Rediscovered Country:

Serengeti Story Anthony Sinclair, 2012-11-22 Serengeti is arguably the most well known and highly treasured conservation area in the world In 1972 the United Nations meeting on National Parks and Protected Areas agreed to set up World Heritage Sites now supervised by UNESCO and at that meeting they voted Serengeti top of the list What makes this site outstanding What happens in Serengeti biologically How did it become a protected area What are the historical events that have shaped its present dynamics What will happen to it in future How has it become relevant to human society and conservation These are the questions that Anthony Sinclair answers First arriving in Serengeti in 1961 he has worked as a scientist in this ecosystem since 1965 and continues to do so today In the process he has documented not only the ecological events as the system has changed but also the political economic and social events that have driven these changes Including personal accounts of the dramatic events brought about by the vicissitudes of political turmoil he tells the story of Serengeti and its surrounding research Providing the historical background both the paleohistory going back 4 million years and the modern history of the region he examines the future of conservation considering the ominous threats facing the Serengeti today

Mizruchi, 2021 Henry James

A Very Short Introduction places Henry James's notoriously difficult writings in their historical and biographical context. Henry James had a major impact on the literary culture of his time and ever since. From his childhood through his mature life, James created a unique body of fiction, travel writing, reviews, and theory that represents one of the greatest achievements in America's literary history. This VSI studies various fictional and non-fictional works by James. These complex accounts of human experience engage with the vital issues of both James's era and our own, including gender relations, sexuality, the nature of modernity, the threat of relativism, and the role of art.
