The Lyric Encyclopedia of Raymond Queneau Jane Alison Hale,1992 **The Lyric Encyclopedia of Raymond Queneau** Jane Alison Hale,1989 **A Dictionary of the Avant-Gardes** ,2013-05-13 A Dictionary of the Avant Gardes recognizes that change is a driving force in all the arts It covers major trends in music dance theater film visual art sculpture and performance art as well as architecture science and culture The Facts on File Companion to the French Novel Karen L. Taylor,2006 French novels such as Madame Bovary and The Stranger are staples of high school and college literature courses This work provides coverage of the French novel since its origins in the 16th century with an emphasis on novels most commonly studied in high school and college courses in world literature and in French culture and civilization

Mathematics in Postmodern American Fiction Stuart J. Taylor,2024-04-23 This book delivers an innovative critical approach to better understand U S fiction of the information age and argues that in the last eighty years fiction has become increasingly concerned with its representations of mathematical ideas images and practices In so doing this book provides a fuller transnational account of the place of mathematics in understanding mathematically informed novels Literature and science studies have acknowledged and situated historical points of cultural crossover by emphasising mathematics within this larger intellectual context and not as an unlikely and alien adjunct to post war culture this monograph clarifies how mathematically informed postmodern fictions work in a cognate fashion to other fields undergoing structuralist revolutions This is especially evident in fiction by the key mathematically literate Postmodern authors upon whom this study focuses namely Thomas Pynchon Don DeLillo and David Foster Wallace through which recent the technological revolutions facilitated by mathematics manifest in cultural discourse **Routledge Library Editions: Beckett** Various,2022-07-30 This collection of five previously out of print titles examines Samuel Beckett s works and their impact on the theatre and on people who came into creative contact with his ideas His plays are assessed as are his works for film and television A titan of original thinking these books by leading Beckett scholars analyse how his creative vision was expressed and how it revolutionised not just the world of theatre but also of the wider world of the arts **North-south Linkages and Connections in**

Continental and Diaspora African Literatures African Literature Association. Meeting,2005 This volume collects some of the best lectures at the African Literature Association s 25th annual conference held in 1999 The conference brought together for the first time a large number of scholars creative writers and artists from Northern Africa and their counterparts from Sub Saharan Africa The conference and this collection highlight the inspiring and stimulating dialogue between two literary and cultural areas that have often been artificially compartmentalised The essays draw suprising connections and illustrate the breadth and dynamism of African literature **Stories and Remarks** Raymond Queneau,2000-01-01 Stories and Remarks collects the best of Raymond Queneau s shorter prose The works span his career and include short stories an uncompleted novel melancholic and absurd essays occasionally baffling Texticles a pastiche of Alice in Wonderland and his

only play Talking dogs boozing horses and suicides come head to head with ruminations on the effects of aerodynamics on addition rhetorical dreams and a pioneering example of permutational fiction influenced by computer language Also included is Michel Leiris s preface from the French edition an introduction by the translator and endnotes addressing each piece individually Raymond Queneau polyglot novelist philosopher poet mathematician screenwriter and translator was one of the most significant figures in twentieth century French letters His work touches on many of the major literary movements of his lifetime from surrealism to the experimental school of the nouveau roman He also founded the Oulipo a collection of writers and mathematicians dedicated to the search for artificial inspiration via the application of constraint Transgressive Readings Valerie D. Greenberg,1990 Argues for a critical awareness of language across the boundaries of disciplines

French Laughter W. D. Redfern,2008-02-21 The culmination of a lifetime s fascination with humor Walter Redfern s book treats major French writers from the 18th to the 20th centuries as humorists including Diderot Rousseau Sade Huysmans Flaubert Beckett and Tournier He considers irony hyperbole wordplay jokes dialogue humor as philosophical speculation and plagiarism **Queneau's Fictional Worlds** Nina Bastin,2002 Queneau s novels are extremely popular for their wit and linguistic ingenuity but they also pose a serious challenge to the reader s reconstruction of the fictional world which can often go unrecognised This study takes us back to the fundamental elements of Queneau s worlds demonstrating how his idiosyncratic style can affect the reader s mental processing of the text world building It also demonstrates the internal organisation of Queneau s fictional worlds Drawing on cognitive discourse models and the philosophical notion of possible worlds the book provides both comparative and general analysis of Queneau s novels and case studies of *Le Vol d Icare* *Les Fleurs bleues* and *Loin de Rueil* exposing the resistance that these worlds present to stable cognitive reconstruction notably through the subversion of world boundaries world play and the positing of impossible spaces heterotopiae Contents Survey of the critical field of Queneau studies Application of the principles of Cognitive Discourse Grammar to Queneau s novels A generalised reinterpretation of specific features of the novels in terms of their effects upon cognitive text processing world building Investigation into the internal organisation of Queneau s fictional worlds and the problems they present for reconstruction by the reader notably the subversion of world boundaries world play and the positing of impossible spaces heterotopiae A theoretical analysis of the interplay between cognitive models and the philosophical notion of possible worlds Extensive close readings of three of Queneau s novels *Le Vol d Icare* *Les Fleurs bleues* and *Loin de Rueil* Extension of the notion of world play to describe Queneau s wider writing practice Dictionary of International Biography ... ,2003 A biographical record of contemporary achievement together with a key to the location of the original biographical notes
