**Girls and Their Cats** Brianne Wills, Elyse Moody, 2025-02-26 *Girls and Their Cats* showcases 50 strong independent and artistic women who take the world in stride with their beloved felines. This stunning book redefines what it means to be a cat lady through striking portraits and engaging profiles of each woman and her cat or cats. Interspersed throughout are amusing lists any cat lady will find relatable from *How to Catproof Your Home* to *The Chorus of Cat Sounds* as well as an adoption resource guide and a list of rescue organizations in the United States and Canada. Includes heartwarming stories about each woman and her furry friend as well as fun facts. Celebrates the powerful bond between a girl and her cat, proving that we need them just as much as they need us. Based on the popular Instagram *girlsandtheircats* which has been featured on Buzzfeed, Refinery29, The Daily Mail, and more. For the authors: BriAnne Wills, New York City fashion and beauty photographer, and Elyse Moody, senior editor at Martha Stewart Living. The crazy cat lady stereotype is a myth. *Girls and Their Cats* includes inspirational ladies like Hannah Shaw, founder of the neonatal kitten rescue project Kitten Lady; Christene Barberich, cofounder of Refinery29; and Alyssa Mastromonaco, Crooked Media podcast host and reproductive rights activist. Great for cat lovers, feminists, fashion enthusiasts, photography buffs, interior designers, and anyone who loves a good animal-human friendship. Features a vibrant cover and a gorgeous faux suede spine, making it a beautiful coffee table book or deluxe gift. Add it to the shelf with books like *Shop Cats of New York*, *The French Cat*, *Tiny But Mighty*, *The Lion in Your Living Room*, and *In the Company of Women: Inspiration and Advice from over 100 Makers, Artists, and Entrepreneurs* by Grace Bonney.

*Prehistoric Mabel* Charles Cyprian Strong Cushing, 1909      **A Town of Mabel's** Christie Wood, 2013-06-27 I began to write a book about my mother's life. As she descended further and further into a disease called Alzheimer's, my writing morphed into *Why her? Why this disease for her? For our family?* It became a search to get to know a woman I had only seen as my mom before. It's my story of how I handled, with tenacious determination, to always approach her with a smile, willing to meet her wherever she was in her moment.      *The Memoirs of Robert and Mabel Williams* Robert F. Williams, Mabel R. Williams, 2025-05-09 Born in Jim Crow-era Monroe, North Carolina, Robert F. Williams and Mabel R. Williams were the state's most legendary African American freedom fighters. The Williamses' leadership in Monroe was just the beginning of a lifelong pursuit of freedom and justice for Black people in the United States and for oppressed populations throughout the world. Their activism foreshadowed major developments in the civil rights and Black Power movements, including Malcolm X's advocacy of fighting oppression by any means necessary, the emergence of the Black Panther Party, and Black solidarity with Third World liberation movements. Robert documented his experiences in Monroe in his classic 1962 book *Negroes with Guns* and completed a draft of his memoir *While God Lay Sleeping* months before his death in 1996. Mabel began a memoir of her own before her death in 2014. The family selected John Bracey Jr., Akinyele K. Umoja, and Gloria Aneb House to edit and complete the manuscripts, which are presented together in this book, offering a gripping portrait of these pioneering freedom

fighters that is both deeply intimate and a fierce call to action in the ongoing fight against racial injustice

**The Cat Mummy** Jacqueline Wilson, 2008-12-05 Nothing could ever replace Mabel I wished I could hold her in my arms and tell her just how much she meant to me Verity adores her cat Mabel and is desperately sad when she dies Remembering her recent school lessons about the Ancient Egyptians Verity decides to mummify Mabel and keep her hidden Verity's dad and grandparents can't bear to talk about death having lost Verity's mum several years ago but when they eventually discover what Verity has done the whole family realises it's time to talk A superb handling of bereavement in Jacqueline Wilson's uniquely accessible and enjoyable style for younger readers

**The Legend of Mighty Mabel** Vance Avis, 2011-08-03 In the distance the ominous rumblings of thunder can be heard while a dark drizzle begins to fall on a dreary summer afternoon that makes no sunny pretenses about what is coming Albert is at Professor Charles house for a high energy physics lesson when a friend bearing a high energy piece of bad news bursts through the doorway The news relates to the murder of a dear friend a week ago and what Albert saw on that foggy night There was a ghostly figure wielding a sword in a rowboat near the scene of the riverbank killing Prof Charles quickly states Albert there is a sword in a diabolically haunted mansion not far from here The mansion was owned by a rich man who was so sinister that many considered him to be the Devil incarnate and he was referred to as The Sovereign of Sin Upon his death several morbidly evil spirits hastily escaped to various rooms of the mansion In one of those rooms is a knight with a sword But the mansion is confusing in its construction and those brave enough to have entered it while being stalked by rattling chains cannot agree on where the room is Albert's girlfriend Molly has just arrived Molly's mother Mabel is a revered teacher and she often helps Albert by telling him her Lessons of Life Sometimes ideas that have become part of our entrenched assumptions need to be looked at again Reexamine all your assumptions even those you find irrefutable and relook at clues you have been unable to fit into any assumption Perhaps that will lead you in new directions The news of a sword accessible to the murderer gives Albert and Molly a new clue to follow Molly considers finding the killer their higher calling and Albert follows clues with the enthusiasm and perspicacity of Sherlock Holmes They start their journey with trepidation The densely tree surrounded path to the haunted mansion begins surreally serene given that its destination is the home of The Sovereign of Sin Only the storm clouds and the heavy mist add a subtle version of reality which precedes the more demanding version that occurs when a huge lightning strike hits nearby The closer Albert and Molly get to the haunted mansion the more the path takes on the threatening encompassment of their goal The trees and thick overgrowth turn into strangely evil forms as they become darkly shadowed and more impenetrable and the sky fills with ghost shaped black rain clouds that close in on Molly and Albert and move and morph and forebode the fast approaching ill omened night Then another massive lightning strike with its bone rattling thunder shakes Molly and Albert's nerves raw Did you see that exclaims Albert terrifyingly as he points up to a spot in one of the trees ahead of them See what asks Molly worriedly During the lightning up in that tree I saw something staring at us anxiously responds Albert It

was the form of a ghost which looked to me like one of the morbidly wicked spirits that The Sovereign of Sin turned into upon his death As they slowly walk past the tree each stares up at the spot then another lightning flash occurs and instantaneously both their expressions turn ghostly fear stricken They run past the tree Albert exclaims So you saw The Sovereign of Sin s malevolent spirit No cries Molly I saw the Grim Reaper reaching out to grab me Great ghouls declares Albert Aren t we two with our spine chilling imaginations going to have fun in the haunted mansion Albert and Molly have many grand adventures in store for them as they follow clues to a killer lurking near the rich waters of the grand ol river and its lush surrounding forest The Legend of Mighty Mabel is the story of a summer of wonderful joy great adventures scary fun fun for the sake of fun and a bit of romance And it is the story of the bravery the love and the Lessons of Life of Mighty Mabel      **Miss Mabel's School for Girls** Katie Cross,2014-03-27 Never underestimate the power of a determined witch Letum Wood is a forest of fog and deadfall home to the quietly famous Miss Mabel s School for Girls a place where young witches learn the art of magic Sixteen year old Bianca Monroe has inherited a deadly curse Committed to breaking free before it kills her she enrolls in the respected school to confront the cunning witch who cast the curse Miss Mabel Bianca finds herself faced with dark magic she didn t expect and lessons more dangerous than she could have ever imagined Will Bianca have the courage to save herself from the curse or will Miss Mabel s sinister plan be too powerful Miss Mabel s School for Girls is the first novel in The Network Trilogy an exciting new fantasy series A gripping tale about the will to survive it will take you to a new place and time one you ll never want to leave      **Chicken Soup for the Soul: The Magic of Cats** Amy Newmark,2020-07-07 You ll recognize your own cat in this entertaining collection of stories about the surprising amusing heartwarming and even magical things that our cats do How do cats do it Even non cat people fall under their spell Our cats make us better people If we rescued them they rescue us back If we re sad they comfort us If we need to have more fun they show us how They are our therapists our role models and our best friends You ll laugh a lot tear up at times and nod your head in recognition as you read these tales about the magical experience of sharing life with a cat In this collection you ll find stories from hilarious to heroic mischievous to miraculous and everything in between      **The Final Confession of Mabel Stark** Robert Hough,2018-04-01 Meet the Tiger Queen in this extravagantly entertaining novel based on the wild life of the famous animal trainer and circus celebrity The Boston Globe In the 1920s during the golden age of the big top Mabel Stark was the superstar of the Ringling Brothers and Barnum the notorious belly dancer Little Egypt and a crowd roaring success with her one true love a 550 pound Bengal tiger named Rajah Mabel delivers an audacious confession of dark secrets broken dreams and escapades both comic and tragic In The Final Confession of Mabel Stark Robert Hough resurrects the life of a formidably independent proudly scarred naughtily ribald and totally unapologetic star in one of the most rollicking good time books of the year USA Today Mabel Stark developed an act so original so daring so brave that it puts all the stupid human tricks on today s reality shows to shame a captivating portrait of a woman and a way of life that no longer exist The Pittsburgh Tribune
