Reclaiming Your Children For The Faith:

Nurturing Your Child's Soul Timothy Jones, 2006-09-03 Many of us worry about our kids getting pulled under by our culture's negative currents. We try to shout over the roar of media blitzes, misguided values in the schools, and peer pressure. And we wonder how to raise faithful children. For parents who sometimes feel they haven't done enough, Jones provides ideas for taking small steps toward communication and intimacy, showing you how to take advantage of teachable moments by fully focusing on the present.

From Abused to Protector: Claiming Your Life After Your Church Sexually Abuses You A Story of Hope, Forgiveness and Triumph Kenneth Joe, 2007-09-01 A powerful personal story that details the pain and shame associated with being abused by clergy in the church. Kenneth Joe tells his story with courage and disregard for the embarrassment that is often left lingering with the victim. This book is an inspiration to anyone who has suffered hurt and gives a blueprint to conquering the pain instead of letting it consume and fracture the soul. Kenneth Joe ultimately teaches us that forgiveness is what heals the scars and gives the victim an opportunity to own their story and also transform from victim to triumphant survivor. **From Abused to Protector: Claiming Your Life After Your Church Sexually Abuses You A Story of Hope, Forgiveness and Triumph** gives a map to the road the church, child welfare, and society must take to ensure pedophiles are given no place to hide and are never protected from justice, no matter what their position in church or society may be.

Reclaiming Your Land Shari Lordi, 2017-06-29 As I was approaching my mid forties, I was as weary and broken as a human being could be. Living in bondage for several years had taken its toll on me. I was barely existing. Although the Spirit of God was always with me, I was unable to gain a breakthrough until I finally and totally surrendered ALL to the Lord Jesus Christ. When I let go of everything, regardless of what the outcome could or would be, was when the miraculous began to take place and happen in my life. The Holy Spirit used simple and practical elements in nature to impart deep and life-changing revelation into my soul. One of the most powerful breakthroughs I received was given to me through the revelation of the metamorphosis process that butterflies go through. It was through that journey that the blinders began to slowly fall off. Born into a fallen world, we must have a transformation experience through the redemption and shed blood of Jesus Christ. Just as the butterfly goes through that very painful transition from what was to what is to be, from the old man to the new creation, we as children of God must also go through this process. Liberation is beautiful and so worth the process. Remember, once a caterpillar transforms from crawling on the ground to a beautiful butterfly soaring through the air, he can never go back. He is a new creation. Not a perfect creation, but a new creation. You can be free. Jesus really does love you.

Cornwall,2021-09-29 What does your spiritual DNA

look like In terms of your spiritual identity where do you come from and where are you going We live in an age when many

Christians have experienced several denominational and religious communities. Many wonder what to do with these experiences. At the same time, many congregations are made up of people who come from different traditions, and the question is how to bring these diverse experiences into the life of the congregation in an enriching way. If we take as our starting point the call of Abraham and Sarah to take a journey to an unknown land with the promise that their descendants would be a blessing to the nations, what might this look like in terms of our spiritual lives? Join with the author as he draws on his spiritual journey that has taken him into several denominational traditions as well as his experiences as a pastor and historical theologian to discern values and concepts that can help congregations and individuals make sense of their diverse spiritual experiences so that together we might fulfill the Abrahamic calling reaffirmed in Christ to be a blessing to the nations.
