One Scandalous Story Marvin Kalb,2010-05-11 In 1963 Marvin Kalb observed the Secret Service escorting an attractive woman into a hotel for what was most likely a rendezvous with President Kennedy Kalb then a news correspondent for CBS didn't consider the incident newsworthy Thirty five years later Kalb watched in dismay as the press dove headfirst into the scandal of President Clinton's affair with White House intern Monica Lewinsky disclosing every prurient detail How and why had the journalistic landscape shifted so dramatically One Scandalous Story seeks to answer this critical question through the inside story of thirteen days January 13 25 1998 that make up a vital chapter in the history of American journalism In riveting detail Kalb examines just how the media covered the Lewinsky scandal offering what he calls an X ray of the Washington press corps Drawing on hundreds of original interviews Kalb allows us to eavesdrop on the incestuous deals between reporters and sources the bitter disagreements among editors the machination of moguls for whom news is Big Business and above all the frantic maneuvering to break the story With fresh insight he retraces decisions made by Michael Isikoff of Newsweek Internet renegade Matt Drudge Jackie Judd of ABC Clinton basher Lucianne Goldberg Susan Schmidt of The Washington Post Jackie Bennett of the Office of the Independent Counsel and other key players in this scandal that veered from low comedy to high drama Through the lens of those thirteen turbulent days Kalb offers us a portrait of the new news in all its contradictions He reveals how intense economic pressures in the news business the ascendancy of the Internet the blurring of roles between reporters and commentators and a surge of dubious sourcing and copy cat journalism have combined to make tabloid style journalism increasingly mainstream But are we condemned to a resurgence of yellow journalism Painstakingly documented and sobering in its conclusions One Scandalous Story issues a clarion call to newsmakers and the American public alike Journalism can change for the better and must *Revista de interpretação bíblica latino-americana* ,1992 *Revista de interpretación bíblica latinoamericana* ,1992 Facing Fascism Peter N. Carroll,James D. Fernandez,2007-03 When the Spanish Civil War began in 1936 loosely affiliated groups of writers artists and other politically aware individuals emerged in New York City to give voice to anti fascist sentiment by supporting the Spanish Republic Facing Fascism New York and the Spanish Civil War examines the participation of New Yorkers in the political struggles and armed conflict that many historians consider a critical precursor to World War II Nearly half of the 2 800 Americans who volunteered to fight in the Abraham Lincoln Brigade against Generalissimo Francisco Franco came from the New York area Fundraising propaganda and deployment for anti fascists everywhere in America were orchestrated through New York City At the same time powerful voices in New York expressed sympathy for the pro fascist side The fighting in Spain brought to the surface the complex ideological and ethnic identities always present in New York politics

Facing Fascism examines the full range of this experience including that of the New Yorkers who supported Franco It addresses the role of doctors nurses and social workers who left New York hospitals to provide assistance to the defenders of the Spanish Republic as well as those who remained active on the home front The book also describes the involvement of students in the war the key role of writers and the media and the contributions made by members of New York s art and theater communities Facing Fascism also serves as the catalog to an exhibition of the same name appearing at the Museum of the City of New York in the spring of 2007 The book and exhibition both make use of the Abraham Lincoln Brigade Archives extensive holdings which range from historical documents to video recordings of oral histories Numerous other libraries archives museums and private collectors have also been consulted to make this the most complete exhibition of its kind ever mounted The exhibition will also appear in Spain Book News ,1897 The Michigan Alumnus ,1949 In v 1 8 the final number consists of the Commencement annual **Matthew's Story** William G. community champion While much scholarship talks of their demise this book argues for a more nuanced understanding of the local newspaper and its continued significance to people places and commercial interests Local Journalism will benefit students academics and researchers in the areas of journalism media studies and sociology **Congressional Record**
