Red Rock A Chronicle Of Reconstruction American Literature:

Red Rock: A Chronicle of Reconstruction Thomas Nelson Page, 2021-05-19 Thomas Nelson Page's *Red Rock A Chronicle of Reconstruction* is a poignant narrative set against the tumultuous backdrop of the Reconstruction era in the American South. This novel intricately weaves together the lives of its characters reflecting the social and political upheaval that followed the Civil War. Page employs a rich descriptive literary style that immerses readers in the post-war landscape capturing the emotional and moral dilemmas faced by individuals striving for identity and justice in a transformed society. The book serves as a critical commentary on the lasting repercussions of conflict exploring themes of loyalty betrayal and the pursuit of reconciliation amidst stark societal changes. Page, a Virginian born in 1853, was deeply influenced by his Southern roots and the complexities of post-war life. His firsthand experiences growing up in a region grappling with its recent past informed his authentic portrayal of the South's struggle to redefine itself. As a writer and scholar, Page's keen insights into regional identity and his commitment to recounting Southern stories resonate throughout the narrative offering a nuanced understanding of the period's challenges. *Red Rock* is a compelling read for those interested in American history literature and the intricate narratives that shape our understanding of the South. It appeals not only to scholars and students of American literature but also to anyone seeking an engaging story that transcends its historical context making it an essential addition to the canon of Southern literature.

Perhaps it may be well to explain to American readers what the Tauchnitz Edition is and what a Memorial Volume is in this collection. The Collection of British Authors or as it is more popularly known on the European Continent the Tauchnitz Edition was instituted in 1841 at Leipsic by one of the most distinguished of German publishers the late Baron Bernhard Tauchnitz whose son is now at the head of the house. The father records that he was incited to the undertaking by the high opinion and enthusiastic fondness which I have ever entertained for English literature a literature

springing from the selfsame root as the literature of Germany and cultivated in the beginning by the same Saxon race As a German Saxon it gave me particular pleasure to promote the literary interest of my Anglo Saxon cousins by rendering English literature as universally known as possible beyond the limits of the British Empire In another place Baron Tauchnitz describes the mission of his Collection to be the spreading and strengthening the love for English literature outside of England and her Colonies
