Red Messiah:

Red Messiah Derrick Adams,2002-04-29 Tanura had lived over forty Lakota summers on the high plains As a decorated war chief he thought he had experienced all that life held He was right That is until his world was shattered by a cryptic vision that offered him a glimpse into the dark secrets of creation But Tanura has more pressing troubles The oceans of white settlers flowing into the territory have disrupted tribal life and the balance of power is shifting by the day Old enemies resurface and new ones appear in legions as the mysterious vision haunts his soul Tanura s world is transformed into a tapestry of riddles that threatens his people s very existence The people look to him for answers They call him Council Chief But Tanura is not fooled The combined weights of the vision and his people s needs crush his heart He knows he must suffer He knows in the end he is the Red Messiah

The Red Jews: Antisemitism in an Apocalyptic Age, 1200-1600 Andrew Colin Gow,2021-10-11 This book is the history of an imaginary people the Red Jews in vernacular sources from medieval and early modern Germany From the twelfth to the seventeenth century German language texts repeated and embroidered on an antisemitic tale concerning an epochal threat to Christianity the Red Jews This term which expresses a medieval conflation of three separate traditions the biblical destroyers Gog and Magog the unclean peoples enclosed by Alexander and the Ten Lost Tribes of Israel is a hostile designation of wickedness The Red Jews played a major role in late medieval popular exegesis and literature and appeared in a hitherto unnoticed series of sixteenth century pamphlets in which they functioned as the medieval spectacles through which contemporaries viewed such events as Turkish advances in the Near and Middle East The Red Jews disappear from the sources after 1600 and consequently never found their way into historical scholarship The

MUL.BABBAR: The Messiah's Star Dwight Reed Hutchison,2024-07-19 Was there a star announcing the coming of the Jewish Messiah at the end of the first millennium BC Did wise men come from the east seeking the newly born king of the Jews How can one be sure MUL BABBAR The Messiah s Star approaches the Star of Bethlehem from a Jewish and Babylonian perspective Babylonian astronomy and royal symbolism seem to give clues about the star However the royal celestial signs related to the coming of the Messiah are also connected directly to Judaism and the Bible The Messiah s star announced the coming of a great king The Greatest of Kings destined to rule the world This book is an updated improved and expanded version of The Lion Led the Way by the same author The Anointed ONE Mark Brand,2024-09-17 Here Am I reflects the attitude of our Anointed One The words were spoken initially in Isaiah 6 8 when the Lord was looking for a messenger and Isaiah was saying Here am I Send me Those words also reflect the heart and mission of our Messiah Many of the prophets spoke about Him and He brought a message of hope for the sinner a message of mercy

and forgiveness originating from our loving Heavenly Father We find our promise of the coming Anointed One from the garden of Eden through the covenants In the temple and the holidays we see things that also point us toward our Messiah He is in too many places to list here We find Him throughout the Old Testament in the stories in the text in the prophecies saying Here Am I the one foretold about It is incredible how many places in God's Word our Messiah the Anointed One shows up My prayer for you is that you are blessed through the reading May the Lord bless you and keep you Amen **KJV Life**
