In the first edition entitled *Leadership in Recreation and Leisure Service Organisations* the authors organised the effort into separate theoretical and practical applications sections that covered a variety of direct service areas. In addition, each chapter has marginal quotations featuring perspectives from notable individuals. These quotations will provide heightened awareness and understanding of the subject matter. Also featured in each chapter is an outstanding leader in the recreation parks and leisure service field. These vignettes, known as *A Legacy of Leadership*, feature historic and current figures in the recreation parks and leisure service field. Further leadership perspectives from professionals across the United States are included in the section entitled *Leadership: A Point of View from the Profession*. Each chapter is concluded with discussion questions, a case study, and experiential learning experiences from which students can explore and analyse their own thinking, engage in problem-solving strategies, and reflect upon their own thinking regarding leadership.
