to find the witness and get them out of harm's way Original *Flight*, 1923 *The Red Carpet* Lavanya Sankaran, 2007-12-18 Wry humor and a delicious grasp of the friction between generations in Bangalore are the hallmarks of Lavanya Sankaran's fresh deeply nuanced debut collection A potpourri of beggars and billionaires and determinedly laid back ways Bangalore India's own Silicon Valley is a crucible for prosperity and at the chaotic crossroads between past and present Here American trained professionals like Tara return to their old fashioned families with heads full of Quentin Tarantino dialogue a successful entrepreneur is shaken when his partner suddenly reneges on their plan to return to America a traditional Indian mother slyly circumvents her Western educated daughter's resistance to marriage a neighborhood gossip is determined to discover what goes on behind the closed curtains of the hip young couple across the street a chauffeur must reconcile his more orthodox credos with his employer's miniskirt lifestyle Witty affectionate and wonderfully wise Lavanya Sankaran's first collection attests to her remarkable literary talent *Operation Red Herring* David H. Brown, 2007-09-06 Don't let the gruesome murders of a man and a woman in the basement of a former government building just off Capitol Hill in Washington DC lull you into thinking this is just another mystery novel It will take careful reading of this compelling and different kind of novel to understand the O Henry type ending Page after page and chapter after chapter will bring together a series of intrigues For example the heads of the Italian mafia and the Russian mafia work out a historic cooperative scheme to assassinate a high U S government official This is to take place in late October 2007 during the 100th anniversary of Union Station on Capitol Hill and the 78th anniversary of the 1929 Stock Market crash These two events truly are historically correct Once you discover that a secret Middle East terrorist organization is involved the two events will make sense because that organization has learned of the mafia and mafia alliance's plan and will take advantage of them to execute its own event that will make a mockery of Capitol Hill's security procedures The organization uses a small bank in a Caribbean nation to launder the money needed to carry out its mission The organization calls its effort OPERATION RED HERRING The term stems from animal rights activists in England who confuse hunt dogs by dragging bags of that dead fish across the trail so the fox is not killed To the organization the term means deception A curmudgeon private detective and his Capitol Police niece not only solve the two murders but they help unravel the Union Station plot The murders take place in what used to be for the novel's purpose the former Government Printing Office The GPO now houses an innovative semi government agency but few of the current and former occupants know the existence of a underground tunnel between the building and Union Station It actually exists The assassination attempt will make use of that tunnel to avoid discovery Many clues are scattered throughout the novel You may have to reread sections of the novel to discover them Even the murder weapons are unusual And at least one character will turn out to be someone who really is not what you think *Proceedings*, 1966
