Robert A. Maguire

Red Virgin Soil Soviet Literature In The 1920s

Richard F. Gustafson

Red Virgin Soil Soviet Literature In The 1920s:

Red Virgin Soil Robert A. Maguire, 2000 *Red Virgin Soil* is a detailed study of the eponymous journal that was the most significant Soviet literary journal of the 1920s. The journal published belles lettres, theory and criticism and represented the first serious attempt in Russia in nearly half a century to shape an entire generation of writers, readers and critics through the energy and authority of such a forum. Maguire's work is also a survey of Soviet literary culture in that critical period between the end of the Civil War and the onslaught of the Stalinist era, a period when writers could still engage in public debate about literature's role in the building of a revolutionary culture. Book Jacket *Krasnaia nov' Red virgin soil: Soviet literature in the 1920's* Robert Alan Maguire, *Henry Poulaille and Proletarian Literature (1920-1939)* Rosemary

Chapman, 2024-09-02 **Revolutionary Dreams** Richard Stites, 1991-11-14 The revolutionary ideals of equality, communal living, proletarian morality and technology worship rooted in Russian utopianism generated a range of social experiments which found expression in the first decade of the Russian revolution in festival, symbol, science fiction, city planning and the arts. In this study, historian Richard Stites offers a vivid portrayal of revolutionary life and the cultural factors, myth, ritual, cult and symbol that sustained it and describes the principal forms of utopian thinking and experimental impulse. Analyzing the inevitable clash between the authoritarian elements in the Bolshevik's vision and the libertarian behavior and aspirations of large segments of the population, Stites interprets the pathos of utopian fantasy as the key to the emotional force of the Bolshevik revolution which gave way in the early 1930s to bureaucratic state centralism and a theology of Stalinism.

Handbook of Russian Literature Victor Terras, 1985-01-01 Profiles the careers of Russian authors, scholars and critics and discusses the history of the Russian treatment of literary genres such as drama, fiction and essays. *Encyclopaedia of Contemporary Russian* Tatiana Smorodinskaya, Karen Evans-Romaine, Helena Goscilo, 2013-10-28 The Encyclopedia is an invaluable resource on recent and contemporary Russian culture and history for students, teachers and researchers across the disciplines. *Stalin and the Literary Intelligentsia, 1928-39* A. Kemp-Welch, 2016-07-27 Stalin's fascination with writers was fully reciprocated as the many Odes to Stalin show. During the 1970s a hugely elaborated system was established for the regulation of belles lettres based on institutions, ideas and individuals. This original study, ten years in preparation, is based on extensive access to Soviet archives. Much new evidence has been uncovered about the inner workings of cultural policy in the Stalin period and documents by Stalin himself are published for the first time. [Russian Literary Politics and the Pushkin Celebration of 1880](#) Marcus C. Levitt, 2018-09-05 In an event acknowledged to be a watershed in modern Russian cultural history, the elite of Russian intellectual life gathered in Moscow in 1880 to celebrate the dedication of a monument to the poet Alexander Pushkin who had died nearly half a century earlier. Private and government forces joined to celebrate a literary figure in a country in which monuments were usually dedicated to military or political heroes. In this richly detailed narrative history of the Pushkin Celebration and the developments that led up to it, Marcus C. Levitt explores the unique role of

literature in nineteenth century Russian intellectual life and puts Russian literary criticism and Pushkin's posthumous reputation into fresh perspective Drawing on Soviet archival materials not readily available in the West Levitt describes the preparations for the monument and the unfolding of the celebration His sustained discussions of Turgenev's role and of Dostoevsky's famous Pushkin Speech shed new light on what was for both a culminating moment in their careers In Levitt's view the Pushkin Celebration represented the articulation of liberal post Emancipation hopes for an independent Russian intelligentsia and culture His analysis of the problems faced by Russian liberalism illuminates the failure of concerted efforts to secure freedom of speech in nineteenth century Russia

Communist Party Membership in the U.S.S.R. Thomas Henry Rigby, 2019-03-26 In this comprehensive and latest statistical profile of the membership of the Communist Party during the first half century of the Soviet regime Professor Rigby analyzes the history of party recruitment and composition Since the party makes vital contributions to the performance of several basic tasks within the Soviet political system the author interprets his data mainly in functional terms He identifies and evaluates the influence of these functional considerations on recruitment policies and on the changing patterns of membership and determines the priorities assigned to different functions under changing circumstances T H Rigby is Professor of Political Science Research School of Social Science Australian National University Studies of the Russian Institute Columbia University Originally published in 1968 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Origins of the Stalinist Political System Graeme Gill, Graeme J. Gill, 2002-07-18 New and challenging perspectives on Soviet political development from 1917 to 1941

Gogol From the Twentieth Century Robert A. Maguire, 2022-03-08 The description for this book Gogol From the Twentieth Century Eleven Essays will be forthcoming

The Cambridge Companion to the Classic Russian Novel Malcolm V. Jones, Robin Feuer Miller, 1998-04-30 Many Russian novels of the nineteenth and twentieth centuries have made a huge impact not only inside the boundaries of their own country but across the western world The Cambridge Companion to the Classic Russian Novel offers a thematic account of these novels in fourteen newly commissioned essays by prominent European and North American scholars There are chapters on the city the countryside politics satire religion psychology philosophy the romantic realist and modernist traditions and technique gender and theory In this context the work of Pushkin Dostoevsky Tolstoy Turgenev Bulgakov Nabokov Pasternak and Solzhenitsyn among others is described and discussed There is a chronology and guide to further reading all quotations are in English This volume will be invaluable not only for students and scholars but for anyone interested in the Russian novel

A Coat of Many Colors Gregory Freidin, 1987 Freidin writes just the kind of criticism

Mandelstam wrote and which he would have loved grounded in careful reading but never timid quirky but never merely eccentric the product of a mind and sensibility keenly alive to the times both historical and critical Nothing I have read on Mandelstam has so provoked my own thinking as has Freidin's work It is stimulating in every sense of the word and will move the study of Mandelstam off the point at which it has been stuck for far too long John E Malmstad Harvard University Combining as it does sensitive close readings of the Mandelstam texts with an uncommonly wide range of literary and sociocultural reference *A Coat of Many Colors* is a welcome and significant addition to the body of scholarship bearing on one of our century's finest poets Victor Erlich Yale University **Revolution and Culture** Zenovia A. Sochor, 2018-09-05

Zenovia A Sochor here assesses one of the most important debates within the Bolshevik leadership during the early years of Soviet power that between A A Bogdanov and V I Lenin Once comrades in arms Bogdanov and Lenin became political rivals prior to the October Revolution Their disagreements over political and cultural issues led to a split in the Bolshevik Party with Bogdanov spearheading the party's left wing faction and attracting a following of notable intellectuals Before Lenin died in 1924 however he had succeeded in shaping Soviet society according to his own vision and today Bolshevism is commonly identified with Leninism while Bogdanovism is little known Sochor provides the first full exposition in English of Bogdanov's views which she asserts must be understood to appreciate the choices available and the paths not taken during the formative years of the Soviet regime [The Crisis of the Old Order in Russia](#) Roberta Thompson Manning, 2019-01-29 Focusing on the

role of the landowning gentry in the First Russian Revolution of 1905-1907 Roberta Manning explores the complex relationship between this traditional social and political elite and the imperial Russian government in the period between the abolition of serfdom and the February Revolution of 1917 In contrast to the commonly accepted view that the 1905 Revolution significantly expanded the circle of people involved in government Professor Manning argues that the gentry became Russia's dominant political force after the 1907 coup d'etat Overwhelmed after Emancipation by economic crisis and a devastating erosion of their role in government service the gentry utilized the revitalized assemblies of the nobility and the newly founded zemstvos first to agitate for and then to dominate the representative institutions created by the 1905

Revolution Through a vast array of primary sources Professor Manning considers the acquisitions and consequences of the gentry's augmented political role and presents an updated account of the peasant rebellions of 1905-1907 and their impact on the gentry Included is a brilliant portrayal of P A Stolypin the period's most gifted gentry statesman and of the defeat accomplished with the aid of gentry pressure groups of his reform program the last comprehensive effort to restructure the political order of Imperial Russia Studies of this period of Russian history have generally focused on the dramatic confrontation between the Old Regime and its revolutionary adversaries Here Professor Manning illuminates the equally fateful conflicts within the Russian upper classes Roberta Thompson Manning is Associate Professor at Boston College Studies of the Russian Institute Columbia University Originally published in 1983 The Princeton Legacy Library uses the

latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Reforming Rural Russia Francis William Wcislo, 2014-07-14 As he examines administrative reform of Russian rural local government between the abolition of serfdom and World War I Francis William Wcislo takes as his theme the repeated attempts of tsarist statesmen to restructure the most critical mediating link between the autocratic state and a rapidly modernizing agrarian society His broader objective however is to use the issue of autocratic politics to probe the character and evolution of bureaucratic mentalit in this period Wcislo links the social psychological ideological and institutional nexus of the bureaucracy with its social underpinnings in rural society and lays bare the connections of the bureaucratic world with its traditional social base among the service nobility and the peasantry Placing the conflicting views of officials within the context of the two political cultures of old regime society he shows how bureaucratic reformers anxious to promote civic culture were undermined by defenders of traditional autocracy and the society of service estates soslovie with which that autocracy had coexisted This defense of tradition and the resulting failure of reformist initiatives were fundamental to the crisis of Russia in the early twentieth century Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Leo Tolstoy Richard F. Gustafson, 2014-07-14 Much of what was central to Tolstoy seems embarrassing to Western and Soviet critics points out Richard Gustafson in his absorbing argument for the predominance of Tolstoy s religious viewpoint in all his writings Received opinion says that there are two Tolstoys the pre conversion artist and the post conversion religious thinker and prophet but Professor Gustafson argues convincingly that the man is not two but one Originally published in 1986 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *The Genesis of The Brothers Karamazov* Robert L. Belknap, 1990 Belknap Slavic languages Columbia U traces Dostoevsky s last great novel to its sources exploring how the author consciously transformed his experience and his readings to construct the work It is both a lucid analysis of a complex and difficult text and an inquiry into

the process of literary creation Annotation copyright Book News Inc P **Peasant Metropolis** David L.

Hoffmann,2018-08-06 During the 1930 s 23 million peasants left their villages and moved to Soviet cities where they comprised almost half the urban population and more than half the nation s industrial workers Drawing on previously inaccessible archival materials David L Hoffmann shows how this massive migration to the cities an influx unprecedented in world history had major consequences for the nature of the Soviet system and the character of Russian society even today Hoffmann focuses on events in Moscow between the launching of the industrialization drive in 1929 and the outbreak of war in 1941 He reconstructs the attempts of Party leaders to reshape the social identity and behavior of the millions of newly urbanized workers who appeared to offer a broad base of support for the socialist regime The former peasants however had brought with them their own forms of cultural expression social organization work habits and attitudes toward authority Hoffmann demonstrates that Moscow s new inhabitants established social identities and understandings of the world very different from those prescribed by Soviet authorities Their refusal to conform to the authorities model of a loyal proletariat thwarted Party efforts to construct a social and political order consistent with Bolshevik ideology The conservative and coercive policies that Party leaders adopted in response he argues contributed to the Soviet Union s emergence as an authoritarian welfare state *Scenarios of Power* Richard Wortman,2006-03-26 This new and abridged edition of *Scenarios of Power* is a concise version of Richard Wortman s award winning study of Russian monarchy from the seventeenth century until 1917 The author breaks new ground by showing how imperial ceremony and imagery were not simply displays of the majesty of the sovereign and his entourage but also instruments central to the exercise of absolute power in a multinational empire In developing this interpretation Wortman presents vivid descriptions of coronations funerals parades trips through the realm and historical celebrations and reveals how these ceremonies were constructed or reconstructed to fit the political and cultural narratives in the lives and reigns of successive tsars He describes the upbringing of the heirs as well as their roles in these narratives and relates their experiences to the persistence of absolute monarchy in Russia long after its demise in Europe

Right here, we have countless book **Red Virgin Soil Soviet Literature In The 1920s** and collections to check out. We additionally present variant types and next type of the books to browse. The within acceptable limits book, fiction, history, novel, scientific research, as skillfully as various extra sorts of books are readily reachable here.

Red Virgin Soil Soviet Literature In The 1920s Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Red Virgin Soil Soviet Literature In The 1920s PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge

promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Red Virgin Soil Soviet Literature In The 1920s PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Red Virgin Soil Soviet Literature In The 1920s free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Red Virgin Soil Soviet Literature In The 1920s Books

1. Where can I buy Red Virgin Soil Soviet Literature In The 1920s books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
