Macarthurs Victory The War In New Guinea 1943 1944:

MacArthur's Victory Harry A. Gailey, 2004 In March 1942 General Douglas MacArthur faced an enemy who in the space of a few months had captured Malaya Burma the Philippines the Dutch East Indies and from their base at Rabaul in New Britain threatened Australia Upon his retreat to Australia MacArthur hoped to find enough men and material for a quick offensive against the Japanese Instead he had available to him only a small and shattered air force inadequate naval support and an army made up almost entirely of untried reservists Here is one of history's most controversial commanders battling his own superiors for enough supplies as President Roosevelt favored the European Theater butting heads with the Navy which opposed his initiatives and on his way to making good his promise of liberating the Philippines

The War Beat, Pacific Steven Casey, 2021-04-05 The definitive history of American war reporting in the Pacific theater of World War II from the attack on Pearl Harbor to the atomic bombings of Hiroshima and Nagasaki After almost two years slogging with infantrymen through North Africa Italy and France Ernie Pyle immediately realized he was ill prepared for covering the Pacific War As Pyle and other war correspondents discovered the climate the logistics and the sheer scope of the Pacific theater had no parallel in the war America was fighting in Europe From Pearl Harbor to Hiroshima and Nagasaki The War Beat Pacific provides the first comprehensive account of how a group of highly courageous correspondents covered America's war against Japan what they witnessed what they were allowed to publish and how their reports shaped the home front's perception of some of the most pivotal battles in American military history In a dramatic and fast paced narrative based on a wealth of previously untapped primary sources Casey takes us from MacArthur's doomed defense on the Philippines and the navy's overly strict censorship policy at the time of Midway through the bloody battles on Guadalcanal New Guinea Tarawa Saipan Leyte and Luzon Iwo Jima and Okinawa detailing the cooperation as well as conflict between the media and the military as they grappled with the enduring problem of limiting a free press during a period of extreme crisis The War Beat Pacific shows how foreign correspondents ran up against practical challenges and risked their lives to get stories in a theater that was far more challenging than the war against Nazi Germany while the US government blocked news of the war against Japan and tried to focus the home front on Hitler and his atrocities

War at the End of the World James P. Duffy, 2023-12-05 A harrowing account of an epic yet nearly forgotten battle of World War II General Douglas MacArthur's four year assault on the Pacific War's most hostile battleground the mountainous jungle cloaked island of New Guinea A meaty engrossing narrative history This will likely stand as the definitive account of the New Guinea campaign The Christian Science Monitor One American soldier called it a green hell on earth Monsoon soaked wilderness debilitating heat impassable mountains torrential rivers and disease infested swamps New Guinea was a battleground far more deadly than the most fanatical of enemy troops Japanese forces numbering some 600 000 men began landing in January 1942 determined to seize the island as a cornerstone of the Empire's strategy to knock Australia out of the war Allied Commander in Chief

General Douglas MacArthur committed 340 000 Americans as well as tens of thousands of Australian Dutch and New Guinea troops to retake New Guinea at all costs What followed was a four year campaign that involved some of the most horrific warfare in history At first emboldened by easy victories throughout the Pacific the Japanese soon encountered in New Guinea a roadblock akin to the Germans disastrous attempt to take Moscow a catastrophic setback to their war machine For the Americans victory in New Guinea was the first essential step in the long march towards the Japanese home islands and the ultimate destruction of Hirohito s empire Winning the war in New Guinea was of critical importance to MacArthur His avowed I shall return to the Philippines could only be accomplished after taking the island In this gripping narrative historian James P Duffy chronicles the most ruthless combat of the Pacific War a fight complicated by rampant tropical disease violent rainstorms and unforgiving terrain that punished both Axis and Allied forces alike Drawing on primary sources War at the End of the World fills in a crucial gap in the history of World War II while offering readers a narrative of the first rank

The Battle of Manila Nicholas Evan Sarantakes,2025 Douglas MacArthur had a special relationship with the city of Manila Many years before when he had decided to make a career in the U S Army like his father and had bounced around the globe he kept coming back to the city He received his first promotion in Manila and contracted malaria so severe the Army had to send him back to the United States The city was a constant in a life without many others He was by any measure an exceptional soldier At the U S Military Academy he earned an athletic letter in baseball became the First Captain of the Corps of Cadets and finished first in a class of ninety three Commissioned in the Corps of Engineers he had first assignment in the Philippines

The Allied Neutralisation of Rabaul Jon Diamond,2025-01-30 Details the 1943 1944 Allied strategy to neutralize Japan s Rabaul stronghold through fierce aerial sieges and targeted landings in the Pacific Fierce Pacific ground sea and aerial combat raged between the Allies and Imperial Japan to halt the latter s inexorable advance in 1942 1943 After the American victory at Guadalcanal in February 1943 Admiral Halsey s South Pacific Area SPA naval and amphibious forces battled through the Solomon Islands building new and acquiring extant Japanese airfields Simultaneously General Douglas MacArthur s Southwest Pacific Area SWPA Australian American ground forces supported by General George Kenney s US Fifth Air Force and other Allied air squadrons captured Japanese installations in Papua New Guinea before campaigning along Northeast New Guinea s northern coast ousting or bypassing enemy installations there Using newly built Papuan airfields the Allies gained air superiority over New Guinea and also interdicted Japanese maritime supply lines Yet the main Japanese southwest Pacific bastion at Rabaul on the northeastern tip of New Britain the largest island of the Bismarck Archipelago remained In March 1943 realizing an amphibious assault and ground campaign against Rabaul s naval and army bases would be too costly the US Joint Chiefs of Staff decided to neutralise Rabaul with a joint SPA and SWPA aerial siege rather than capture it This IOW volume recounts this strategy during 1943 and 1944 and the December 1943 amphibious landings by the US 1st Marine Division and US Sixth Army units at Cape Gloucester and Arawe respectively which

successfully isolated the Japanese fortress and satellite bases

New Guinea Dr. Jon Diamond, 2015-06-15 Visual history of the Allied battles for New Guinea during 1942-44

MacArthur's Coalition Peter J. Dean, 2018-04-03 From 1942-1945 the Allies war in the Southwest Pacific was effectively a bilateral coalition between the United States and Australia under the command of General Douglas MacArthur By charting the evolution of the military effectiveness of the US Australian alliance MacArthur's Coalition puts the relationship between the United States and Australia at the center of the war against Japan Drawing on new primary source material Peter J Dean has written the first substantial book length treatment of the coalition as a combined military force This expansive and ambitious book provides a fresh perspective on the Pacific War by providing a close up in depth account of operations in the Southwest Pacific from the Kokoda Trail campaign to the reconquest of the Philippines and Borneo Dean's work takes the reader deep into the key

military headquarters in the Southwest Pacific and reveals the discussions debates and arguments between key commanders and staff officers during the course of planning and waging a monumental conflict Drawing upon archival records across three continents Dean brings the qualities of these senior officers to life by exploring the critical importance of personalities and leadership in overcoming cultural doctrinal and organizational divides in the largely unequal alliance Set against the practicalities of fighting a fanatical enemy in some of the most inhospitable terrain in the war his book shows how despite these divides and MacArthur s difficult personality the US Australian coalition was able to forge a highly effective and ultimately triumphant fighting machine With its unprecedented view of the joint nature of operations in the Southwest Pacific and its focus on frontline commanders and units in forging a successful fighting force MacArthur s Coalition illuminates a critical aspect of the Allied victory in World War II

in the South Pacific a region long overlooked offering both the big picture and the foxhole view Military Officer A fitting tribute to the men who fought and died in an often overlooked theater of World War II As such it is a welcome addition to our knowledge of World War II in the Pacific Theater On Point The Journal of Army History While the Pacific War has been widely studied by military historians and venerated in popular culture through movies and other media the fighting in the South Pacific Theater has with few exceptions been remarkably neglected Authoritative yet written in a highly readable narrative style South Pacific Cauldron is the first complete history embracing all land sea and air operations in this critically important sector of the oceanic conflict

In 1898 when the USS Maine was sunk off the coast of Cuba the U S A entered the war against Spain By May 1898 Commodore Dewey won the Battle of Manila Bay against the Spaniards Filipino rebels were also fighting Spain at that time trying to be free from more than 300 years of Spanish colonization The rebels thought that the Americans had helped them become free but the Americans had other plans On September 28 1901 Americans were massacred at Balangiga Samar American rescue teams arrived and subsequently an order to make Samar a howling wilderness was given The bells used to signal the rebellion were taken as war booty by the Americans Forty years later WW II breaks out and they faced a common enemy And long ago a love that was in bloom was thwarted by a mysterious fate Would fate now be kinder to another love Jack looked Victoria in the eye when suddenly he felt his heart beat faster He was hoping he could talk with her and her family a little longer or maybe they would invite him for breakfast Suddenly he felt awkward Thanks for your help I ll be seeing you around he said He might have turned red He could still sense his rapid heartbeat and he hoped against hope that they did not notice Somehow he was able to get back to his jeep and drive back to his barracks John had been taking notes as she spoke then he put his pen down and looked up What happened that night Clara I just want to know he said Clara was already at the door her hand at the knob ready to flee She looked back at John and told her story When you left I was very happy making plans with my mother Suddenly Dolfo arrived He had been looking for me all afternoon and was very jealous thinking I was with you He confronted me Where have you been he said angrily and came toward me **Fire and Fortitude** John C. McManus,2019 John C McManus one of our most highly acclaimed historians of World War II takes readers from Pearl Harbor a rude awakening for a ragtag militia woefully unprepared for war to Makin a sliver of coral reef where the Army was tested against the increasingly desperate Japanese In between were nearly two years of punishing combat as the Army transformed at times unsteadily from an undertrained garrison force into an unstoppable juggernaut and America evolved from an inward looking nation into a global superpower Provided by publisher Learning Under Fire James Scott Powell,2010 Thrown into the heart of war with little training and even less that would apply to the battles in which they were engaged the units of the 112th Cavalry Regiment faced not only the Japanese enemy but a rugged environment for which they were ill prepared They also grappled with the continuing challenge of learning new military skills and tactics across ever shifting battlefields The 112th Cavalry Regiment entered federal service in November 1940 as war clouds gathered thick on the horizon By July 1942 the 112th was headed for the Pacific theater As the war neared its end the regiment again had to shift its focus quickly from an anticipated offensive on the Japanese home islands to becoming part of the occupation force in the land of a conquered enemy James S Powell thoroughly mines primary documents and buttresses his story with pertinent secondary accounts as he explores in detail the ways in which this military unit adapted to the changing demands

of its tactical and strategic environment He demonstrates that this learning was not simply a matter of steadily building on experience and honing relevant skills It also required discovering shortcomings and promptly taking action to improve often while in direct contact with the enemy **Infantry** ,2005 **Tropical Warfare in the Asia-Pacific Region, 1941-45** Kaushik Roy,2017-10-25 This is the first book to provide a comprehensive overview of the land war during the Second World War in South East Asia and the South and South West Pacific The extensive existing literature focuses on particular armies Japanese British American Australian or Indian and or on particular theatres the Philippines Papua New Guinea Malaya or Burma This book on the contrary argues that warfare in all the theatres was very similar especially the difficulties of the undeveloped terrain and that there was considerable interchange of ideas between the allied armies which enabled the spread of best practice among them The book considers tactics training technology and logistics assesses the changing state of the combat effectiveness of the different armies and traces the course of the war from the Japanese Blitzkrieg of 1941 through the later stalemate and the hard fought Allied fightback Although the book concentrates on ground forces due attention is also given to air forces and amphibious operations One important argument put forward by the author is that the defeat of the Japanese was not inevitable and that it was brought about by chance and considerable tactical ingenuity on the part of US and British imperial forces *Saving Port Moresby* David W. Cameron,2022-09-21 Commemorating the 80th Anniversary of the Battles in New Guinea David W Cameron one of Australia s leading military historians new Kokoda Campaign series will take you from the Battle for Isurava to Port Moresby and finally the retaking of Kokoda For the first time these significant battles of Australian troops are comprehensively explored After taking Kokoda Plateau in late July 1942 Japanese forces entered the Owen Stanley Range their mission was to capture Port Moresby After the battles for Deniki and Isurava the Japanese pushed south through the mountains The Australians were in a determined fighting withdrawal After a delaying action at Templeton s Crossing they took up a position along Mission Ridge south of Efogi Village After two days of bloody hand to hand fighting in a battle known as Butcher s Corner the Australians were again forced to withdraw After further delaying actions fewer than 300 Australians took up a position on Ioribaiwa Ridge just 50 kilometres north of Port Moresby They were reinforced by the 25th Brigade After a week of fighting the Japanese cut through the 25th forcing the Australians to fall back to Imita Ridge the last defensible ridge in the Owen Stanleys immediately behind lay Port Moresby **A Witch's Hand** William E. Mitchell,2024-05-29 William E Mitchell revisits his early fieldwork with a three part study of the history of colonial rule in Papua New Guinea From 1971 to 1972 William E Mitchell undertook fieldwork on suffering and healing among the Lujere of Papua New Guinea s Upper Sepik River Basin At a time when it was not yet common to make colonial agencies a subject of anthropological study Mitchell carefully located his research on Lujere practices in the framework of a history of colonization that surrounded the Lujere with a shifting array of Western institutions dramatically changing their society forever Mitchell s work has been well known among anthropologists of Oceania but the material in this

book has remained unpublished until now In this major new work Mitchell revisits his early fieldwork with a three part study of the history of colonial rule in the region the social organization of Lujere life at the time and the forms of affliction witchcraft and curing that preoccupied them Furthermore Mitchell offers the first sweeping cross cultural survey of sanguma magical murder in Oceania The book presents a vivid portrait of a society that has since changed dramatically as well as an approach to anthropology that was typical of the era This is a significant contribution to the ethnography of Papua New Guinea and is sure to be an invaluable source for researchers of Melanesia medical anthropologists and scholars of kinship myth and ritual

THE SHADOW OF SACRIFICE Donald D. Deignan, 2016-10-24 On March 18 1942 barely one hundred days after Japan's devastating surprise attack on the United States Navy's Pacific Fleet based at Pearl Harbor a group of American soldiers were guarding a beach on the north shore of the Hawaiian island of Oahu against an expected Japanese amphibious invasion The atmosphere was tense Suddenly a gunshot shattered the almost perfect silence of that tropical night In its aftermath one young American soldier lay dead not far from the beach he was guarding But who was he And what were the circumstances which had led to his tragic death The Shadow of Sacrifice answers these questions and in the process tells the compelling and poignant story of the way in which that single gunshot has echoed down through the generations of one typical American family Here is a mystery a tragedy a kind of love story a tale of survival and transformation and the unfolding record of promises made and kept The young American soldier who died mysteriously on that Hawaiian beach in 1942 was my beloved uncle Private First Class Donald Joseph John Deignan for whom I was proudly named Our lives have always been closely and positively connected Here just in time for the 75th Anniversary of the Pearl Harbor Attack is a thorough examination of the unbreakable and mutually beneficial bonds of love and loyalty which still unite us today Veterans and their families Baby boomers immigrants and people with disabilities will all find themselves reflected in our particular story
