Red High Heels:

Red High Heels in Heaven Deanna Hill, 2011-09-27 On the way to Nebraska in 1986 my life was changed forever in the blink of an eye when the tour bus on which I was traveling slammed into an 18 wheel tanker After the accident and during my recovery my sister was keeping a journal which she told me was to help me write my book From time to time through the years I thought about that book especially when I would share my story at churches or one on one and people would say You need to write a book However my second thought would always be Who would ever want to read about me and I would shove the idea back to the corner of my mind where it had been hanging out for years Finally a few years ago after being introduced to a word processor I sat down and began to write my story The computer made the writing part easy enough but telling the story was one of the most difficult things I have ever done It took weeks and weeks of reading and rereading my sister's journal and digging up memories deeply buried which were painful to review I won't say it was exactly a labor of love but I am glad I finally did it It is my prayer that people will be encouraged and inspired by reading how God has brought me through it all If I seem courageous or special in any way it is because of Him **Red Stilettos** Ruth Joseph, 2013-01-24 This sensational collection of quality short stories is perfect for the mainstream fiction market The writing style is deft and stylish but accessible on many levels making it attractive to those buying for book groups and readers who enjoy quality short fiction Ruth Joseph lives in Cardiff Wales where she is part of the strong Jewish community She has a strong evocative voice which speaks directly to the reader about guilt love and food Her work has previously been published by Honno Parthian and Loki

God Loved Her with High Heels Varsha Pratap,2015-04-02 This book is inspired by my deep interaction with Buddhist monk from South East Asia and by the right seeds of spirituality sown in me by my Guru This story is an attempt to bring to light the energies and wisdoms of our soul that leads us to the divine master within us which unites us with the powers of the universe Laila was a child reared with wisdom imparted to her by her wise German mother Andrea and her worldly wise businessman father Anand Mallya of Chennai The duality of her parenting led to the crisis within her which the proceeding chapters unravel telling the tale of compulsion that led her to seek the truth of her own existence and to change luck on lifes path The crises of her soul began in her as a medical student where she lost her serenity and soulfulness to the books that were never meant for her but was making long silent promises of a bright future This by the grace of her soul led her to find temporary solace in the glamorous high heels which brought her unfelt joy Material as the unwise believes is not the domain of all souls and that a soul is meant to be above the material pleasures of the world This is true only for the advanced souls the ones who have experienced the pleasures of the world that a advancing soul was meant to experience in the realm of this world in a lifetime As time rolled on she realised that this wasnt enough of a measure to provide her with the keys of the door that her advanced soul was meant to unlock as she has soaked in the material pleasures of this world for a long time
