Principled Leadership Kevin Dougherty, 2024-03-07 Among dozens of leadership theories types and styles principled leadership is increasingly in demand as ethical crises plague more and more organizations and individuals But despite strong consensus surrounding the need for principled leadership there is little common understanding of it as an art and science What exactly is principled leadership How does it work How does a leader practice it What distinguishes it from other leadership types What does it look like in action How is principled leadership more than just individual principled behavior This book answers these and more questions introducing principled leadership theory and illustrating it through practical case studies Principled leadership holds powerful positive effects for leaders who practice its concepts

The Greatest Navy SEAL Stories Ever Told Laurence J. Yadon, 2018-09-01 *The Greatest Navy SEAL Stories Ever Told* is the first book to place side by side extraordinary stories of SEALs who put their lives on the line and then go out and do it again the next day They illustrate the SEAL maxim The person who will not be defeated cannot be defeated SEALs in action men of courage and ingenuity from the rice paddies and hills of Vietnam to the plains and mountains of Afghanistan Iraq and Pakistan appear in these pages These stories cover the most significant overt and covert operations conducted since the U S Navy established Sea Land and Air Teams SEALs established in January 1962 The one common denominator in these chapters is the courage and ingenuity of those who proudly call themselves Navy SEALs Sometimes SEALs and other participants in these stories recall differing versions of the same events as recounted here for the reader to make his own judgments So far as I know no previously classified or sensitive information is revealed in these pages

Pursuing the Honorable Justin M. Anderson, Kenneth W. McDonald, 2019-05-15 *Pursuing the Honorable* argues that our modern understanding of honor as seen through example of today's military training is deficient To remedy this the book returns to an understanding of the honorable good especially manifested for philosophers like Aristotle and Cicero in a life of the human virtues However because honor as defined by the honorable good needs to be applicable to the 21st Century occidental world of liberal democratic values the study includes careful attention to those conditions under which honor can once again become a live option While special attention is given to military training including concrete proposals for its renewal what the study discovers extends to many forms of human life

The Reformation in Dublin, 1536-1558 Myles Vincent Ronan, 1926

Courage on the Battlefield Nel Yomtov, 2015-08 In graphic novel format details true war survival stories

Medieval Greece Michael Heslop, 2020-11-29 *Medieval Greece* brings together twelve articles by historian Michael Heslop showcasing his long standing interest in the medieval castles of Greece Ten of the articles in this volume focus on the Dodecanese islands mainly Rhodes at the time of their rule by the Hospitallers during the period 1306 1522

Scholarly and popular interest in the military orders has grown substantially over the last twenty years but comparatively little has been written about the Hospitaller Dodecanese What distinguishes this work is the author's use of hitherto unpublished documents from the Hospitaller archives in Malta and his assiduous field work on the island sites discussed Heslop's work on the Hospitallers on the island of Rhodes has also enabled him to put together an important gazetteer of place names in the countryside of Rhodes published here for the first time The remaining two chapters of the collection summarize ground breaking detective work to locate Villehardouin's lost castle of Grand Magne in the Mani and present a wider study of Byzantine fortifications in medieval Greece This book will appeal to scholars and students of medieval history and to all those interested in the history of the Hospitallers CS1093
