Macbeth William Shakespeare, 2021-01-28 Playwriting Screenplays Macbeth is among the best known of William Shakespeare's plays and is his shortest tragedy believed to have been written between 1603 and 1606 It is frequently performed at both amateur and professional levels and has been adapted for opera film books stage and screen Often regarded as archetypal the play tells of the dangers of the lust for power and the betrayal of friends For the plot Shakespeare drew loosely on the historical account of King Macbeth of Scotland by Raphael Holinshed and that by the Scottish philosopher Hector Boece There are many superstitions centred on the belief the play is somehow cursed and many actors will not mention the name of the play aloud referring to it instead as The Scottish play From Wikipedia *Catalog of the Theatre and Drama Collections* New York Public Library.
