Decker, Thomas Llewellyn Wright, Peter H. Stauffer, 1987 *Hawaiian Natural History, Ecology, and Evolution* Alan C. Ziegler, 2002-09-30 Not since William A. Bryan's 1915 landmark compendium *Hawaiian Natural History* has there been a single volume work that offers such extensive coverage of this complex but fascinating subject. Illustrated with more than two dozen color plates and a hundred photographs and line drawings, *Hawaiian Natural History: Ecology and Evolution* updates both the earlier publication and subsequent works by compiling and synthesizing in a uniform and accessible fashion the widely scattered information now available. Readers can trace the natural history of the Hawaiian Archipelago through the book's twenty-eight chapters or focus on specific topics such as island formation by plate tectonics, plant and animal evolution, flightless birds and their fossil sites, Polynesian migrational history and ecology, the effects of humans and exotic animals on the environment, current conservation efforts, and the contributions of the many naturalists who visited the islands over the centuries and the stories behind their discoveries. An extensive annotated bibliography and a list of audio-visual materials will help readers locate additional sources of information. **Hawaii Magazine**, 2007 Louisiana Planter and Sugar Manufacturer, 1928 *Hawaii State and Local Government* Zachary Alden Smith, 1992 This book provides an introduction to state and local government in Hawaii. It briefly summarizes the history of the islands and contemporary Hawaii government and it presents the simulation of local government on the county level in the islands. The book provides a simulation of local government. Political simulations are role-playing games designed to allow students to learn through a participatory experience about ideas and issues in local government and the negotiation and bargaining that characterizes local politics. Contents: Hawaii History and Government, Aloha County Simulation, Aloha County Government, Aloha County Issues, Appendices. The Planter and Sugar Manufacturer, 1928
