

The background of the entire cover is a stylized, high-contrast illustration of a crowd of people. The figures are rendered in solid black and white, with some individuals highlighted in bright red. The overall effect is one of a dense, diverse group of people, suggesting a large gathering or a community. The style is graphic and modern, with no facial features or clothing details, focusing purely on the shapes and colors of the crowd.

Reclaim The State Adventures In Popular Democracy:

Social Movements for Global Democracy Jackie Smith, 2008-02-04 Honorable Mention 2010 Book Award Global Division Society for the Study of Social Problems Honorable Mention 2010 PEWS Book Award Political Economy of the World System section of the American Sociological Association This groundbreaking study sheds new light on the struggle to define the course of globalization Synthesizing extensive research on transnational activism *Social Movements for Global Democracy* shows how transnational networks of social movement activists democratic globalizers have worked to promote human rights and ecological sustainability over the predominant neoliberal system of economic integration Using case studies of recent and ongoing campaigns for global justice Jackie Smith provides valuable insight into whether and how these activists are succeeding She argues that democratic globalizers could be more effective if they presented a united front organized around a global vision that places human rights and ecological stability foremost and if they were to directly engage governments and the United Nations Illuminating the deep seated struggles between two visions of globalization Smith reveals a network of activists who have long been working to democratize the global political system

Making Democracy Fun Josh A. Lerner, 2024-02-06 Drawing on the tools of game design to fix democracy Anyone who has ever been to a public hearing or community meeting would agree that participatory democracy can be boring Hours of repetitive presentations alternately alarmist or complacent for or against accompanied by constant heckling often with no clear outcome or decision Is this the best democracy can offer In *Making Democracy Fun* Josh Lerner offers a novel solution for the sad state of our deliberative democracy the power of good game design What if public meetings featured competition and collaboration such as team challenges clear rules presented and modeled in multiple ways measurable progress such as scores and levels and engaging sounds and visuals These game mechanics would make meetings more effective and more enjoyable even fun Lerner reports that institutions as diverse as the United Nations the U S Army and grassroots community groups are already using games and game like processes to encourage participation Drawing on more than a decade of practical experience and extensive research he explains how games have been integrated into a variety of public programs in North and South America He offers rich stories of game techniques in action in children s councils social service programs and participatory budgeting and planning With these real world examples in mind Lerner describes five kinds of games and twenty six game mechanics that are especially relevant for democracy He finds that when governments and organizations use games and design their programs to be more like games public participation becomes more attractive effective and transparent Game design can make democracy fun and make it work

Dispatches From Latin America- Experimenting Against Neoliberalism

Same As Above, From the laboratory of neoliberalism popularly known as globalization Latin America has transformed itself into a launching pad for resistance As globalization began to spread its devastation robust and thoughtful opposition emerged in response in the recovered factory movement of Argentina in the presidential elections of indigenous leaders and

radicals like Chavez and Morales against the privatization of water in Bolivia Across Latin America people have built social movements that are starting to take back control of their countries and their lives In Dispatches from Latin America 28 authors report on 11 different countries from Mexico to Argentina together mapping the contemporary political and social terrain Drawn from the pages of the well respected NACLA Report this collection offers us a riveting series of accounts that bring new insight into the region s struggles and victories With shrewd analysis rendered in accessible language Dispatches lays plain the complex and vitally important conditions unfolding in 21st century Latin America *Global Activism Reader*
