Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik

Andrea Cucchiarelli

Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik:

The Impact of the Roman Army (200 B.C. - A.D. 476): Economic, Social, Political, Religious and Cultural Aspects Lukas de Blois, Elio Lo Cascio, 2007-07-30 This sixth volume of the network Impact of Empire offers a comprehensive reading on the economic political religious and cultural impact of Roman military forces on the regions that were dominated by the Roman Empire

The Politics of Honour in the Greek Cities of the Roman Empire, 2017-10-10 The volume The Politics of Honour in the Greek Cities of the Roman Empire co edited by Anna Heller and Onno van Nijf studies the public honours that Greek cities bestowed upon their own citizens and foreign dignitaries and benefactors These included civic praise crowns *proedria* public funerals honorific statues and monuments The authors discuss the development of this honorific system and in particular the epigraphic texts and the monuments through which it is accessible The focus is on the Imperial period 1st 3rd centuries AD The papers investigate the forms of honour the procedures and formulae of local practices as well as the changes in local honorific habits that resulted from the integration of the Greek cities in the Roman Empire

Roman Masculinity and Politics from Republic to Empire Charles Goldberg, 2020-12-30 This volume explores the role that republican political participation played in forging elite Roman masculinity It situates familiarly manly traits like militarism aggressive sexuality and the pursuit of power within a political system based on power sharing and cooperation In deliberations in the Senate at social gatherings and on military campaign displays of consensus with other men greased the wheels of social discourse and built elite comradeship Through literary sources and inscriptions that offer censorious or affirmative appraisal of male behavior from the Middle and Late Republic ca 300 31 BCE to the Principate or Early Empire ca 100 CE this book shows how the *vir bonus* or good man the Roman persona of male aristocratic excellence modulated imperatives for personal distinction and military and sexual violence with political cooperation and moral exemplarity While the advent of one man rule in the Empire transformed political power relations ideals forged in the Republic adapted to the new climate and provided a coherent model of masculinity for emperor and senator alike Scholars often paint a picture of Republic and Principate as distinct landscapes but enduring ideals of male self fashioning constitute an important continuity Roman Masculinity and Politics from Republic to Empire provides a fascinating insight into the intertwined nature of masculinity and political power for anyone interested in Roman political and social history and those working on gender in the ancient world more broadly

Emperors and Usurpers Andrew G. Scott, 2018 This historical commentary examines books 79 78 80 80 of Cassius Dio's Roman History which cover the period from the death of Caracalla in AD 217 to the reign of Severus Alexander and Cassius Dio's retirement from political life in 229 Cassius Dio a Roman Senator provides a valuable eyewitness account of this turbulent period which was marked by the assassination of Caracalla the rise of Macrinus Rome's first equestrian emperor and his subsequent overthrow the tempestuous and by all accounts peculiar reign of Elagabalus and the continuation of the Severan dynasty under the young Severus Alexander In addition to elucidating important passages

from these books this study assesses Cassius Dio's political life and its relationship to his literary career his call to history and time of composition his historical method and his attitude toward and subsequent presentation of the later Severan dynasty In its investigation of books 79 78 80 80 the work assesses an important stretch of Dio's actual text which for other parts has been preserved largely in epitome and excerpts Finally the work aims to fill a gap in scholarship as no commentary on these books of Cassius Dio's history has been produced since the nineteenth century and its publication coincides with a renewed interest in the history and historiography of the Severan period

Reconfiguring the Imperial Past: Narrative Patterns and Historical Interpretation in Herodian's History of the Empire Chrysanthos S. Chrysanthou, 2022-05-20

In the process of recording the history of the Roman Empire from the death of Marcus Aurelius to the accession of Gordian III Herodian makes his characters respond to the same situations in similar or different ways This book shows that each reign in Herodian's History is creatively mapped onto ever recurring narrative patterns It argues that patterning is not simply decorative in Herodian's work but constitutes a crucial conceptual and methodological tool for writing interpretative history Herodian deserves credit as an original and independent author A careful consideration of the formulaic nature of his historiography indicates that there is more artistry in his composition than had previously been discerned

Emperors and Usurpers in the Later Roman Empire Adrastos Omissi, 2018-06-28 One of the great maxims of history is that it is written by the victors and nowhere does this find greater support than in the later Roman Empire Between 284 and 395 AD no fewer than 37 men claimed imperial power though today we recognize barely half of these men as legitimate rulers and more than two thirds died at their subjects' hands Once established in power a new ruler needed to publicly legitimate himself and to discredit his predecessor overt criticism of the new regime became high treason with historians suppressing their accounts for fear of reprisals and the very names of defeated emperors chiselled from public inscriptions and deleted from official records In a period of such chaos how can we ever hope to record in any fair or objective way the history of the Roman state

Emperors and Usurpers in the Later Roman Empire is the first history of civil war in the later Roman Empire to be written in English and aims to address this question by focusing on the various ways in which successive imperial dynasties attempted to legitimate themselves and to counter the threat of almost perpetual internal challenge to their rule Panegyric in particular emerges as a crucial tool for understanding the rapidly changing political world of the third and fourth centuries providing direct evidence of how in the wake of civil wars emperors attempted to publish their legitimacy and to delegitimize their enemies The ceremony and oratory surrounding imperial courts too was of great significance used aggressively to dramatize and constantly recall the events of recent civil wars the narratives produced by the court in this context also went on to have enormous influence on the messages and narratives found within contemporary historical texts In its exploration of the ways in which successive imperial courts sought to communicate with their subjects this volume offers a thoroughly original reworking of late Roman domestic politics and demonstrates not only how history could be erased rewritten and repurposed

but also how civil war and indeed usurpation became endemic to the later Empire

Authority and Identity in Emerging Christianities in Asia Minor and Greece Cilliers Breytenbach, Julien M. Ogereau, 2018-06-12 This book explores how early Christian communities constructed developed and asserted their identity and authority in various socio cultural contexts in Asia Minor and Greece in the first five centuries CE With the help of the database Inscriptiones Christianae Graecae ICG special attention is given to ancient inscriptions which represent a rich and valuable source of information on the early Christians social and religious identity family networks authority structures and place and function in society This collection of essays by various specialists of Early Christianity Epigraphy and Late Antiquity offers a broad geographical survey of the expansion and socio cultural development of Christianity in Asia Minor and Greece and sheds new light on the religious transformation of the Later Roman Empire

Early Christian Hagiography and Roman History Timothy David Barnes, 2010 In their present form the first five chapters are revised versions of lectures delivered in German at the University of Jena on 10-14 November 2008 P xi

Emperors and Rhetoricians Moysés Marcos, 2023-12-12 Panegyric the art of publicly praising prominent political figures occupied an important place in the Roman Empire throughout late antiquity Orators were skilled political actors who manipulated the conventions of praise giving taking great license with what they chose to present or omit Their ancient speeches are rare windows into the world of panegyrists emperors and their audiences In *Emperors and Rhetoricians* Moysés Marcos offers an original comprehensive look at all panegyrics to and by Julian who in 355-56 CE promoted himself as a learned caesar by producing his own panegyric on his cousin and Augustan benefactor Constantius II During key stages in his public career and throughout the time he held imperial power Julian experimented with and utilized panegyric as both political communication and political opportunity Marcos expertly mines this vast body of work to uncover a startlingly new picture of Julian the Apostate explore anew the arc of his career in imperial office and model new ways to interpret and understand imperial speeches of praise

Moses among the Greek Lawgivers Ursula Westwood, 2023-09-04 Josephus *Antiquities* introduces Moses as the Jewish lawgiver adapting the biblical account for a new audience But who was that audience and what did they understand by the term lawgiver This book uses Plutarch's *Lives* as a proxy for an imagined audience providing a historically grounded but flexible model of a lawgiver against which some of the otherwise invisible forces shaping Josephus' choices are thrown into sharp relief This method reveals patterns of appeal and challenge in Josephus' intriguing and lively account of Moses' legislative activities

Ammianus' Julian Alan J. Ross, 2016-06-17 Ammianus Marcellinus *Res Gestae* holds a prominent position in modern studies of the emperor Julian as the fullest extant narrative of the reign of the last pagan emperor Ammianus' Julian Narrative and Genre in the *Res Gestae* offers a major reinterpretation of the work which is one of the main narrative sources for the political history of the later Roman Empire and argues for a re-examination of Ammianus' agenda and methods in narrating the reign of Julian Building on recent developments in the application of literary approaches and critical theories to historical texts Ammianus' presentation

of Julian is evaluated by considering the *Res Gestae* within three interrelated contexts as a work of Latin historiography which consciously sets itself within a classical and classicizing generic tradition in a more immediate literary and political context as the final contribution by a member of an eyewitness generation to a quarter century of intense debate over Julian's legacy by several authors who had lived through his reign and had been in varying degrees of proximity to Julian himself and as a narrative text in which narratorial authority is closely associated with the persona of the narrator both as an external narrating agent and an occasional participant in the events he relates This is complemented by a literary survey and a reanalysis of Ammianus' depiction of several key moments in Julian's reign such as his appointment as Caesar the battle of Strasbourg in 357AD his acclamation as Augustus and the disastrous invasion of Persia in 363AD It suggests that the *Res Gestae* presents a Latin speaking western audience with an idiosyncratic and Romanized depiction of the philhellene emperor and that consciously exploiting his position as a Greek writing in Latin and as a contemporary of Julian Ammianus wished his work to be considered a culminating and definitive account of the man and his life

Philological and historical commentary on Ammianus Marcellinus J. Den Boeft, 2008 Continuing the series of philological and historical commentaries on Ammianus' *Res Gestae* this volume deals with Book 26 in which the beginning of the reign of Valentinian and Valens is described and the rise and fall of the usurper Procopius

A Commentary on Virgil's Eclogues Andrea Cucchiarelli, 2023 In this commentary accompanied by a detailed introduction Andrea Cucchiarelli offers a detailed analysis of Virgil's *Eclogues* He establishes comparisons with both Greek and Roman poetic models and with significant other texts and provides the first systematic account of the poem in its historical context

Rulers and Ruled in Ancient Greece, Rome, and China Hans Beck, Griet Vankeerberghen, 2021-02-04 Situated on opposite flanks of Eurasia ancient Mediterranean and Han Chinese societies had a hazy understanding of each other's existence But they had no grounded knowledge about one another nor was there any form of direct interaction In other words their historical trajectories were independent In recent years however many similarities between both cultures have been detected which has energized the field of comparative history The present volume adds to the debate a creative method of juxtaposing historical societies Each contribution covers both ancient China and the Mediterranean in an accessible manner Embarking from the observation that Greek Roman and Han Chinese societies were governed by comparable features the contributors to this volume explain the dynamic interplay between political rulers and the ruled masses in their culture specific manifestation as *demos* Greece *populus* Rome and *min* China

Private and Public Lies Andrew J. Turner, K. O. Chong-Gossard, Frederik Juliaan Vervaet, 2010 Graeco Roman literary works historiography and even the reporting of rumours were couched as if they came in response to an insatiable desire by ordinary citizens to know everything about the lives of their leaders and to hold them to account at some level for their abuse of constitutional powers for personal ends Ancient writers were equally fascinated with how these same individuals used deceit as a powerful tool to disguise private and public reality The chapters in this collection examine the

themes of despotism and deceit from both historical and literary perspectives over a range of historical periods including classical Athens the Hellenistic kingdoms late republican and early imperial Rome late antiquity and Byzantium

Christianity, Philosophy, and Roman Power Lea Niccolai,2023-06 Rethinks Rome's Christianisation as a crisis of knowledge propelled by Constantine with Emperor Julian as its key interpreter and catalyst **Imperial Ideals in the**

Roman West Carlos F. Noreña,2011-06-23 This book shows how the circulation of ideals associated with the Roman emperor generated ideological unification among aristocracies and reinforced Roman power **The Republic in Danger**

Andrew Pettinger,2012-05-24 The volume proposes a new model for understanding the end of Augustus reign and the succession of Tiberius in the years 6 BC to AD 16 Focusing on Drusus Libo's role in an alliance between the enemies of Tiberius Pettinger offers a comprehensive analysis of the struggle between Tiberius and the supporters of Augustus grandsons **Ammianus Marcellinus** Fred C. Jenkins,2015-11-14 In Ammianus Marcellinus An Annotated Bibliography

1474 to the Present Fred W Jenkins surveys scholarship on Ammianus from the editio princeps to the present Included are bibliographies editions translations commentaries concordances and indexes Web sites and secondary scholarship in many languages **Character Assassination throughout the Ages** M. Icks,E. Shiraev,2014-07-17 Using a variety of cases from

history and today's life the book examines character attackers targeting the private lives behavior values and identity of their victims Numerous historical examples show that character assassination has always been a very effective weapon to win political battles or settle personal scores

Reviewing **Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik**: Unlocking the Spellbinding Force of Linguistics

Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik Introduction

In today's digital age, the availability of Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for

Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik books and manuals for download and embark on your journey of knowledge?

FAQs About Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik Books

1. Where can I buy Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
