*Luther, an Experiment in Biography* Harry Gerald Haile, 1980      *Luther: an Experiment in Biography* H.G. Haile, 1983

**A History of Madness in Sixteenth-Century Germany** H. C. Erik Midelfort, 1999 This magisterial work explores how Renaissance Germans understood and experienced madness It focuses on the insanity of the world in general but also on specific disorders examines the thinking on madness of theologians jurists and physicians and analyzes the vernacular ideas that propelled sufferers to seek help in pilgrimage or newly founded hospitals for the helplessly disordered In the process the author uses the history of madness as a lens to illuminate the history of the Renaissance the Reformation and Counter Reformation the history of poverty and social welfare and the history of princely courts state building and the civilizing process Rather than try to fit historical experience into modern psychiatric categories this book reconstructs the images and metaphors through which Renaissance Germans themselves understood and experienced mental illness and deviance ranging from such bizarre conditions as St Vitus s dance and demonic possession to such medical crises as melancholy and mania By examining the records of shrines and hospitals where the mad went for relief we hear the voices of the mad themselves For many religious Germans sin was a form of madness and the sinful world was thoroughly insane This book compares the thought of Martin Luther and the medical religious reformer Paracelsus who both believed that madness was a basic category of human experience For them and others the sixteenth century was an age of increasing demonic presence the demon possessed seemed to be everywhere For Renaissance physicians however the problem was finding the correct ancient Greek concepts to describe mental illness In medical terms the late sixteenth century was the age of melancholy For jurists the customary insanity defense did not clarify whether melancholy persons were responsible for their actions and they frequently solicited the advice of physicians Sixteenth century Germany was also an age of folly with fools filling a major role in German art and literature and present at every prince and princeling s court The author analyzes what Renaissance Germans meant by folly and examines the lives and social contexts of several court fools      Luther's First Front Robert C. Croken, 1990 Since the Reformation in the sixteenth century one of the basic divisions between Catholics and Protestants has been the concept of the mystery of the Eucharist and its meaning to modern Man In this new study Robert C Croken tries to explain why Luther s view of the Eucharist is pivotal to ecumenical dialogue among Christians The sacrificial dimension of the Eucharist is one of the tenets Luther opposed although this basic theme has often been neglected in recent research This study focuses on Luther s rejection of the Eucharist as a sacrifice and a good work a major doctrinal shift from previous Catholic belief Explaining the historical origins of the debate Robert Croken shows the reader where the Roman Catholic and Lutheran churches have grown apart and where they have found agreement This book is a systematic study of Martin Luther s writings in the context of his break with Rome and will be of value to scholars and theologians of modern Christianity searching for common ground in ecumenical discussions      **Theology of the Reformers** Timothy George, 2013 A

comprehensive historical and theological overview of five principal figures from the Reformation Martin Luther Huldrych Zwingli John Calvin Menno Simons and in this revised and expanded edition William Tyndale *A History of Religious Ideas: Volume 3* Mircea Eliade, 2013-12-31 The conclusion of the three volume history rendered with the talent of one who is not only an academic writer but a novelist of considerable distinction David J Levy Times Higher Education Supplement In *A History of Religious Ideas* Mircea Eliade examines the movement of Jewish thought out of ancient Eurasia the Christian transformation of the Mediterranean area and Europe and the rise and diffusion of Islam from approximately the sixth through the seventeenth centuries Eliade's vast knowledge of past and present scholarship provides a synthesis that is unparalleled In addition to reviewing recent interpretations of the individual traditions he explores the interactions of the three religions and shows their continuing mutual influence to be subtle but unmistakable As in his previous work Eliade pays particular attention to heresies folk beliefs and cults of secret wisdom such as alchemy and sorcery and continues the discussion begun in earlier volumes of pre Christian shamanistic practices in northern Europe and the syncretistic tradition of Tibetan Buddhism These subcultures he maintains are as important as the better known orthodoxies to a full understanding of Judaism Christianity and Islam Acclaim for *A History of Religious Ideas* Everyone who cares about the human adventure will find new information and new angles of vision Martin E Marty The New York Times Book Review The volumes would be worth buying for the critical bibliographies alone but far more than this they represent the culmination of years of impassioned scholarship David J Levy Times Higher Education Supplement This multivolume work should be an essential resource for generations to come John Loudon Parabola *With Calvin in the Theater of God* John Piper, David Mathis, 2010-09-01 John Calvin saw this world as God's theater where his glory is always on display Just as day and night pour forth speech the universe and history are not silent either they tell the glory of God Reflecting on over 500 years of Calvin's legacy John Piper and this book's other contributors invite us to join Calvin in the theater of God Stemming from the Desiring God 2009 National Conference this volume includes chapters by Julius Kim Douglas Wilson Marvin Olasky Mark Talbot Sam Storms and John Piper It touches on topics such as Calvin's life the Christian meaning of public life sin and suffering the joy of the last resurrection and Jesus Christ as the denouement of God's story Editors John Piper and David Mathis along with the contributors make John Calvin's Christ exalting perspective on the glory of God accessible to today's readers Both Calvinists and other evangelicals interested in the life and work of Calvin will find these essays refreshing and instructive leading to a robust understanding of the world as the theater of God *America's Religions* Peter W. Williams, 2002 A survey of religious traditions practiced in the United States as of 2002 covering the religious histories of Africans American Indians Jews Christians Muslims Spanish speakers and Asians Includes definitions and pronunciations of religious terms *German Question/Jewish Question* Paul Lawrence Rose, 2014-07-14 In this compelling narrative of antisemitism in German thought Paul Rose proposes a fresh view of the topic Beginning with an examination of the attitudes

of Martin Luther he challenges distinctions between theologically derived medieval and secular racial modern antisemitism arguing that there is an unbroken chain of antisemitic feeling between the two periods Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Reformation and Early Modern Europe** David M. Whitford, 2007-11-01 Continuing the tradition of historiographic studies this volume provides an update on research in Reformation and early modern Europe Written by expert scholars in the field these eighteen essays explore the fundamental points of Reformation and early modern history in religious studies European regional studies and social and cultural studies Authors review the present state of research in the field new trends key issues scholars are working with and fundamental works in their subject area including the wide range of electronic resources now available to researchers Reformation and Early Modern Europe A Guide to Research is a valuable resource for students and scholars of early modern Europe

[Practical Predestinarians in England, c. 1590-1640](#) Leif Dixon, 2016-04-08 The belief that God eternally and unalterably decrees the election of one part of humankind and the reprobation of the rest has not aged well but in the sixteenth and seventeenth centuries the doctrine of predestination was publicised and popularised to an extent unparalleled in the history of Christianity Why was this How successfully was the doctrine able to mix with other ideas and to what effect And did belief in predestination encourage confidence or despair Practical Predestinarians is a study of the ways in which the doctrine of predestination was understood and communicated by churchmen in late Tudor and early Stuart England It connects with debates about the popularity of Protestantism during England's long reformation as well as with the question of whether predestination tended toward inclusive or divisive and conformist or subversive applications Intersecting with recent debates about the popular reception of Protestant preaching this book focusses upon the pastoral message itself it is therefore an investigation into the public face of English Calvinism

**Biblical Hermeneutics** Duncan S. Ferguson, 2016-08-16 This sensible balanced work provides a clear overview of biblical hermeneutics its history method and implementation Ferguson combines several topics not usually found in a single volume crucial theological issues and historical philological questions the complexities of interpreting the various types of biblical literature ways to use the Bible in the life of the church and examples of how the Bible has been and is interpreted A comprehensive survey Biblical Hermeneutics covers the field with an openness of perspective Ferguson's well organized introduction is an impressive resource for understanding and performing the task of biblical interpretation

**Renaissance and Reformation** James Patrick, 2007 Provides alphabetically arranged entries on the people issues and events of the European Renaissance and Reformation as well as individual entries on each country

Historical Dictionary of the Reformation and Counter-Reformation Hans J. Hillerbrand, 2013-04-03 The Reformation of the 16th century has always been seen as one of the pivotal events in European history Lord Acton the famous 19th century British historian compared the importance of Martin Luther's speech at the diet at Worms in 1521 with Napoleon's defeat at the Battle of Waterloo in 1813 Lord Acton's may or may not be an extravagant claim but it is certainly true that the events of the 16th and 17th centuries now called the Reformation and Counter Reformation changed forever the religious and political history of the West The Historical Dictionary of the Reformation and Counter Reformation provides a one volume balanced alternative to the overwhelming amounts of literature on the events of the time and the theological and political debates that spawned those events

**Beyond Indulgences** Anna Marie Johnson, 2017-11-01 Between Luther's Ninety Five Theses in 1517 and his excommunication from the church in 1520 he issued twenty five sermons and treatises on Christian piety most of them in German These pastoral writings extended his criticisms of the church beyond indulgences to the practices of confession prayer clerical celibacy the sacraments suffering and death These were the issues that mattered most to Luther because they affected the faith of believers and the health of society Luther's conflict with Rome forced him to address the issue of papal authority but on his own time he focused on encouraging lay Christians to embrace a simpler self sacrificing faith In these pastoral writings he criticized theologians and church officials for leading people astray with a reliance on religious works and he began to lay the foundation for a reformed Christian piety

**Pierre Bayle's Reformation** Barbara Sher Tinsley, 2001 This work is an historiographical analysis of Bayle's view of the Reformation and the Europeans it affected

BOOK JACKET Luther's Last Battles Mark U. Edwards, 2023-08-21 A Concise History of the Catholic Church (Revised Edition) Thomas Bokenkotter, 2005-08-16 Expanded and updated for the new millennium Covering the life of Christ the election of Pope Benedict XVI and everything in between A Concise History of the Catholic Church has been one of the bestselling religious histories of the past two decades and a mainstay for scholars students and others looking for a definitive accessible history of Catholicism With a clarity that will appeal to any reader Thomas Bokenkotter divides his study into five parts that correspond to the major historical and epochal developments in Catholicism His authoritative thorough approach takes readers from the Church's triumph over paganism through the sound and fury of renewal to a new section devoted to such topics as dissent and current developments in the ecumenical movement Informative illustrations throughout the book new to this edition enrich the reader's experience and the addition of a wide ranging bibliography increases its value as a sourcebook

**Teaching Reformation** Luka Ili?, Martin J. Lohrmann, 2021-08-10 Presented on the occasion of his seventieth birthday this collection of essays honors the life and work of Dr Timothy J Wengert Wengert a pastor a teacher of pastors and a noted Reformation historian brings to the work of scholarship a deep sense of its practical dimensions in the life of the church Over the course of his career Wengert's work and insights have been marked by the way in which they apply to and make different the lived life of the church whether in preaching worship or theology In these essays Wengert's

students colleagues and peers follow in their honoree's footsteps by highlighting the practical and pastoral implications of a rich tapestry of Reformation topics organized into three parts In Part One Luther and a diverse cast of colleagues are considered in light of their significance for today In Part Two the texts of the Reformation are examined opening to Part Three where the formation of faith through catechesis and the life of the church bring the book to a close     **Luther's Aesop** Carl P. E. Springer, 2011-10-15 Reformer of the church biblical theologian and German translator of the Bible Martin Luther had the highest respect for stories attributed to the ancient Greek author Aesop He assigned them a status second only to the Bible and regarded them as wiser than the harmful opinions of all the philosophers Throughout his life Luther told and retold Aesop's fables and strongly supported their continued use in Lutheran schools In this volume Carl Springer builds on the textual foundation other scholars have laid and provides the first book in English to seriously consider Luther's fascination with Aesop's fables He looks at which fables Luther knew how he understood and used them and why he valued them Springer provides a variety of cultural contexts to help scholars and general readers gain a deeper understanding of Luther's appreciation of Aesop
