusz Kugler,2020-01-24 Undergraduate students in most preliminary courses in international politics are introduced to realist liberal and constructivist approaches supplementing this theoretical introduction with conceptual discussions of the state international system and or decision making and policy formation By the end of their college experience undergraduate IR majors will engage coursework more narrowly focused on an empirical outcome such as war economic integration development or migration These advanced courses are directly linked to modern research agendas and graduate level course material usually with few references to the theoretical paradigms taught in introductory classes This volume seeks to bridge the gap between what is taught in early undergraduate education and what is created by scholars uniting abstract theoretical principles with practical contemporary policy and testable empirical questions *The Joseph M. Colonel House Charles E. Neu,2014-12-31 Charles E Neu details the life of Colonel House a Texas landowner who rose to become one of the century s greatest political operators Cleopatra and Antony Diana Preston,2009-07-01 On a stiflingly hot day in August 30 B C the thirty nine year old Queen of Egypt Cleopatra took her own life rather than be paraded in chains through Rome by her conqueror Octavian the future emperor Augustus A few days earlier her lover of eleven years Mark Antony had died in her arms following his own botched suicide attempt Oceans of mythology have grown up around them all of which Diana Preston puts to rest in her stirring history of the lives and times of a couple whose names more than two millennia later still invoke passion curiosity and intrigue This book sets the romance and tragedy of Antony and Cleopatra s personal lives within the context of their political times There are many contemporary resonances the relationship between East and West and the nature of empire the concealment of personal ambition beneath the watchword of liberty documents forged edited or disposed of special relationships established constitutional forms and legal niceties invoked when it suited Indeed their lives and deaths had deep political ramifications and they offer a revealing perspective on a tipping point in Roman politics and on the consolidation of the Roman Empire Three hundred years would pass before the east would with the rise of Constantinople and the Byzantine Empire once again take a share of political power in the Mediterranean In an intriguing postscript Preston speculates on what might have happened had Antony and Cleopatra defeated Octavian at the Battle of Actium in 31 B C *The Dark Defile* Diana Preston,2012-02-21 The consequences of crossing the Indus once to settle a government in Afghanistan will be a perennial march into that country The Duke of Wellington 1838 There is nothing more to be dreaded or guarded against in our endeavor to re establish the Afghan monarchy than the overweening confidence with which Europeans are too often accustomed to regard the excellence of their own institutions and the anxiety that they display to introduce them in new and untried soils Claude Wade January 1839 Convinced in 1839 that Britain s invaluable empire in India was threatened by Russia Persia and Afghan tribes the British government ordered its Army of the Indus into Afghanistan to oust from power the independent minded king Dost Mohammed and install in Kabul the unpopular puppet ruler Shah Shuja Expecting a quick campaign the British found themselves trapped by unforeseen circumstances eventually the tribes united and the seemingly omnipotent army was slaughtered in 1842 as it desperately retreated through the mountain passes from Kabul to Jalalabad Only one man survived Diana Preston vividly recounts the drama of this First Afghan War the opening salvo in the strategic rivalry between Britain and Russia for supremacy in Central Asia As insightful about geography as she is about political and military miscalculation Preston draws on rarely documented letters and diaries

to bring alive long lost characters Lord Auckland the weak British Governor General in India his impetuous aide William McNaghten the prescient adventurer envoy Alexander Burnes whose sage advice was steadfastly ignored A model of compelling narrative history The First Afghan War is a cautionary tale that resonates loudly today Taj Mahal Diana Preston,2009-05-26 While Galileo suffered under house arrest at the hands of Pope Urban VIII the Thirty Years War ruined Europe and the Pilgrims struggled to survive in the New World work began on what would become one of the Seven Wonders of the World the Taj Mahal Built by the Moghul emperor Shah Jahan as a memorial to his beloved wife Mumtaz Mahal its flawless symmetry and gleaming presence have for centuries dazzled everyone who has seen it and the story of its creation is a fascinating blend of cultural and architectural heritage Yet as Diana at its height it contained 100 million people from Afghanistan in the north and present day Pakistan in the west to Bengal in the east and southwards deep into central India With the storytelling skills that characterize their previous books Diana Michael Preston bring alive both the grand sweep of Moghul history and the details that make it memorable the battles and dynastic rivalries that forged the Empire alongside an intimate chronicle of daily life within the imperial palace A tale of overwhelming passion the story of the Taj has the cadences of Greek tragedy and the ripe emotion of grand opera and puts a memorable human face on the marble masterpiece

Paradise in Chains Diana Preston,2017-11-07 Celebrated historian Diana Preston presents betrayals escapes and survival at sea in her account of the mutiny of the Bounty and the flight of convicts from the Australian penal colony The story of the mutiny of the Bounty and William Bligh and his men s survival on the open ocean for 48 days and 3 618 miles has become the stuff of legend But few realize that Bligh s escape across the seas was not the only open boat journey in that era of British exploration and colonization Indeed 9 convicts from the Australian penal colony led by Mary Bryant also traveled 3 250 miles across the open ocean and some uncharted seas to land at the same port Bligh had reached only months before In this meticulously researched dual narrative of survival acclaimed historian Diana Preston provides the background and context to explain the thrilling open boat voyages each party survived and the Pacific Island nations each encountered on their journey to safety Through this deep dive readers come to understand the Pacific Islands as they were and as they were perceived and how these seemingly utopian lands became a place where mutineers convicts and eventually the natives themselves were chained Power at Sea Lisle A.
