Reconstructing A Womens Prison

Kristine Ashton Gunnell

Reconstructing A Womens Prison:

A History of Women's Prisons in England Susanna Menis, 2019-11-19 This book presents a revisionist prison history which brings to the forefront the relationship between gender and policy It examines women s prisons in England from the late 18th century to the beginning of the 20th century drawing attention to the detrimental effect the orthodox closed prison has on penal reform The text investigates the clash between what was conceptualised as desirable prison policy and the actual implementation and implications of such a penalty on the prisoner It challenges previous claims made about the invisibility of women prisoners in historical penal policy and provides an original analysis of the open prison taking HMP Askham Grange as a case study where the history of such an initiative is explored and debated **Therapeutic Community for Women Prisoners** Elaine Player, Elaine Genders, 2025-09-02 Based upon an extensive empirical study of a democratic therapeutic community for women serving long and medium sentences this book explores the opportunities it provided for restorative rehabilitation In so doing it identifies some of the interconnected ways in which these ambitions are undermined by pervasive yet often tacit assumptions that underly penal policies and practices Drawing on a wealth of data gathered from a study spanning a period of eighteen years at the only democratic therapeutic community for women prisoners in the UK the book highlights how feminist criminology has revealed an invidious history of women s treatment in prison demonstrating how reformist and rehabilitative interventions have reproduced and exacerbated existing states of inequality and oppression Consequently the question explored in this book is whether a proportionate sentence that imposes a loss of liberty is inevitably destined to this fate or whether it can be constructed in ways that are progressive and transformative By identifying and understanding some of the interconnected ways in which progressive efforts have typically been undermined it opens a debate about the insinuation of certain often unspoken assumptions that underly penal policies and practices and the need for their deconstruction It opens an axiomatic debate about how women imprisoned for serious offences might have that loss of liberty interpreted to facilitate a restorative reparative and reintegrative process of rehabilitation informed by principles of social justice This book will be of great interest to students and scholars of criminology feminist studies public policy and human rights It will also be of value to policymakers and practitioners in women s prisons and psychologists and psychiatrists interested in therapeutic communities *Women Prisoners and Health Justice* Dianne Hatton, Anastasia Fisher, 2018-04-19 Incarceration severely affects the health and wellbeing of women both during their incarceration and following release further complicating the health disparities they already experience as a consequence of gender race and social class The scope of this international problem remains largely hidden from health professionals and policy makers This book brings the issues into the light with contributions from leading advocates criminologists feminists nurses physicians public health professionals social workers sociologists and former prisoners Reconstructing the Criminal Martin J. Wiener, 1990 This ambitious and imaginative work interprets criminal justice history by relating it to intellectual and cultural

history Starting from the assumption that policies and statutes originate in a society's values and norms the author skilfully and persuasively demonstrates how changes in criminal law and penal practice were related to the changing values of early mid and late Victorian and Edwardian society Wiener traces changes in the criminal justice system by examining the treatment of offenders During the Victorian period the system became more punitive and was then reformed in line with welfarist thinking Wiener's wide ranging discussion of issues most notably of free will versus determinism sheds light on a broad range of Victorian history beyond crime and punishment

Voices of American Women's History from Reconstruction to the Present Kristine Ashton Gunnell, 2023-11-30 This collection of historical and contemporary writing by women argues that in addition to gender identity markers such as race class religion citizenship sexuality and marital status have influenced women's lives in the United States for more than 200 years *Voices of American Women's History* illustrates that gender alone has never defined women's experiences in America Women from diverse backgrounds are represented in media and documents that include pamphlets book excerpts personal narratives photographs advertisements congressional testimonies and Supreme Court rulings Such issues as abortion marriage equality domestic violence and gender parity are shown from historical and contemporary angles as this collection of primary sources allows readers and students to easily trace how women's lives and histories have and continue to intersect With a historical context for each selection the book also features structured activities to help teachers with class discussion and exams including suggestions for further reading document analysis essay questions and manageable research assignments

Handbook on Prisons Yvonne Jewkes, Ben Crewe, Jamie Bennett, 2016-02-23 The second edition of the *Handbook on Prisons* provides a completely revised and updated collection of essays on a wide range of topics concerning prisons and imprisonment Bringing together three of the leading prison scholars in the UK as editors this new volume builds on the success of the first edition and reveals the range and depth of prison scholarship around the world The *Handbook* contains chapters written not only by those who have established and developed prison research but also features contributions from ex prisoners prison governors and ex governors prison inspectors and others who have worked with prisoners in a wide range of professional capacities This second edition includes several completely new chapters on topics as diverse as prison design technology in prisons the high security estate therapeutic communities prisons and desistance supermax and solitary confinement plus a brand new section on international perspectives The *Handbook* aims to convey the reality of imprisonment and to reflect the main issues and debates surrounding prisons and prisoners while also providing novel ways of thinking about familiar penal problems and enhancing our theoretical understanding of imprisonment The *Handbook on Prisons* Second edition is a key text for students taking courses in prisons penology criminal justice criminology and related subjects and is also an essential reference for academics and practitioners working in the prison service or in related agencies who need up to date knowledge of thinking on prisons and imprisonment

Motherhood confined Rachel E. Bennett, 2024-01-30 When we imagine life behind the high

walls of the fortress like prisons that were built and modified as the modern prison system was created in the mid nineteenth century we conjure up scenes where strict regulation prevailed to control people in body and in mind An image that poses something of a paradox is that of mothers and their babies living in this carceral environment This book looks behind the cell doors of these institutions to illuminate the experiences of this group of prisoners The management of their health alongside the management of penal discipline posed complex conundrums to the prison system Although rarely fully considered at policy level this balancing act was negotiated by those who lived and worked in prisons on a daily basis Invisible Women Angela Devlin,1998-03-31 In a book that is accessible to general readers and professionals alike Angela Devlin has vividly recreated the realities of prison life for women at the end of the twentieth century She describes the cavalier way in which women can be treated the lack of provision for many basic needs the over crowding the liberal use of medication as a means of control the violence which stems from drug misuse the plight of black and ethnic minority women and foreign nationals and the self mutilation and suicide attempts of women in desperate need of help Invisible Women lifts the lid on women s prisons It is a book that will shock as well as inform *Feminism and Criminal Justice* Anne Logan,2008-11-03 This book provides a comprehensive study of the neglected story of the involvement of the women s movement with criminal justice policy in the 20th century Taking the topic from the suffragette era to the early days of second wave feminism the book argues that criminal justice policy has been a continual concern for feminists Poetry and Work Jo Lindsay Walton,Ed Luker,2019-11-16 Poetry and Work offers a timely and much needed re examination of the relationship between work and poetry The volume questions how lines are drawn between work and non work how social political and technological upheavals transform the nature of work how work appears or hides within poetry and asks if poetry is work or play or something else completely The book interrogates whether poetry and avant garde and experimental writing can provide models for work that is less alienated and more free In this major new collection sixteen scholars and poets draw on a lively array of theory and philosophy archival research fresh readings and personal reflection in order to consider work and poetry the work in poetry and the work of poetry Individual chapters address issues such as the many professions occupations and tasks of poets beyond and around writing poetry s special relationship with craft work s relationship with gender class race disability and sexuality how work gets recognised or rendered invisible in aesthetic production and beyond the work of poetry and the work of political activism and organising and the notion of poetry itself as a space where work and play can blur and where postwork imaginaries can be nurtured and explored **Engendering Resistance: Agency and Power in Women's Prisons** Mary Bosworth,2017-03-02 This book explores how power is negotiated in women s prisons Drawing on fieldwork conducted in three penal establishments in England it analyses how women manage the restrictions of imprisonment and the manner in which they attempt to resist institutional control It is proposed that power is negotiated on a private individual level as women often resist the institution simply by trying to maintain an image of control over their own

lives However their image of themselves as active reasoning agents is undermined by institutional regimes which encourage traditional passive feminine behaviour at the same time as they deny the women their identities and responsibilities as mothers wives girlfriends and sisters Femininity is therefore both the form and the goal of women s imprisonment Yet paradoxically femininity also offers the possibility of resistance because women manage to rebel by appropriating and changing aspects of it

Two Reports on the Reorganization & Reconstruction of the New York City Prison System Hastings Hornell Hart,1925

Reconstructing Criminal Law Nicola Lacey,Celia Wells,Oliver Quick,2003-09 The authors analyse central aspects of criminal law in the context of the assumptions surrounding it and employ a number of critical approaches including a feminist perspective to give insights into the current state of the law

Embodying Punishment Anastasia Chamberlen,2018-10-05 Embodying Punishment offers a theoretical and empirical exploration of women s lived experiences of imprisonment in England It puts forward a feminist critique of the prison arguing that prisoner bodies are central to our understanding of modern punishment and particularly of women s survival and resistance during and after prison Drawing on a feminist phenomenological framework informed by a serious engagement with scholars such as Maurice Merleau Ponty Simone de Beauvoir Erwin Goffman Michel Foucault Sandra Lee Bartky and Tori Moi Embodying Punishment revisits and expands the literature on the pains of imprisonment and offers an interdisciplinary examination of the embodiment and identities of prisoners and former prisoners pressing the need for a body aware approach to criminology and penology The book develops this argument through a qualitative study with prisoners and former prisoners discussing themes such as the perception of the prison through time space smells and sounds the change of prisoner bodies the presentation of self in and after prison including the centrality of appearance and prison dress in the management of prisoner and ex prisoner identities and a range of coping strategies adopted during and after imprisonment including prison food drug misuse and a case study on women s self injuring practices Embodying Punishment brings to the fore and critically analyses longstanding and urgent problems surrounding women s multifaceted oppression through imprisonment including matters of discriminatory and gendered treatment as well as issues around penal harm and argues for an experientially grounded critique of punishment

Reconstructing A Womens Prison Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reconstructing A Womens Prison has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reconstructing A Womens Prison has opened up a world of possibilities. Downloading Reconstructing A Womens Prison provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reconstructing A Womens Prison has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reconstructing A Womens Prison. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reconstructing A Womens Prison. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reconstructing A Womens Prison, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reconstructing A Womens Prison has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available

and embark on a journey of continuous learning and intellectual growth.

FAQs About Reconstructing A Womens Prison Books

1. Where can I buy Reconstructing A Womens Prison books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Reconstructing A Womens Prison book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Reconstructing A Womens Prison books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Reconstructing A Womens Prison audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
