Red Jesuit Joseph Ignatius Loyola, 1991-10-01 The Red Man and the White Man in North America George Edward Ellis, 1882 *Jesuit Slaveholding in Maryland, 1717-1838* Thomas Murphy, 2019-10-19 From the colonial period through the early nineteenth century Father Thomas J Murphy writes a compelling chronology and in depth analysis of Jesuit slaveholding in the state of Maryland

The Red Countess Hermynia Zur Mühlen, 2018-08-20 Praise for the first edition of this book This translation is something of an event For the first time it makes Zur Mühlen's text available to English speaking readers in a reliable version David Midgley University of Cambridge This book represents exceptional value both as an enjoyable read and as an introduction to an attractive author who amply deserves rediscovery Ritchie Robertson *Journal of European Studies* 42 1 106

07 Born into a distinguished aristocratic family of the old Habsburg Empire Hermynia Zur Mühlen spent much of her childhood and early youth travelling in Europe and North Africa with her diplomat father Never comfortable with the traditional roles women were expected to play she broke as a young adult both with her family and after five years on his estate in the old Czarist Russia with her German Junker husband and set out as an independent free thinking individual earning a precarious living as a writer Zur Mühlen translated over 70 books from English French and Russian into German notably the novels of Upton Sinclair which she turned into best sellers in Germany produced a series of detective novels under a pseudonym wrote seven engaging and thought provoking novels of her own six of which were translated into English contributed countless insightful short stories and articles to newspapers and magazines and having become a committed socialist achieved international renown in the 1920s with her *Fairy Tales for Workers Children* which were widely translated including into Chinese and Japanese Because of her fervent and outspoken opposition to National Socialism she and her life long Jewish partner Stefan Klein had to flee first Germany where they had settled and then in 1938 her native Austria They found refuge in England where Zur Mühlen died forgotten and virtually penniless in 1951

Red Ink Drew Lopenzina, 2012-03-01 The Native peoples of colonial New England were quick to grasp the practical functions of Western literacy Their written literary output was composed to suit their own needs and expressed views often in resistance to the agendas of the European colonists they were confronted with *Red Ink* is an engaging retelling of American colonial history one that draws on documents that have received scant critical and scholarly attention to offer an important new interpretation grounded in indigenous contexts and perspectives Author Drew Lopenzina reexamines a literature that has

been compulsively corrected and overinscribed with the norms and expectations of the dominant culture while simultaneously invoking the often violent tensions of contact and the processes of unwitnessing by which Native histories and accomplishments were effectively erased from the colonial record In a compelling narrative arc Lopenzina enables the reader to travel through a history that however familiar has never been fully appreciated or understood from a Native centered perspective *Beyond Black and Red* Matthew Restall,2005 The first study of the complex relationships among the races in Latin America after Spanish colonization Jesuits Jean Lacouture,1997-10-01 In this magisterial account Jean Lacouture portrays the sweep of five hundred years of world history from the dungeons of the Vatican to the jungles of South America to the royal courts of Europe and Asia Jesuits A Multibiography is history with a human face the fascinating tales of men of the spirit who participated in the actions and passions of the modern world a world bursting its seams Be all things to all men said the founder of the Jesuits Ignatius of Loyola to his followers Go and set the world ablaze The often picaresque story takes us to the Paris of Rabelais where Ignatius with a handful of his fellow students formed what would become the Society of Jesus We follow Francis Xavier to Japan and Matteo Ricci to China We watch as the Society grows into Christendom s most powerful order and as the Black Legend of a calculating Machiavellian Jesuitry leads to its abolition in 1773 it was restored forty years later We see the great characters of history and culture Pascal Voltaire Frederick the Great Catherine the Great play their parts One of Jean Lacouture s most poignant portraits is of the twentieth century s most famous and beloved Jesuit Pierre Teilhard de Chardin a scientist priest whose humanistic conclusions put him at odds with the Church Lacouture s wide ranging narrative illuminates Pope John XXIII s reforms and the Jesuit inspired liberation theology movements in Central and South America With the papacy of John Paul II a riveting drama unfolds as the Jesuits are brought under new constraints

Inside the Red Zone Mike Ferner, 2006-09-30 Mike Ferner a peace activist and journalist from Ohio traveled to Baghdad twice once just before the U S invasion in March 2003 and once again a year later In this book he profiles Cliff Kindy of the Christian Peacemaker Teams Kathy Kelly of Voices in the Wilderness and other peace activists soldiers journalists and ordinary Iraqis he met during his two extended visits to what became known as the Red Zone the area outside the protected Green Zone enclave He provides a rare inside look into the daily life of Iraqis before and after the war as well as a collective profile of segments of the contemporary American peace movement that have thus far been hidden from public view These stories have been gathered on the dusty streets of Baghdad and from tiny farming villages in the Sunni Triangle They were not collected from the lobby of a five star hotel nor from behind the tinted windows of an armored SUV We meet activists who are unarmed trained civilians who put their bodies in between rival factions to promote peace sitting in front of tanks and bulldozers and fasting in the desert on the Iraq Kuwait border shortly before 130 000 U S troops invaded in 2003 We also are given an unvarnished view of everyday people in Iraq cab drivers an unemployed engineer a newspaper editor farmers in a rural village all living their lives as normally as possible in the cauldron their country has become The humanity of the people in these stories will resonate with people of all political persuasions because they go beyond the portrayal of Iraqis we're used to seeing in the news as casualties victims grieving parents and shell shocked children Instead when Ferner gave presentations upon his return from Iraq the comment he most often heard was These people are just like us They're just like people we know
