Red Carpet For The Sun:

A Red Carpet for the Sun Irving Layton, 1960 **A Red Carpet for the Sun**, 2016 *A Red Carpet on the Sahara* Edna Brush Perkins, 1925 **The Metaphor of Celebrity** Joel Deshayé, 2013-10-30 The Metaphor of Celebrity is an exploration of the significance of literary celebrity in Canadian poetry. It focuses on the lives and writing of four widely recognized authors who wrote about stardom: Leonard Cohen, Michael Ondaatje, Irving Layton, and Gwendolyn MacEwen, and the specific moments in Canadian history that affected the ways in which they were received by the broader public. Joel Deshayé elucidates the relationship between literary celebrity and metaphor in the identity crises of celebrities who must try to balance their public and private selves in the face of considerable publicity. He also examines the ways in which celebrity in Canadian poetry developed in a unique way in light of the significant cultural events of the decades between 1950 and 1980, including the Massey Commission, the flourishing of Canadian publishing, and the considerable interest in poetry in the 1960s and 1970s, which was followed by a rapid fall from public grace as poetry was overwhelmed by greater popular interest in Canadian novels.

Kanade, di Goldene Medine?, 2018-10-22 *Kanade di Goldene Medine* offers a broad study of its field with equal attention to English and French language materials and contexts. The volume's essays highlight the fundamental link between the culture and life of Canadian Jews and their Polish roots. This focus brings Yiddish to the fore in essays focusing on the history of Canadian Yiddish literature and the relevance of the language for contemporary Canadian Chasidic communities. However, essays in this volume also highlight the writings of contemporary authors working both in French and English. Thus, the collection explores culture at the borderlands of three languages with an eye for the link between New Worlds and Old. *Kanade di Goldene Medine* apporte une contribution importante à l'étude de la littérature et la culture juives canadiennes tout en étant attentif aux textes et contextes anglophone et francophone ainsi qu'à l'univers particulier des juifs hassidiques de Montréal. Le volume tient également compte du lien fondamental entre la créativité des juifs canadiens et leurs racines européennes, en particulier polonaises, et de la présence de la langue yiddish ou de son imaginaire dans leurs textes sous forme de traduction ou autotraduction. Le lecteur pourra cerner dans ce livre des perspectives transversales qui mettent en relation des itinéraires multiples et diversifiés nous entre le Nouveau Monde et le Vieux.

Twin Shining Lights Mahrouyeh Maghzi, 2018-07-10 You are the bows from which your children as living arrows are sent forth. Let your bending in the archer's hand be for gladness; for even as He loves the arrow that flies, so He loves also the bow that is stable. Khalil Gibran. Humanity continues to evolve. Today's children have unique qualities that are helping the planet evolve spiritually by moving from the old energy of fear, greed, corruption, competition, and stress into the new energy of love, integrity, manifestation, and cooperation. The New Children possess specific characteristics to help them fulfill their purpose to bring the planet into a space where Peace and Honesty reign, where Harmony between all living creatures is the norm, and where Cooperation is given and expected as we realize that we are all connected to each other by Love. Differing from previous

generations these New Children are becoming more and more connected to Divine they remember our spiritual connection Even though each child expresses this gift in a unique way as a group they are a more intuitive more telepathic more sensitive generation Twin Shining Lights is a beautiful narrative that introduces readers to this perspective on life because story matters
