

Red Tape

Robert Gibbons, John Roberts

Red Tape:

From Red Tape to Results National Performance Review (U.S.), Albert Gore, Al Gore, 1993 **Red Tape** Herbert Kaufman, 2015-06-08 Death taxes and red tape The inevitable trio no one can escape That wry sense of reality colors Herbert Kaufman's classic study of red tape the bureaucratic phenomenon that all of us have encountered in some form from the confounding tax form filled out annually to the maddeningly time consuming wait at the driver's license bureau The complaints about red tape Kaufman concedes are legion It's messy it takes too long it lacks local knowledge it is out of date it makes insane demands it increases costs it slows progress It is in short a burden and many times there is no measurable positive outcome Kaufman takes us on an unblinking tour of the dismal landscape of red tape But he also shows us another side of red tape one we often forget Red tape is how government protects us from tainted food shoddy products and unfair labor practices It guarantees a social safety net for the elderly the disabled children veterans and victims of natural disasters One person's red tape is another person's protection This reissue is a Brookings Classic a series of republished books for readers to revisit or discover notable works by the Brookings Institution Press **Bureaucracy and Red Tape** Barry Bozeman, 2000 For basic text supplement use in Bureaucracy Public Administration Organization Theory Policy Implementation and American Government courses Demonstrating our need to think more deeply about our dissatisfactions with bureaucracy this proactive text combines original explanations of bureaucratic red tape with prescription and case examples challenging students to develop a deeper understanding of bureaucracy as a set of trade offs among politics accountability and efficiency Fair minded in approach it distinguishes bureaucratic normalities from bureaucratic pathologies in the internal and inter organizational management of organizations helping students discern the difference between which rules and regulations are reasonable accountability or coordination mechanisms and which in fact can be labeled red tape

The Gore Report on Reinventing Government Albert Gore, 1993 On March 3 1993 President Clinton asked Vice President Gore to investigate how the federal government could be made more responsive to the American people This report aims to fix Washington and to create a more efficient and responsive system **Making Life Easy for Citizens and Businesses in Portugal Administrative Simplification and e-Government** OECD, 2008-12-18 Analyses administrative simplification and e government in Portugal showing how e government can be used as a lever for broader administrative simplification by making service delivery more coherent and efficient Rules and Red Tape: A Prism for Public Administration Theory and Research Barry Bozeman, Mary K. Feeney, 2014-12-18 This work includes a brief history of skyscrapers as well as chapters on elevators and communications facades and facing mechanical and electrical systems forces of nature and much more

Managing and Mitigating Suffering at Work M. Isabel Sanchez-Hernandez, Žilvė Stankevičiūtė, Rūta Adamonienė, Martina Blašková, 2022-11-28 **Experiments in Public Management Research** Oliver James, Sebastian R. Jilke, Gregg G. Van Ryzin, 2017-07-13 Interest in experimental research in public management is on the rise yet the field still

lacks a broad understanding of its role in producing substantive findings and theoretical advances Written by a team of leading international researchers this book sets out the advantages of experiments in public management and showcases their rapidly developing contribution to research and practice The book offers a comprehensive overview of the relationship between experiments and public management theory and the benefits for examining causal effects It will appeal to researchers and graduate level students in public administration public management government politics and policy studies The key topics addressed are the distinct logic of experimental methods in the laboratory in the field and in survey experiments how leading researchers are using different kinds of experiment to build knowledge about theory and practice across many areas of public management and the research agendas for experimental work in public management

Public Management and Performance Richard M. Walker, George A. Boyne, Gene A. Brewer, 2010-09-09 Public services touch the majority of people in advanced and developing economies on a daily basis children require schooling the elderly need personal care and assistance rubbish needs collecting water must be safe to drink and the streets need policing In short there is practically no area of our lives that isn't touched in some way by public services As such knowledge about strategies to improve their performance is central to the good of society In this book a group of leading scholars examine some of the most pressing issues in public administration political science and public policy by undertaking a systematic review of the research literature on public management and the performance of public agencies It is an important resource for public management researchers policy makers and practitioners who wish to understand the state of the field and the challenges that lie ahead

Household Words Charles Dickens, 1851

Rules and Unruliness G. Bruce Doern, Michael J. Prince, Richard J. Schultz, 2014-04-01 A critical examination of Canadian regulatory governance and politics over the past fifty years Rules and Unruliness builds on the theory and practice of rule making to show why government unruliness the inability to form rules and implement structures for compliance is endemic and increasing Analyzing regulatory politics and governance in Canada from the beginning of Pierre Trudeau's era to Stephen Harper's government the authors present a compelling argument that current regulation of the economy business and markets are no longer adequate to protect Canadians They examine rules embedded in public spending programs and rules regarding political parties and parliamentary government They also look at regulatory capitalism to elucidate how Canada and most other advanced economies can be characterized by co governance and co regulation between governments corporations and business interest groups Bringing together literature on public policy regulation and democracy Rules and Unruliness is the first major study to show how and why increasing unruliness affects not only the regulation of economic affairs but also the social welfare state law and order parliamentary democracy and the changing face of global capitalism

Public Service Performance George A. Boyne, 2006-11-23 Publisher description

Understanding and Managing Public Organizations Hal G. Rainey, 2014-01-24 UNDERSTANDING AND MANAGING PUBLIC ORGANIZATIONS FIFTH EDITION This is the

definitive place for all serious students of public administration to start It is the most comprehensive book in the field It is required reading for MPA students Ph D students and all scholars in the field Kenneth J Meier Charles H Gregory Chair in Liberal Arts Texas A if you want to find out what has been written and what is collectively said about the practice and theory of public management look no further than Rainey s updated and comprehensive fifth edition Richard M Walker chair professor of public management and associate dean City University of Hong Kong For more than a decade Rainey s book has been a must read for everyone in the community of public management in Korea just like in many places all over the world Undoubtedly it provides a valuable resource for researchers and students who are interested in public management and applications of organization theory to public organizations It is quite simply the best investigation of public organization and management that I ve read Young Han Chun associate dean Graduate School of Public Administration Seoul National University

The Handbook of Organizational Economics Robert Gibbons, John Roberts, 2012-12-09 The definitive introduction to organizational economics with contributions by leaders in the field In even the most market oriented economies most economic transactions occur not in markets but inside managed organizations particularly business firms Organizational economics seeks to understand the nature and workings of such organizations and their impact on economic performance This landmark book assembles the leading figures in organizational economics to present the first comprehensive view of both the current state of research in this fast emerging field and where it might be headed The Handbook of Organizational Economics surveys the major theories evidence and methods used in the field It displays the breadth of topics in organizational economics including the roles of individuals and groups in organizations organizational structures and processes the boundaries of the firm contracts between and within firms and more The defining book on the subject The Handbook of Organizational Economics is essential reading for researchers and students looking to understand this emerging field in economics Presents the first comprehensive treatment of organizational economics Features contributions by leaders in the field Unifies and extends existing literatures Describes theoretical and empirical methods used today

Research Handbook on HRM in the Public Sector Steijn, Bram, Knies, Eva, 2021-12-10 Bringing together over fifty leading global experts this Research Handbook provides a state of the art overview of research findings regarding Human Resource Management HRM in the public sector Original chapters provide useful insights from two different disciplines public administration and HRM They illustrate that the public context of organisations matters and discuss research findings detailing how this plays out in practice
