This Workbook is the companion volume to *Conscious Parenting* by Lee Lozowick, Hohm Press 2010 and is designed to be a useful map and travel guide for you on this adventure. The *Conscious Parenting Workbook* like *Conscious Parenting* itself aims to assist you in aligning with a big view of the subject, an overall context from which to parent and educate. Years of personal experience combined with solid foundations shared with many great educators have made Lee Lozowick's *Conscious Parenting* a pragmatic handbook much appreciated by his peers and by thousands of parents worldwide. But especially and perhaps uniquely, his work relies on life affirming principles culled from his own spiritual understanding along with those from other longstanding spiritual traditions. His work then speaks to the ways and means for transforming ordinary family life with children into a primary means of spiritual practice, including the inevitable challenge for work on self
