 foster a positive future for our kids Most parents grandparents teachers and ministers I talk to want to equip the next  
 generation with the necessary tools to be difference makers in their world but they don t know how to It feels as if we are  
 fighting against a cultural wave that is making it harder and harder to lead our kids to love God and make a difference So  
 what do we do This book takes a deep look into the culture of Generation Z and Generation Alpha The intent is to create an  
 understanding of how to raise a generation of contributors to the kingdom and how to remove the barriers that stand in our  
 way We all know that these emerging generations are welcoming us into a new digital frontier full of consumption technology  
 and entertainment that is more focused on happiness than contribution Our kids are also living in a world of skepticism about  
 truth and faith We will unpack these faith questions and explore the tensions that exist between older and younger  
 generations Our kids are the future of our churches cities states and country It is critical that we begin to acknowledge that  
 as adults we must be intentional in understanding the culture our kids live in and be humble in our approaches to developing  
 them as faithful servants and successful adults So how do we raise contributors Let s begin to discuss practical ways to raise
