development are affected by background and foreground television and how to choose videos that are age appropriate She explains how to avoid the hype of brain stimulation and focus instead on social relationships and the building blocks of language and literacy Along the way Guernsey highlights independent research on shows ranging from Dora the Explorer to Dragon Tales and distills some surprising new findings in the field of child development II Into the Minds of Babes **No Pressure, Mr. President!** Eric Metaxas, 2012 Presents an annotated transcript of the author's speech at the sixtieth annual National Prayer Breakfast in which he rails against phony religiosity and urges readers to follow in the footsteps of those who practice a living faith in God VeggieTales Adventures of the Good Guys , 2012 3 great VeggieTale stories about 3 good guys and the value of telling the truth sharing and being helpful
