Postcard Collections Connecticut

Mary Jane Springman, Alan Lahue

Postcard Collections Connecticut:

Connecticut Coast Diana Ross McCain, 2009-04-01 Connecticut Coast is a richly illustrated history of the Nutmeg State's storied shoreline from New York State to Rhode Island. Researched and written by a longtime expert in Connecticut history, it comprises a brief narrative on each of the twenty-four shoreline communities accompanied by the area's best historic photography. Sidebars sprinkled throughout present lighthouses, fishing and shellfishing, transportation, storms, and more from the legendary Savin Rock Amusement Park to stylish Jackie Kennedy christening the USS Lafayette in Groton. [Poetry & Commons](#) Daniel Eltringham, 2022-05-13 Winner of the ASLE UKI Book Prize 2023 The commons and enclosure are among the most vital ways of thinking about poetry today, posing urgent ecological and political questions about land and resource ownership and use. Poetry Commons is the first study to read postwar and contemporary poetry through this lens by putting it in dialogue with the Romantic experience of agrarian dispossession. Employing an innovative transhistorical structure, the book demonstrates how radical Anglophone poetries since 1960 have returned to the enclosure of the commons in response to political and ecological crises. It identifies a commons turn in contemporary lyric that contests the new enclosures of globalized capital and resource extraction. In lucid close readings of a rich field of experimental poetries associated with the British Poetry Revival as well as from Canada and the United States, it analyses a landscape poetics of enclosure in relationship with Romantic verse. Canonical Romantic poetry by Wordsworth and Clare is understood through the fine-grained textures of the period's vernacular and radical verse and discourse around enclosure, which the book demonstrates contain the seeds of neoliberal political economy. Engaging with the work of Anne Lise François and Anna Tsing, Poetry Commons theorizes commoning as marking out subsistence rhythms of resource, which articulate plural, irregular, and tentative relations between human and nonhuman lifeworlds. **The Juggler of Notre Dame and the Medievalizing of Modernity.** Jan M. Ziolkowski, 2018-08-29 This ambitious and vivid study in six volumes explores the journey of a single electrifying story from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries. The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery but is suspected of blasphemy after dancing his devotion before a statue of the Madonna; in the crypt, he is saved when the statue, delighted by his skill, miraculously comes to life. Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth-century Paris, before its translation into English in Britain and the United States. The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations, and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today. Volume 3: The American Middle Ages hinges upon two figures influenced by the juggler: Henry Adams, scion of Presidents and distinguished cultural historian whose works contributed to the rise of medievalism in America during the Gilded Age, and Ralph Adams Cram, the architect whose vision of Gothic accounts directly or indirectly for

the campuses of West Point Princeton Yale Chicago Notre Dame and many other universities across America The Juggler of Notre Dame and the Medievalizing of Modernity is a rich case study for the reception of the Middle Ages in modernity Spanning centuries and continents the medieval period is understood through the lens of its post modern reception in Europe and America Profound connections between the verbal and the visual are illustrated by a rich trove of images including book illustrations stained glass postage stamps architecture and Christmas cards Presented with great clarity and simplicity Ziolkowski s work is accessible to the general reader while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies medievalism philology literary history art history folklore performance studies and reception studies

Directory of Historic House Museums in the United States Patricia Chambers Walker, Thomas Graham, 2000 The first comprehensive guide to America s historic house museums this directory moves beyond merely listing institutions to providing information about interpretive themes historical and architectural significance collections and cultural and social importance along with programming events and facility information Useful cross reference guides provide quick and easy ways of locating information on almost 2500 museums A multi functional reference for museum professionals local historians historic preservationists or anyone interested in America s historic house museums

Road Trip America Andrew F. Wood, 2003 Describes fast food restaurants motels and unique roadside attractions in each of the fifty states and features color photos of artifacts and vintage images

Postcard America Jeffrey L. Meikle, 2016-01-20 This illustrated history of the colorized linen postcards of the 1930s and 40s is an incredible tour A veritable treasure trove of American culture Crave Online From the Great Depression through the early postwar years any postcard sent in America was more than likely a linen card Colorized in vivid often exaggerated hues and printed on card stock embossed with a linen like texture linen postcards celebrated the American scene with views of majestic landscapes modern cityscapes roadside attractions and other notable features These colorful images portrayed the United States as shimmering with promise quite unlike the black and white worlds of documentary photography or Life magazine Linen postcards were enormously popular with close to a billion printed and sold Postcard America offers the first comprehensive study of these cards and their cultural significance Drawing on the production files of Curt Teich Co of Chicago the originator of linen postcards Jeffrey L Meikle reveals how photographic views were transformed into colorized postcard images often by means of manipulation adding and deleting details or collaging bits and pieces from several photos He presents two extensive portfolios of postcards landscapes and cityscapes that comprise a representative iconography of linen postcard views For each image Meikle explains the postcard s subject describes aspects of its production and places it in social and cultural contexts In the concluding chapter he shifts from historical interpretation to a contemporary viewpoint considering nostalgia as a motive for collectors and others who are fascinated today by these striking images

Real Photo Postcard Guide Robert Bogdan, Todd Weseloh, 2006-09-21 The Real Photo Postcard Guide is an informative comprehensive and practical treatment of this wildly

popular American phenomenon that dominated the United States photographic market during the first third of the twentieth century Robert Bogdan and Todd Weseloh draw on extensive research and observation to address all aspects of the photo postcard from its history origin and cultural significance to practical matters like dating purchasing condition and preservation Illustrated with over 350 exceptional photo postcards taken from archives and private collections across the country the scope of the Real Photo Postcard Guide spans technical considerations of production characteristics of superior images collecting categories and methods of research for dating photo postcards and investigating their photographers In a broader sense the authors show how real photo postcards document the social history of America From family outings and workplace awards to lynchings and natural disasters every image captures a moment of American cultural history from the society that generated them Bogdan and Weseloh s book provides an admirable integration of informative text and compelling photographic illustrations Collectors archivists photographers photo historians social scientists and anyone interested in the visual documentation of America will find the Real Photo Postcard Guide indispensable

A History of Connecticut's Deadliest Tornadoes Robert Hubbard,2015 The Wallingford tornado of 1878 took less than two minutes but it killed at the rate of one person per second Twisters in Connecticut are incredibly rare but they re often disastrous and sometimes deadly The Windsor tornado of 1979 destroyed a field of aircraft that had survived World War II The 1787 Wethersfield tornado ripped off a barn roof in New Britain traveled on to Newington and finally subsided in Wethersfield after destroying a family farm Locals remember the 1989 cyclone that ripped through Hamden and cost the state millions of dollars in repairs Join local author Robert Hubbard as he shares the tales of these natural disasters and those who witnessed them

Simsbury Mary Jane Springman,Alan Lahue,2011 When early photographers began recording scenes around Simsbury the town was over 200 years old and changing with the times Photographs taken in 1885 during a mile high balloon ride trace railroads rather than the old canal running through the town Grand Victorian mansions some of them summer residences arose among cherished family homes on farms dating from colonial times The mills in the Tariffville section and Toy Bickford Company near the center of town provided housing for workers who arrived from Europe Townspeople sent their youngest children to one of 12 district schools By 1917 the town could boast of a centrally located public high school as well as two private boarding schools In Simsbury images capture the mix of old and new until the advent of World War II

Ultimate Guide to Collecting Frances A. Karnes,Kristen R. Stephens,2005-06 Provides tips on how to start organize maintain and display a collection and includes advice from young people who are currently maintaining collections

Maine Coast Postcards Joyce K. Bibber,2004-09-01 Retired from publishing The New England Homestead in 1899

George Storrs Graves took up photography and soon began to print his best pictures on postcards Captured in this exciting collection are images of Maines scenic coastline as it appeared early in the 20th century through the eyes of a successful businessman and talented photographer Graves recognized that people wanted to see their hometowns in print and he photographed everything from cottage rimmed shorelines to commercial establishments He and his wife spent summer months on the coast of Maine at Small Point in Phippsburg and near West Harpswell He traveled by foot small ship and steamship to both popular and little known locales along the coast his pictures depict the sea in all of its moods The images in this collection were taken c 1907 to 1914 and include areas from Cape Elizabeth to Monhegan Resorts that flourished during the summer months are depicted including a one time resort at Popham Beach View early fishing vessels and the scenery of Casco Bay including unusual shots of the Harpswell shoreline in this previously unpublished collection of the postcards of George S Graves

East Carolina University John Allen Tucker PhD, Arthur Carlson, 2013-10-07 East Carolina University was founded by the State of North Carolina in 1907 as a teacher training school meant to provide professionally trained faculty for schools in the eastern part of the state Within two decades the school matured into a teachers college Although coeducational from the start the vast majority of the student body early on was female Following World War II and the gender transformation of higher education resulting from successive GI Bills East Carolina emerged with increasing balance as the male student body grew to match the female population on campus In subsequent decades East Carolina continued to expand academically emerging as a research university with a medical school and a dental school Today ECU is a leading producer of K 12 teachers in the Southeast as well as a leader nationwide in training practitioners of family medicine The impressive development of East Carolina has flowed from its embodiment of the schools ethic of service to the local community and in the broadest context the best interests of humanity

Enfield, Connecticut Michael K. Miller, 1999-08-01 Since its founding in 1683 Enfield has experienced a wealth of changes including the inception of a Shaker community that made Enfield its home for more than a century the emergence of an immigrant population and the rise and fall of its two key industries of carpet and gunpowder Thompsonville s carpet mill operation grew into a huge industrial complex and became the center of village life while the gunpowder industry took hold in Hazardville peaking in prosperity during the Civil War and subsequently declining as the need for wartime products waned In Enfield Connecticut the rich history of this New England town is enlivened by over 200 photographs from the 1880s to the 1950s Combined with extensively researched informative captions the snapshots and postcards in this collection enrich our understanding of the communities of Enfield Preserved within these pages are a variety of images of the people who have contributed to the towns unique character View rare snapshots of Enfield s founding families as well as its immigrant workers and learn about the influence that the peaceful Shaker community had on the area both in terms of fellowship and craftsmanship

Postcards in the Library Norman D Stevens, 2014-01-09 Postcards individually and collectively contain a great deal of information that can

be of real value to students and researchers Postcards in the Library gives compelling reasons why libraries should take a far more active and serious interest in establishing and maintaining postcard collections and in encouraging the use of these collections It explains the nature and accessibility of existing postcard collections techniques for acquiring arranging preserving and handling collections and ways to make researchers and patrons aware of these collections Postcards in the Library asserts that in most cases existing postcard collections are a vastly underutilized scholarly resource Editor Norman D Stevens urges librarians to help change this since postcards as items for mass consumption and often with no apparent conscious literary or social purpose are a true reflection of the society in which they were produced Stevens claims that messages written on postcards may also reveal a great deal about individual and or societal attitudes and ideas Chapters in Postcards in the Library are written by librarians who manage postcard collections postcard collectors and researchers Some of the authors have undertaken major research projects that demonstrate the ways in which postcards can be used in research and that have begun to establish a standard methodology for the analysis of postcards They write about major postcard collections including the Institute of Deltiology and the Curt Teich Postcard Archives the use of postcards for scholarly research postcard conservation and preservation arrangement and organization and importance and value Postcards in the Library describes the postcard collections in a variety of libraries of different kinds and sizes and indicates very real ways in which the effective use of postcard collections can result in and contribute to substantive scholarly publications It also offers advice and suggestions on the myriad issues that libraries face in handling these ephemeral fragments of popular culture Special collections librarians postcard collectors postcard dealers and historical societies will find the information in Postcards in the Library refreshing and practical Libraries with established postcard collections or those thinking about developing postcard collections will use it as a valuable planning tool and start to finish guide *Along the Valley Line* Max R. Miller, 2017-08-15 The Connecticut Valley Railroad once carried both passengers and freight along the west bank of the Connecticut River between Hartford and Old Saybrook Completed in 1871 today the railroad is known throughout New England for the nostalgic steam powered excursion trains that run on a portion of the line between Essex and Chester Until now the history of this popular tourist attraction has been the stuff of local lore and legend This book written by railroad historian and former vice president and director of Valley Railroad Max R Miller provides the first comprehensive history of the Connecticut Valley Railroad through maps ephemera and archival photographs of the trains bridges and scenery surrounding the line Offering tales of train wrecks ghost sightings booms and busts *Along the Valley Line* will be treasured by railroad enthusiasts and historians alike *American Holiday Postcards, 1905-1915* Daniel Gifford, 2013-08-29 In the early 20th century postcards were one of the most important and popular expressions of holiday sentiment in American culture Millions of such postcards circulated among networks of community and kin as part of a larger American postcard craze However their uses and meanings were far from universal This book argues that holiday postcards

circulated primarily among rural and small town Northern white women with Anglo Saxon and Germanic heritages Through analysis of a broad range of sources Daniel Gifford recreates the history of postcards to account for these specific audiences and reconsiders the postcard phenomenon as an image based conversation among exclusive groups of Americans A variety of narratives are thus revealed the debates generated by the Country Life Movement the empowering manifestations of the New Woman the civic privileges of whiteness and the role of emerging technologies From Santa Claus to Easter bunnies flag waving turkeys to gun toting cupids holiday postcards at first seem to be amusing expressions of a halcyon past Yet with knowledge of audience and historical conflicts this book demonstrates how the postcard images reveal deep divides at the height of the Progressive Era

Fairfield and Southport in Vintage Postcards Beth L. Love, 2000-08-09 Fairfield including its village of Southport is steeped in tradition and is rich in history Many people who call this coastal Connecticut community home already know that Fairfield was founded in 1639 by Roger Ludlow and was visited in 1789 by Pres George Washington who actually spent the night at the Sun Tavern However do they also know the history of Pulpit Rock or for that matter could they locate it What about the granite planter at the junction of Main Street Center Street and Harbor Road do they know the story behind that Those residents who remember Fairfield when as well as those with a desire to learn more about Fairfield when will be fascinated by Fairfield and Southport

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Postcard Collections Connecticut eBooks, including some popular titles.

FAQs About Postcard Collections Connecticut Books

What is a Postcard Collections Connecticut PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system

used to view or print it. **How do I create a Postcard Collections Connecticut PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Postcard Collections Connecticut PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Postcard Collections Connecticut PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Postcard Collections Connecticut PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
