Depths and Dragons Hugh Fox,2010 Visionary poet and archeologist Hugh Fox excavates the fragile human psyche and its need for spiritual belonging in his novel Depths and Dragons The reader will be swept along on a cosmopolitan excursion that skirts variant cultural scapes and languages as it lurches toward some unknown existential destination The story is told evocatively through a clever synthesis of the tragi comic and the author s kaleidoscopic stream of consciousness style Fox is a consummate master of inner monologues that teeter somewhere between the conscious and subconscious without ever fully yielding to either The aptly named Miriam must undergo a journey of violent displacement between the worlds of Jew and gentile rabbi and priest orthodoxy and heresy Along the way she is made to pay the ultimate price of familial sacrifice degenerative diaspora and the loss of her spiritual moorings The novel battles states of inner and outer terrorism from physical death to an exalted denial of the flesh but all the while retaining precious wit and jocularly The twists and turns of this self pilgrimage lead to a surprising outcome and one that will be well worth sharing *The Green Howards in Malaya, 1949-1952* John Briton Oldfield,1978 *Caged Magic* Jennifer Lyon,2015-07-20 Risa Faden is a witch whose ultrapowerful shield magic is slowly breaking her mind But when her beloved goddaughter is snatched by a demon she ll risk anything to rescue the baby including lying to the handsome intriguing stranger who has the power to help her keep her sanity save the child and steal her heart Linc Dillinger is a Wing Slayer Hunter whose sexy rich bad boy charm hides a treacherous betrayal that left him emotionally scarred As a result he risks his life to protect innocents but is incapable of love until he meets a

Stories on Kashmir & Others Narendra K. Sinha, 2006 Over the years the human tragedy in Kashmir has been so immense and the pathos generated has been so intense that not a single soul in the valley could remain untouched by it It requires both the vision of Tolstoy and the sensibility of Shakespeare to depict it all within the limits of language I stand nowhere close to these literary giants but as much as it has stirred my soul within the limited time and has equipped my expression within the limited space I have tried to present a few glimpses of the pathology of society in Kashmir There are other stories too in this collection written in a lighter vein as if to soothe the nerves of a shocked reader

[The Secret of Simplicity](#) Dan Kassera, 2010-10-20 Simplicity is a secret place located in another dimension which is parallel to our own world Its just one of many places that exist in the spirit world Its known only to the select few who have been tricked and abducted from this world and taken there Thats in the belief that they had just won a free shopping trip to the Mall in Minnesota Unknown to them it is far more than that The Mall is really not in Minnesota but somewhere else in that other dimension Both very good and bad people are taken there Some of the really bad ones are imprisoned in that strange mall They are finally brought to justice in some very creative and appropriate ways Most are transported from there to a strangely quaint little river town called Simplicity Those people have all been taken there for very specific reasons Some find a little piece of heaven there A few others find themselves trapped in what for them is their own personal hell There is no escape and no plea bargaining Train visitors are recruited there to serve a vital cause once they return home That is the cause of freedom and liberty back in America That can only be achieved through well organized civil disobedience and perhaps armed rebellion A very creative new way has been found to actually make that work Its a way that big government control freaks are not prepared to deal with Simplicity is actually the planning and control center for that operation Its permanent residents are all freedom lovers eager to serve in that cause All have lived out their previous lives in America They had earned their reward here in Simplicity where they live on However they are all deceased back in America They can never go back They can though have a tremendous impact and influence on those who are abducted from America to their spirit world Thats where the abducted train visitors are actually shown that there really is a spirit world They can actually meet their dead friends relatives and acquaintances They learn that life really does go on They also learn that America is forever doomed unless the new plan can be made to work Thats when they get recruited They are all promised that their next life will be lived in Simplicity as a

reward for their efforts back home What greater proof and incentive could there ever be Those residents of Simplicity have all passed their final exams and have been promoted to a higher level of existence If you cant believe them who can you believe Now educated and informed the train visitors return back home with newfound courage and a tremendous desire to do the right thing That is because seeing is believing Those chosen ones had been granted a rare privilege They actually enter into the spirit world while they are still living in this world There they get a real shock their proof of immortality They actually meet the dead who had summoned them That must be done in a very careful way so as not to cause heart attacks or fainting spells Before they are sent back they are all given two special gifts completely unattainable in their world If they ever doubt the experience those two items will convince them otherwise One is a large medallion made of a strange material unknown on earth It says simply I was there The second mystery item is an unbreakable pocket mirror in a leather case Removed from the case the mirror emits an eerie glow Printed below the mirror are the words I cannot do everything but I can do something That which I can do I ought to do I will not fail Most importantly the train visitors are recruited into the most secret of all organizations Its purpose is to restore freedom to America by any means necessary That is the real secret of Simplicity Among them is a young man named Joe Quin He has been tricked into going there like all the others but for a different purpose Joe is a person of spec
