Lawrence Durrell's Poetry Isabelle Keller-Privat, 2019-04-25 This book offers the first in depth analysis of Lawrence Durrell's entire poetic opus from his early collections in the 1940s up to his last one published in 1973 Thirty years of Durrellian poetry are brought together in order to unveil the genesis of Durrell's writing both poetic and fictional drawing links to his novels and residence books which he kept writing at the same time Durrell thus appears as first and foremost one of the greatest late modernist poets whose literary and epistemological investigations are to be understood in the light of a worldwide network of literary brotherhoods including T S Eliot Michael Fraenkel Henry Miller and David Gascoyne Simultaneously this book shows why Durrell must also be read as the heir to the greatest English romantic poets Byron Shelley Keats and Wordsworth as well as to the French symbolists and modernists from Baudelaire to Nerval Valéry and Cendrars This comparative approach opens up a brand new perspective on Durrell that has not yet been broached by North American and English scholarship The symbolic patterns the stylistic ploys and the aesthetic and philosophic tenets that characterize Durrell's poetics account for the necessary back and forth reading that connects prose and poetry the fictional and the lyrical the descriptive and the abstract Poetry excerpts extracts from his residence books novels and essays highlight not only Durrell's complex literary strategies but also the ontological quest of a writer who although never at home with the world he lived in strove to create a life world what semiologists call the Umwelt Lawrence Durrell and the Greek World Anna Lillios, 2004-02 Novelist Lawrence Durrell's fondness for his adopted homeland of Greece led him to declare I'm a Greek and profoundly influenced his work Attempting to capture the scope of the Greek world's relationship with Durrell's life and work Lillios English U of Central Florida presents 22 papers that approach the topic from a range of perspectives After a number of reminiscences of Durrell by family and friends a set of essays are organized by place examining Durrell's relationship with Corfu Alexandria Rhodes and Cyprus The remaining essays are grouped according to theme discussing such issues as the influence of myth and other Greek inspirations on Durrell's novels poems and other work Distributed by Associated University Presses Annotation 2004 Book News Inc Portland OR booknews.com **The Poetry of the Forties** A. Trevor Tolley, 1985 **From the Elephant's Back** Lawrence Durrell, 2015-08-16 Rare and previously unpublished essays and letters showcasing Durrell's wit elegance philosophy joie de vivre and flaming intelligence The Irish Times The proverb says that whoever sees the world from the back of an elephant learns the secrets of the jungle and becomes a seer I had to be content to become a poet Lawrence Durrell Best known for his novels and travel writing Lawrence Durrell defied easy classification within twentieth century Modernism His anti-authoritarian tendencies put him at odds with many contemporaries aesthetically and politically However thanks to a compelling recontextualization by editor James Gifford these thirty eight previously unpublished and out of print essays and letters reveal that Durrell's maturation as an artist was rich complex and subtle Durrell fans will treasure this selection of rare nonfiction while scholars of Durrell Modernist

literature anti authoritarian artists and the Personalist movement will also appreciate Gifford s fine editorial work Gifford s scholarly command of the archives shows especially his working intimacy with the unpublished archived words of Durrell s editors publishers and collaborators I have no doubt that this collection will serve as a starting point for any number of new critical ventures into the life and writing of Lawrence Durrell Charles Sligh University of Tennessee at Chattanooga

*Twentieth Century Fiction* George Woodcock,1983-04-01      **Lawrence Durrell** Ian S. MacNiven,2020-08-11 The prize winning biography of the celebrated author of the Alexandria Quartet and the Avignon Quintet an elegant and meticulous treat Kirkus Reviews A New York Times Notable Book Born in colonial India in 1912 Lawrence Durrell established his literary reputation as a citizen of the Mediterranean After attending school in England Durrell escaped the country he dubbed Pudding Island for the Greek island of Corfu only to make another escape this time from Nazi invasion to Egypt His experiences in wartime Alexandria led to a quartet of novels beginning with Justine that are collectively considered some of the great masterpieces of postwar fiction Durrell s peripatetic life which eventually took him to the South of France fed his work with the richness and drama of his various adoptive homes A man of protean talents Durrell is celebrated for his fiction and poetry as well as his highly regarded translations essays and travel literature In researching this authorized biography Ian S MacNiven traveled over a period of twenty years from India to California interviewing hundreds of individuals and visiting all but one of the many places Durrell lived The result is an intimate portrait of a literary titan that was awarded a prize by the French city of Antibes for the year s best study on Durrell      **The Stronger Sex** James R. Nichols,2011-04-18 The Stronger Sex a study of the women in the fiction of Lawrence Durrell argues that Lawrence Durrell envisioned a new woman self confident free of male domination and able to serve direct and protect her dependent man Durrell s modern twentieth century woman is the center of what Durrell envisions as the new couple woman dependent upon man for completion and man dependent upon the centrality of woman for the essential wisdom and direction and meaning in his life Far from being a mere follower of D H Lawrence as many have claimed Durrell came to insist that man must first cede to woman both the personal and social power and freedom which he has throughout history denied her Only in this way suggests Durrell can modern man both find himself and save himself and so discover and fulfill his own being Thus all of Durrell s women are the saviors of the lost men who must come to them for human completion From the women of the early works such as Panic Spring The Pied Piper of Lovers The Black Book and The Dark Labyrinth to the Justines Melissas and Cleas of the Alexandria Quartet the Benedictas and Iolanthes of The Revolt of Aphrodite the Constances and Livias of The Avignon Quintet and Cunegonde of Caesar s Vast Ghost all of Durrell s lost and ever inadequate men must ultimately find themselves and the meaning of their lives in the women who complete them Then paradoxically and only then can these same men provide the security direction and protection for which their women so desperately search Thus in the couple both man and woman are completed in their mutual dependence and final self discovery The study refers often to the works of previous

historical global and literary eras including principal commentaries along with factual information and important renditions in art prose and verse within and beyond mainstream western culture A lengthy detailed introduction presents a copious documented preview of the viable adaptation and mimesis of divine characterization and its respective centrality from the long distant past to the present day Myth rarely latent demonstrates varied modes of expression and open ended flexibility throughout the six comprehensive chapters which illuminate and probe in turn aspects of the ideological presence sensibilities trials and triumphs and interventions of the goddess whether sacred or profane Particular literary extracts and episodes range across ancient cultures alongside quite recent expressions of hermeneutics blending myth with the contemporary in the multi layered reception or admonishment of the goddess whether by one designation or the other As such this book is wholly relevant to all stages of the evolution and expansion of a dynamic European literary culture and its leading authors and personalities

**Contemporary Poets** ,1985 *The Durrells* Richard Bradford,2025-06-05 A variously tragic tale of escapism and assimilation Richard Bradford s *The Durrells* explores the truth behind the image The Durrells are probably the most celebrated literary family of the 20th century Gerald turned them into celebrities with his tripartite memoir beginning with *My Family and Other Animals* 1956 which told of his experiences with his widowed mother Louisa and three siblings during their time in 1930s Corfu We know of the Durrells from their own writings and from the image of them created by TV film and biographical accounts of specific figures What we do not know is the truth Using previously unpublished material from the Jersey Archive Richard Bradford unravels the lives of the famous four children of the Corfu era Larry Gerry Margo and Lesli as they find themselves geographically and emotionally divided amongst a backdrop of imperial decline and unrest The children of moneyed colonialists they were already used to being treated with aghast fascination by the island s locals and by expatriate Britons as a disgrace to the homeland Yet their story goes beyond the Ionian Sea and *The Durrells* delves into the complex social and political circumstances in which the family lived with seemingly constant threats of war and endangerment to both themselves and their natural environment
