Forthcoming Books Rose Arny, 1998-04 **Wedding Haircut** David Bentley, 2011-04-11 This book is about two intended weddings A Saudi seeking Jesus tells his story covering the years 1999 to 2002 and ends with a haircut as part of his Arabic prenuptial traditions Osman observes his roommates rehearsals for a very different wedding where the ritual haircut precedes martyrdom leading to carnal heavenly rewards The hero is skeptical of this roommates belief where sensuality is mixed with fiery warnings against anyone daring to leave Islam His San Diego based employer Uncle Khaliil a 1980s Afghan munitions dealer does little to restrain his power over his 27 year old protg especially interfering with Osmans romance with Marie his Mexicana sweetheart San Diego provides the glamorous seaside locations where the homemade mosque and community college scenes take place but these balmy images are often interrupted by Tijuana border crises Other borders are in Amman Jordan where Osman lands on 9 11 while holding an illegal passport He is further victimized by this disastrous terror attack on Manhattan during a Sinbad the Sailor flight to California where the rapturous Marie awaits him From benign hocus pocus untruths to outright deceptions this novel features a litany of human failings However for Muslims and Christians the testing of the Prophet of God Abraham becomes a model for sacred trusts The Bible and Quran record a Fathers offering of his Son upon an altar as a symbol of the similarity and the disparity of the two holy books Several citations from the Biblical and Quranic texts touch upon some gritty issues like Osmans circumcision when he was 13 Genesis 17 25 Quran 37 102 a delay based upon his mothers vow for pre 1967 Jerusalem Maries effervescent kiss will ultimately revive Osman from a death by drowning during which he hears Jesus speaking prepping him for his wedding as a newly washed hairless babe **Packaging Boyhood** Sharon Lamb, Ed.D., Lyn Mikel Brown, Ed.D., Mark Tappan, Ed.D., 2009-10-13 Player Jock Slacker Competitor Superhero Goofball Boys are besieged by images in the media that encourage slacking over studying competition over teamwork power over empowerment and being cool over being yourself From cartoons to video games boys are bombarded with stereotypes about what it means to be a boy including messages about violence risktaking and perfecting an image of just not caring Straight from the mouths of over 600 boys surveyed from across the U S the authors offer parents a long hard look at what boys are watching reading hearing and doing They give parents advice on how to talk with their sons about these troubling images and provide them with tools to help their sons resist these messages and be their unique selves *The Improbable War* Christopher Coker, 2015 A prescient analysis of the likelihood of a US China conflict and how it might be avoided **American Countercultures: An Encyclopedia of Nonconformists, Alternative Lifestyles, and Radical Ideas in U.S. History** Gina Misiroglu, 2015-03-26 Counterculture while commonly used to describe youth oriented movements during the 1960s refers to any attempt to challenge or change conventional values and practices or the dominant lifestyles of the day This fascinating three volume set explores these movements in America from colonial times to the present in colorful detail American Countercultures is the first reference work to examine

New York Magazine ,1994-09-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Spy** ,1994-03 Smart Funny Fearless It s pretty safe to say that Spy was the most influential magazine of the 1980s It might have remade New York s cultural landscape it definitely changed the whole tone of magazine journalism It was cruel brilliant beautifully written and perfectly designed and feared by all There s no magazine I know of that s so continually referenced held up as a benchmark and whose demise is so lamented Dave Eggers It s a piece of garbage Donald Trump How to be Good John Harris,2016-04-07 How to be Good is the pre eminent question for ethics

although one that philosophers and ethicists seldom address head on Knowing how to be good or perhaps more modestly and more accurately knowing how to go about trying to be good and the ways in which it is pointless or self defeating to try to be good is of immense theoretical and practical importance And what goes for trying to be good oneself goes also for trying to provide others with ways of being good and for trying to make them good whether they like it or not This is what is meant by moral enhancement There are many proposed methodologies or technologies for moral enhancement Some of them are ancient and or familiar we may attempt moral enhancement by setting a good example by good parenting by education or training by peer pressure by telling stories with a moral in words or in pictures and so on We can imbibe substances with mood changing or motivational effects We can also use medical biological or other scientific means we can search for and deploy chemicals or biological or molecular agents which we believe will change people for the better and we can modify the environment to make bad outcomes of all sorts less likely We can experiment with political and social systems institutions and arrangements designed to make the world a better place or people better people The question whether and to what extent moral enhancement is possible is the subject of this book Automotive Industries ,1997 **Theorizing Film**

Acting Aaron Taylor,2012 This comprehensive collection provides theoretical accounts of the grounds and phenomenon of film acting The volume features entries by some of the most prominent scholars on film acting who collectively represent the various theoretical traditions that constitute the discipline of film studies Each section proposes novel ways of considering the recurring motifs in academic enquiries into film acting including 1 the mutually contingent problematic of description and interpretation 2 the intricacies of bodily dynamics and their reception by audiences 3 the significance of star performance and 4 the impact of evolving technologies and film styles on acting traditions *Library Media Connection* ,1997 **The Shakespeare Wars** Ron Rosenbaum,2011-11-09 Ron Rosenbaum is one of the most original journalists and writers of our time David Remnick In The Shakespeare Wars Ron Rosenbaum gives readers an unforgettable way of

rethinking the greatest works of the human imagination As he did in his groundbreaking Explaining Hitler he shakes up much that we thought we understood about a vital subject and renews our sense of excitement and urgency He gives us a Shakespeare book like no other Rather than raking over worn out fragments of biography Rosenbaum focuses on cutting edge controversies about the true source of Shakespeare s enchantment and illumination the astonishing language itself How best to unlock the secrets of its spell With quicksilver wit and provocative insight Rosenbaum takes readers into the midst of fierce battles among the most brilliant Shakespearean scholars and directors over just how to delve deeper into the Shakespearean experience deeper into the mind of Shakespeare Was Shakespeare the one draft wonder of Shakespeare in Love Or was he rather as an embattled faction of textual scholars now argues a different kind of writer entirely a conscientious reviser of his greatest plays Must we then revise our way of reading staging and interpreting such works as Hamlet and King Lear Rosenbaum pursues key partisans in these debates from the high tables of Oxford to a Krispy Kreme

doughnut shop in a strip mall in the Deep South He makes ostensibly arcane textual scholarship intensely seductive and sometimes even explicitly sexual At an academic Pleasure Seminar in Bermuda for instance he examines one scholar's quest to find an orgasm in Romeo and Juliet Rosenbaum shows us great directors as Shakespearean scholars in their own right We hear Peter Brook perhaps the most influential Shakespearean director of the past century disclose his quest for a secret play hidden within the Bard's comedies and dramas We listen to Sir Peter Hall founder of the Royal Shakespeare Company as he launches into an impassioned table pounding fury while discussing how the means of unleashing the full intensity of Shakespeare's language has been lost and how to restore it Rosenbaum's hilarious inside account of the Great Shakespeare Funeral Elegy Fiasco a man versus computer clash illustrates the iconic struggle to define what is and isn't Shakespearean And he demonstrates the way Shakespearean scholars such as Harold Bloom can become great Shakespearean characters in their own right The Shakespeare Wars offers a thrilling opportunity to engage with Shakespeare's work at its deepest levels Like Explaining Hitler this book is destined to revolutionize the way we think about one of the overwhelming obsessions of our time
