Portugal In The 1980s Dilemmas Of Democratic Consolidation

**Douglas L. Wheeler, Walter C. Opello
Jr.**

Portugal In The 1980s Dilemmas Of Democratic Consolidation:

The Politics of Democratic Consolidation Richard Gunther, P. Nikiforos Diamandouros, Hans-Jürgen Puhle, 1995-08 With democracy on the rise worldwide questions about transition are rapidly being replaced by questions about consolidation How can leaders provide for a stable democracy once a nation has made its initial commitment to the rule of law and to popularly elected government In *The Politics of Democratic Consolidation* a distinguished group of internationally recognized scholars focus on four nations of Southern Europe Spain Portugal Italy and Greece which have successfully consolidated their democratic regimes Contributors P Nikiforos Diamandouros Richard Gunther Hans Jürgen Puhle Edward Malefakis Juan J Linz Alfred Stepan Felipe Agüero Geoffrey Pridham Sidney Tarrow Leonardo Morlino Jos R Montero Gianfranco Pasquino and Philippe C Schmitter

The Challenges of Democratic Consolidation in Portugal Paul Manuel, 1996-07-22 This study examines the process of democratic political consolidation as seen in Portugal It considers how by solving problems and fulfilling expectations Portugal's relatively new democratic regime has improved its chances for long term durability As Maravall has suggested once democracies are re established after a period of dictatorial rule new problems emerge the efficiency of the new political system not just its legitimacy becomes the main issue In the case of Portugal the government has been strengthened by dealing successfully with several different sets of problems The author analyzes these problems and this process by dividing Portugal's consolidation period into three recognizable intervals during which the new regime has had to simultaneously confront political economic and military challenges Scholars in comparative politics and government will find this a useful study of democratic development

Constitutions and Democratic Consolidation

Thomas C. Bruneau, 1989 The Report analyzes the Brazilian experience in formulating a new constitution in 1987 1988 in comparative perspective with Portugal and Spain It is demonstrated how the political actors in Brazil participated in the Constituent Assembly in order to ensure their interests in the basic document Due to the political dynamics of the period and the severe economic crisis the Assembly was extremely open or porous and the resulting document is long 315 articles detailed and extremely ambitious There is some question however whether the political structures and economic resources will allow for a substantial implementation of the Constitution

Democracy Between Consolidation and Crisis Leonardo Morlino, 1998-07-02 The second half of the twentieth century has witnessed several waves of democratization in Europe the Americas and in other regions of the world such as South East Asia Although for the most part these democratic regimes are no longer haunted by the prospect of a return to authoritarianism severe economic and social problems have posed serious challenges creating a situation where change is often achieved through alternating periods of consolidation and crisis Drawing on a systematic empirical analysis of four key Southern European countries Portugal Spain Greece and Italy Morlino identifies several key aspects of democratic consolidation consensus and legitimation party system and party organization and the ways in which organized and non organized interests are related to parties and the institutions of state The resulting

models of consolidation are analysed and the mechanisms and patterns of their unfolding crises identified taking care to disentangle the pragmatic reactions against the regime often related to corruption from more ideological ones grounded in differences in values Finally the author addresses the question of the quality of democracy examining how this is related to the outcome of processes of consolidation and crisis This insightful study offers the first extensive comparative analysis of consolidation and crisis in these countries and features a wealth of up to date information on party organizations interest associations the media and public opinion Although clearly focusing on Southern Europe the author s findings are extremely relevant for understanding the politics of several other regions including Eastern Europe Latin America and South East Asia

The Making of Portuguese Democracy Kenneth Maxwell,1995-09-07 This vividly written book is the first comprehensive assessment of the origins of the present day democratic regime in Portugal to be placed in a broad international historical context After a vibrant account of the collapse of the old regime in 1974 it studies the complex revolutionary period that followed and the struggle in Europe and Africa to define the future role of Europe s then poorest country International repercussions are examined and comparisons are drawn with the more general collapse of communism in the late 1980s

Handbook of Portuguese Studies Ieda Siqueira Wiarda,1999-11-19 Historical Dictionary of Portugal Douglas L. Wheeler,Walter C. Opello Jr.,2010-05-10 Portugal is a small Western European nation with a large distinctive past replete with both triumph and tragedy One of the continent s oldest nation states Portugal has frontiers that are essentially unchanged since the late 14th century The country s unique character and 850 year history as an independent state present several curious paradoxes As of 1974 when much of the remainder of the Portuguese overseas empire was decolonized Portuguese society appeared to be the most ethnically homogeneous of the two Iberian states and of much of Europe This in spite of the fact that Portuguese society had received during 2 000 years of infusions of other ethnic groups in invasions and immigration Phoenicians Greeks Celts Romans Suevi Visigoths Muslims Arab and Berber Jews Italians Flemings Burgundian French black Africans and Asians Indeed Portugal has been a crossroads despite its relative isolation in the western corner of the Iberian Peninsula between the West and North Africa Tropical Africa and Asia and America Since 1974 Portugal s society has become less homogeneous as there has been significant immigration of former subjects from her erstwhile overseas empire The third edition of Historical Dictionary of Portugal greatly expands on the second edition through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on important persons places events and institutions as well as on significant political economic social and cultural aspects *Portugal in the 1980s* Kenneth Maxwell,1986-06-06 This authoritative study provides the most comprehensive analysis available of the current political economic and social situation in Portugal In his introduction Maxwell reviews the revolutionary changes of the past ten years Several authors address the international issues examining the nature and possible future direction of Portugal s foreign relations in general and her involvements with Spain Africa and Western Europe in particular The potential benefits and

disadvantages of Portugal's entry into the European Community are discussed and the political and economic implications of Portugal's emergence as an important European power are considered. The difficult process of developing democratic institutions in a country beset by resistant social, political and economic problems is analyzed from various perspectives. The constraints on Portugal's economy are carefully assessed. A chapter on social crisis and the state investigates the complex structure of state-society relationships and how they are affected by political polarization, severe socioeconomic inequalities and high levels of poverty and illiteracy. Former Prime Minister Francisco Pinto Balsemão offers an inside look at the functioning of the political system and weighs prospects for the success and long-term survival of democratic government in Portugal.

The Politics and Memory of Democratic Transition Diego Muro, Gregorio Alonso, 2010-11-23. Designed to evaluate the paradigmatic view of the Spanish transition as an ideal model for political and social change, this new and innovative volume appraises Spain's movement to democracy from a variety of important perspectives.

Comparative Democratization and Peaceful Change in Single-Party-Dominant Countries M. Rimanelli, 2016-01-26. One of the more positive international trends as of late has been the transformation of several countries from authoritarian-based dictatorships and single-party systems into multi-party democracies characterized by peaceful political transitions. In this volume, a group of experts are gathered to analyse this progression on a comparative level. The scholars examine previously right-wing regimes in Brazil, Argentina and South Africa; former Communist states in Russia, Poland, Hungary and Czechoslovakia; and single-party dominant democracies in Italy, Japan, Mexico and Israel. The essays reveal how the dramatic collapse of the USSR functioned as a crucial catalyst in allowing pent-up domestic pressures for change to emerge in a less charged international environment. In addition, the chapters study the historical and current evolution of these countries, focusing on their success in developing long-term pluralistic structures and gauging whether these recent trends are more overnight fads than long-lasting advancements.

Portugal In The 1980s Dilemmas Of Democratic Consolidation: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Paffen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Portugal In The 1980s Dilemmas Of Democratic Consolidation Introduction

In today's digital age, the availability of Portugal In The 1980s Dilemmas Of Democratic Consolidation books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Portugal In The 1980s Dilemmas Of Democratic Consolidation books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Portugal In The 1980s Dilemmas Of Democratic Consolidation books and manuals for download is

the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Portugal In The 1980s Dilemmas Of Democratic Consolidation versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Portugal In The 1980s Dilemmas Of Democratic Consolidation books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Portugal In The 1980s Dilemmas Of Democratic Consolidation books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Portugal In The 1980s Dilemmas Of Democratic Consolidation books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Portugal In The 1980s Dilemmas Of Democratic Consolidation books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Portugal In The 1980s

Dilemmas Of Democratic Consolidation books and manuals for download and embark on your journey of knowledge?
