Woman's Inhumanity to Woman Phyllis Chesler, 2009-05-01 Man's inhumanity to man the phrase is all too familiar But until Phyllis Chesler's now classic book a profound silence prevailed about woman's inhumanity to woman Women's aggression may not take the same form as men's but girls and women are indeed aggressive often indirectly and mainly toward one another They judge harshly hold grudges gossip exclude and disconnect from other women Like men women are exposed to the messages of misogyny and sexism that permeate cultures worldwide Like men women unconsciously buy into negative images that can trigger abuse and mistreatment of other women But like other social victims many do not realize stereotyping affects members within the victimized group as well as those outside the group They do not realize their behavior reflects society's biases How women view and treat other women matters Are women oppressed Yes Do oppressed people internalize their oppressors attitudes Without a doubt Prejudice must first be acknowledged before it can be resisted or overcome More than men women depend upon one another for emotional intimacy and bonding and exclusionary and sexist behavior enforces female conformity and discourages independence and psychological growth Continuing the pioneering work begun in *Women and Madness* Chesler's bestselling book that broke the story on double standards in psychology *Woman's Inhumanity to Woman* draws on important studies revolutionary theories literature and hundreds of original interviews Chesler urges us to look within to treat other women realistically ethically and kindly and to forge bold and compassionate alliances This is a necessary next step for women without which they will never be liberated

The New Wife Susan Shapiro Barash, 2004 **I Can't Believe She Did That!** Nan Mooney, 2025-06-25 *I CAN'T BELIEVE SHE DID THAT* offers a new and compelling perspective on conflict and competition among women in the workplace Nan Mooney explores how and why some women hurt each other on the job and what we can do to begin cleaning up the mess Based on real stories from real women *I CAN'T BELIEVE SHE DID THAT* provides a provocative social and cultural exploration of the often troubled and painful dynamics that unfold among female coworkers The massive influx of women into the workplace in the past thirty years means a whole new category of problems has arisen Suddenly women are working over under and alongside other women Their professional relationships are subject to the pressures and conflicts of organizational culture not to mention society at large Women on the job have grown more comfortable with ambition competition management and success but that hasn't negated the value they place on communication and relationships on being liked and being nice Striking a balance between these two selves is a delicate

undertaking and many women are uncertain how to interact in a workplace where such lines are regularly being blurred Working together women have fostered a breathtaking degree of positive change But there is another side to the story If women are to continue moving forward the time has come to examine honestly and unequivocally our very human impulse to compete with hurt and even destroy one another to get what we want In *I CAN T BELIEVE SHE DID THAT* Nan Mooney provides vivid insights on the emotional toll competition can take on women in business and charts a path towards more productive and fulfilling relationships for professional women everywhere *Longing* Jean Petrucelli,2018-03-26 *Longing* Psychoanalytic Musings on Desire is a contemporary interdisciplinary exploration of one of psychoanalysis s most foundational and fascinating areas of investigation This anthology explores the vicissitudes and varieties of desire its public and private normative and transgressive its light and dark expressions It examines desire in its relational cultural clinical physical sexual and aesthetic forms Collectively these essays demonstrate an understanding of the difficulties of identifying and realizing desire precisely because it is multiple omnipresent shape shifting ongoing and perhaps always ultimately unfulfillable They question whether desire is by definition something that cannot be satisfied and contemplate how we relate to our desires Interpersonal psychoanalytic practice and theory understands desire not merely as an intrapsychic drive but also as a force shaped by and shaping interpersonal relationships From within this perspective a number of the contributors examine a broad variety of clinical manifestations of desire as it struggles for expression or suppression **Self-fashioning in Margaret Atwood's Fiction** Cynthia G. relational feminist theology **The Beauty and Glory of the Christian Worldview** Joel R. Beeke, 2017-06-14 I once was blind but now I see is the glad confession of the Christian's heart. However, what is it that a Christian now sees that so transforms his life? It is the Christian worldview. This is not an abstract philosophy so much as biblical doctrine for life. The Word of God establishes God-centered thinking, engages faithful living, and energizes ardent feeling for the kingdom of Christ in this world and the world to come. In this volume, several pastors and theologians band together to explore aspects of the Christian worldview such as God's Trinity, supremacy, and loving sovereignty over all of life; the Christian's identity in Christ; sexuality and sufferings; and the Christian life as both earthly mission and heavenly pilgrimage. Contributors include Derek Thomas, Michael Barrett, Joel Beeke, Paul Smalley, Mark Kelderman, Brian Cosby, Charles Barrett, and Gerald Bilkes. Contents: Part I: Foundational Truths for the Christian's Mind. 1. The Christian Worldview of the Trinity, Derek W. H. Thomas. 2. Under the Sun to Beyond the Sun: The Old Testament's Worldview, Michael Barrett. 3. The Worldview of the Puritans, Joel R. Beeke and Paul M. Smalley. Part II: Formative Truths for the Christian's Life. 4. The Christian Worldview for Daily Life, Derek W. H. Thomas. 5. The Christian Worldview of Sexuality, Mark Kelderman. 6. A Christian Worldview of Suffering, Brian Cosby. Part III: Flaming Truths for the Christian's Zeal. 7. Joyful Exiles: A Worldview for Pilgrims, Charles M. Barrett. 8. Conforming Our Worldview to the Great Commission, Gerald Bilkes. 9. Looking unto Jesus in This World to Follow Him into the Next, Charles M. Barrett. *Living with Awareness* Sangharakshita, Sangharakshita (Bhikshu), 2003 In this commentary, Sangharakshita counsels against an over-narrow interpretation of mindfulness as being simply about developing a focused attention on the present moment. **The Naked Truth** Cynthia Garrett, 2024-06-18 Millions of people who demanded mastery over their own bodies have been tragically duped. Everywhere you look, sex and sexuality are redefined, manipulated, twisted, and maligned. Terrified of being labeled intolerant, Christians have been silent while the world has spoken loudly. Well, no more. Cynthia Garrett will not be silent. The sexual revolution offered us nothing but bondage. Feminism is an admittedly failed experiment. Yet we have always had the answer right under our noses. Unlike any other book on purity, Garrett boldly tackles these difficult topics to teach you that purity in your mind, body, and soul is about understanding true sexual freedom. The Naked Truth is that we will never be free until we share this message with each other, with our communities, and with our children. Because if we are not speaking Godly truth to this generation, ask yourself: who is? *A Gathering of Words* Cheryl Faison, 2012 This offering is truly historic in nature in all aspects. The significance is that many communities of peoples, to include poets, writers of all genres, students, and just plain people, have come together to express their perspectives pertaining not only to the Trayvon Martin incident but to gun violence, racism, bias, and many other related ills that affect our society, humanity, as well as the extended African American community and family. Included are some historic speeches from Rev. Dr. Martin Luther King Jr., Stokely Carmichael, Angela Davis, and Malcolm X. As a bonus, you will get to read the prolific words in the forward and preface of Loga Michelle Odom and Cheryl Faison, as well as the wonderfully insightful poetry of Tupac Shakur and Gil Scott Heron.

Sex, Purity, and the Longings of a Girl's Heart Kristen Clark, Bethany

Beal, 2019-04-30 For the modern Christian woman living in today's sexually charged society embracing God's design for sex and purity can often feel like an impossible pursuit. As the culture seeks to normalize things such as pornography, erotica, and casual sex, both single and married women of all ages feel immense pressure to conform. With alluring temptations constantly inviting them to join in, they might even begin to question whether God's design is truly good. They wrestle with questions like: What is the purpose of my sexuality? What does it mean to pursue purity? Are my sexual longings good or bad? In this encouraging book, Kristen Clark and Bethany Beal share honestly about their own struggles and victories and invite women on a personal journey to discover and reclaim a biblical vision for their sexuality. Kristen and Bethany help women understand why God's design for sexuality is good, relevant, and leads to true hope and lasting freedom.

Speaking for Our Lives

Robert B. Ridinger, 2014-02-25 Read the words they risked everything for. This landmark volume collects more than a hundred years of the most important public rhetoric on gay and lesbian subjects. In the days when homosexuality was mentioned only in whispers, a few brave souls stood up to speak for the rights of sexual minorities. In *Speaking for Our Lives: Historic Speeches and Rhetoric for Gay and Lesbian Rights, 1892-2000*, their stirring words have finally been gathered together along with the political manifestoes, broadsheets, and performance pieces of the gay and lesbian liberation movement. *Speaking for Our Lives* comprises speeches and manifestoes prompted by events ranging from demonstrations to funerals. Scholars and researchers will appreciate the brief commentary introducing each piece, which discusses the author, the occasion, and the political and social contexts in which it first appeared. You'll find the words of a broad variety of individuals and groups, including the Victorian humanist and crusader Robert Ingersoll; key groups such as the Mattachine Society, Homosexual Law Reform Society, Gay Activists Alliance, and International Gay Association; activists and educators Robin Morgan, Joseph Bean, and Dr. Franklin Kameny; artists and journalists of the movement such as John Eric Larsen, Joan Nestle, Barbara Grier, and Jim Kepner; elected officials including Bella Abzug, Ed Koch, Eleanor Holmes Norton, Gerry Studds, Tammy Baldwin, and Bill Clinton. Many of these documents have long been out of print. *Speaking for Our Lives* makes these noteworthy texts readily available to the broader public they deserve. This book preserves an essential part of twentieth-century history.
