Societies and entire nations draw their identities from certain founding documents whether charters declarations or manifestos The Book of Common Prayer figures as one of the most crucial in the history of the English speaking peoples First published in 1549 to make accessible the devotional language of the late Henry the VIII s new church the prayer book was a work of monumental religious political and cultural importance Within its rituals prescriptions proscriptions and expressions were fought the religious wars of the age of Shakespeare This diminutive book continuously reformed and revised was how that age defined itself In Shakespeare s Common Prayers Daniel Swift makes dazzling and original use of this foundational text employing it as an entry point into the works of England s most celebrated writer Though commonly neglected as a source for Shakespeare s work Swift persuasively and conclusively argues that the Book of Common Prayer was absolutely essential to the playwright It was in the Book s ambiguities and its fierce contestations that Shakespeare found the ready elements of drama dispute over words and their practical consequences hope for sanctification tempered by fear of simple meaninglessness and the demand for improvised performance as compensation for the failure of language to fulfill its promises What emerges is nothing less than a portrait of Shakespeare at work absorbing manipulating reforming and struggling with the explosive chemistry of word and action that comprised early modern liturgy Swift argues that the Book of Common Prayer mediates between the secular and the devotional producing a tension that makes Shakespeare s plays so powerful and exceptional Tracing the prayer book s lines and motions through As You Like It Hamlet Twelfth Night Measure for Measure Othello and particularly Macbeth Swift reveals how the greatest writer of the age of perhaps any age was influenced and guided by its most important book

*The Tragedy of Macbeth: The Oxford Shakespeare* William Shakespeare, 2008-04-17 Dark and violent Macbeth is also the most theatrically spectacular of Shakespeare s tragedies Indeed for 250 years until early this century it was performed with grand operatic additions set to baroque music In his introduction Nicholas Brooke relates the play s changing fortunes to changes within society and the theatre and investigates the sources of its enduring appeal He examines its many layers of illusion and interprets its linguistic turns and echoes arguing that the earliest surviving text is an adaptation perhaps carried out by Shakespeare himself in collaboration with Thomas Middleton This fully annotated edition reconsiders textual and staging problems appraises past and present critical views and represents a major contribution to our understanding of Macbeth

**Bruce Dickinson: Insights** Brigitte Schön, 2015-11-28 Bruce Dickinson best known as the lead vocalist of Iron Maiden seems to have unbounded energy ideas and imagination He mesmerises thousands of fans with his integrity vitality and wit Wouldn't it be great to know what makes him tick Those who know Bruce Dickinson know this man doesn't do things by halves Thus he was voted a living example of a polymath by Intelligent Life magazine in 2009 Bruce has been recognised as a singer a TV presenter a record producer a pilot and a fencer Therefore it should be no surprise that his lyrics also stand out His subject matters are challenging he reflects on life and death freedom and destiny man and God sex and religion Asked about the complexity of his lyrics Bruce said in an interview I ask myself does it rock And if it does who gives a s t what s it s about All information s there if people choose to dig for it The treasures you can find are absolutely worth the digging Bruce also added And if they don't then it doesn't matter so long as they enjoy it Bruce Dickinson is an undisputed master of heavy metal his voice and music are a natural force The subjects are extremely interesting and Bruce succeeds in artfully getting to the heart of them This is why this book is dedicated to Bruce as a songwriter as a poet of lyrics some of which represent little masterpieces even without music They point beyond themselves by means of powerful imagery Their ambiguity holds some surprises The best way to get to know the real Bruce Dickinson probably is to have a beer with him But he admitted that through his lyrics you can certainly maybe get an idea of what is going on with myself and that's why all fans of Bruce and Iron Maiden should read this book
