Then We Came to the End Joshua Ferris, 2007-03-01 Winner of the Hemingway Foundation PEN Award this debut novel is as funny as *The Office* as sad as an abandoned stapler that rare comedy that feels blisteringly urgent TIME No one knows us in quite the same way as the men and women who sit beside us in department meetings and crowd the office refrigerator with their labeled yogurts Every office is a family of sorts and the Chicago ad agency depicted in Joshua Ferris s exuberantly acclaimed first novel is family at its best and worst coping with a business downturn in the time honored way through gossip elaborate pranks and increasingly frequent coffee breaks With a demon s eye for the details that make life worth noticing Joshua Ferris tells an emotionally true and funny story about survival in life s strangest environment the one we pretend is normal five days a week One of the Best Books of the Year Boston Globe Christian Science Monitor New York Magazine New York Times Book Review St Louis Post Dispatch Time magazine Salon [Historical Dictionary of Postmodernist Literature and Theater](#) Fran Mason, 2016-12-12 The main aim of the book has been to include writers movements forms of writing and textual strategies critical ideas and texts that are significant in relation to postmodernist literature In addition important scholars journals and cultural processes have been included where these are felt to be relevant to an understanding of postmodernist writing This second edition of *Historical Dictionary of Postmodernist Literature and Theater* contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on postmodernist writers the important postmodernist aesthetic practices significant texts produced throughout the history of postmodernist writing and important movements and ideas that have created a variety of literary approaches within the form This book is an excellent access point for students researchers and anyone wanting to know more about the postmodernist literature and theater *The Amalgamation Polka* Stephen Wright, 2020-01-07 A Civil War novel unlike any other the story of a young man s journey through a nation blasted apart Born in 1844 Liberty Fish is the descendant of both Carolina slaveholders and New York abolitionists In hopes of reconciling the warring strands of his heritage he escapes his home in the North first into the cauldron of the Civil War and then into the even more disturbing bedlam that follows *The Amalgamation Polka* showcases not only the brutality of this tragic passage in American history but also its surprising compassion and hope In language both true to its time and completely modern it is revelatory and mesmerizing a novel that will bring a smile to your own lips as it sets your brain on fire Jason McBride *The Village Voice* [The A to Z of Postmodernist Literature and Theater](#) Fran Mason, 2009-07-23 Postmodernist literature embraces a wide range of forms and perspectives including texts that are primarily self reflexive texts that use pastiche burlesque parody intertextuality and

hybrid forms to create textual realities that either run in opposition to or in parallel with an external reality fabrications that develop both of these strategies texts that ironize their relationship to reality works that use the aspects already noted to more fully engage with political or cultural realities texts that deal with history as a fiction and texts that elude categorization even within the variety already explored For example in fiction a postmodernist novel might tell a story about a writer struggling with writing only perhaps to find that he is a character in a book by another writer struggling to write a book The A to Z of Postmodernist Literature and Theater examines the different areas of postmodernist literature and the variety of forms that have been produced This is accomplished through a chronology an introductory essay a bibliography and several hundred cross referenced dictionary entries on individual postmodernist writers the important postmodernist aesthetic practices significant texts produced throughout the history of postmodernist writing and important movements and ideas that have created a variety of literary approaches within the form By placing these concerns within the historical philosophical and cultural contexts of postmodernism this reference explores the frameworks within which postmodernist literature of the late twentieth and early twenty first century operates **Solve for X** Arthur Michael Saltzman, 2007 Reflections on life and literature flavored with wit and wordplay from a master of the form **Meditations in Green** Stephen Wright, 2020-01-07 One of the greatest Vietnam War novels ever written by an award winning writer who experienced it firsthand Deployed to Vietnam with the U S Army's 1069 Intelligence Group Spec 4 James Griffin starts out clear eyed and hardworking believing he can glide through the war unharmed But the kaleidoscope of horrors he experiences gets inside him relentlessly He gradually collapses and ends up unstrung in step with the exploding hell around him and waiting for the cataclysm that will bring him home dead or not Griffin survives but back in the U S his battles intensify Beset by addiction he takes up meditating on household plants and attempts to adjust to civilian life and beat back the insanity that threatens to overwhelm him Meditations in Green is a haunting exploration of the harrowing costs of war and yet unhealed wounds the impact of an experience so devastating that words can hardly contain it Walter Kendrick the New York Times Book Review Through passages gorgeous agonizing and surreal Stephen Wright paints a searing portrait of a nation driven to the brink by violence and deceit Re-writing America Philip D. Beidler, 1991 With his first book American Literature and the Experience of Vietnam Philip Beidler offered a pioneering study of the novels plays poetry and literature of witness that sprang from the United States involvement in the Vietnam War Reviewing the book the journal American Literature declared It is more than just an introductory act It also sets forth what are sure to be lasting types of American literary response to Vietnam and of the scholarly response to the emerging literature of the war In Re Writing America Beidler charts the ongoing achievements of the men and women who first gained public notice as Vietnam authors and who are now recognized as major literary interpreters of our national life and culture at large These writers among them Tim O'Brien Philip Caputo Winston Groom David Rabe John Balaban Robert Stone Michael Herr Gloria Emerson and Frances Fitzgerald have applied in their

later efforts says Beidler many of the hard won lessons of literary sense making learned in initial works attempting to come explicitly to terms with Vietnam Beidler argues that the Vietnam authors have done much to reenergize American creative writing and to lead it out of the poststructuralist impasse of texts as endless critiques of language representation and authority With their direct experience of a divisive and frustrating war a war not of their own making but of the making of politicians and experts a war of ancient animosities that cost nearly everything for those involved and settled virtually nothing these writers in many ways resemble the celebrated generation of poets and novelists who emerged from World War I Like their forebears of 1914 18 those of the Vietnam generation have undertaken a common project of cultural revision to re write America to create an art that even as it continues to acknowledge the war s painful memory projects that memory into new dimensions of mythic consciousness for other and better times Beidler fills his book with detailed illuminating analyses of the writers works which as he notes have moved across an almost infinite range of subject genre and mode From David Rabe for example have come innovative plays in which overt statements on the traumas of Vietnam The Basic Training of Pavlo Hummel Streamers have made way for broader commentaries on sex power and violence in American life In the Boom Boom Room HurlyBurly Winstom Groom has moved from Better Times Than These a rather traditional even anachronistic war novel to further reaches of rambunctious humor in Forrest Gump And journalist Michael Herr whose Dispatches memorably defined a Vietnam landscape at once real and hallucinatory carried his vision into collaborations on the films Apocalypse Now and Full Metal Jacket As Beidler notes the immense price that Vietnam exacted from the American soul continues to draw a plethora of interpretations and depictions Vietnam authors remind us in Tim O Brien s words of the things they carried But as Beidler makes clear they now command us not only to remember but to imagine new possibilities as well
