Rediscovering Benjamin Fondane

**William H. Thompson, William J.
Thompson**

Rediscovering Benjamin Fondane:

Rediscovering Benjamin Fondane ,2003 Benjamin Fondane was a poet literary critic and philosopher who produced most of his literary works in Paris in the 1930s He became a disciple of his close friend the Russian philosopher of existential thought Lev Shestov Fondane s fascination with the tragic in his verse can be traced to the belief he shared with Shestov that one s spirit is elevated through personal suffering Fondane also believed in the magic of poetic creativity and its incredible force as it goes beyond logic and beyond the self and he declined the importance of aesthetics in favor of the tragic verse Unlike the Surrealists whom he criticized Fondane s poetics was not in search for answers He realized that the joy of existence consists in our continual inner search rather than a presumptuous explanation of the meaning of life

Baudelaire's Bitter Metaphysics Aaron Brice Cummings,2024-09-12 Baudelaire s Bitter Metaphysics Anti Nihilist Readings by Fondane Benjamin and Sartre reconstructs a philosophical dialogue that might have been expected to take place between Benjamin Fondane Walter Benjamin and Jean Paul Sartre over their philosophical readings of Charles Baudelaire an exchange preempted by the untimely deaths of two of the interlocutors during the Nazi holocaust Why did three of Europe s sharpest minds respond to the terror of 1933 45 by writing about a long dead poet Aaron Brice Cummings argues that Fondane Benjamin and Sartre turned to the poet of nihilism s abyss because they recognized a fact of cultural history that remains relevant today until sometime in the 2080s the literary world will have to confront even if to deny the two century window forecast by Nietzsche as the age of cultural and existential nihilism Accordingly the author examines the bitter metaphysics latent in Baudelaire s motifs of the abyss clocks brutes streets and bored dandies In so doing this book confronts the nothingness which modern life encounters in the heart of art ethics ideality time memory history urban life and religion

New Perspectives on Sartre Adrian van den Hoven,Adrian Mirvish,2010-05-11 This volume deals with a number of topics that have not previously been specifically addressed before in a single text A chapter on Sartre and religion talks about his thought in relation to Christianity Judaism and Buddhism while one on Sartre and children discusses his work in relation to the issues of freedom pregnancy and autism Beyond this there are an additional seven chapters covering a wide variety of topics by leading scholars in the fields of philosophy literature psychology history and political thought While prior publications on Sartre have generally divided his work into two periods pre and post Marxist this volume deliberately stresses a middle and final period as well As representative of the middle period there is an emphasis on Notebooks for an Ethics while Sartre s last work Hope Now is also treated as being philosophically significant in its own right This approach helps to cast a new light on what Sartre has to say about authenticity childhood and consciousness as embodied among other subjects The volume also addresses many and diverse issues of current interest including those of freedom Marxism and Sartre s relation to ethics There are sections of the book that deal with history and the historical situations that helped to shape Sartre s thought as well as articles that deal with Sartre as a specifically French thinker A chapter deals with Sartre s

relation to women and here the issues of maternity as problematic plus authentic adult relationships are discussed Finally in addition to authors in philosophy and literature there are articles by a child psychiatrist and a clinical psychologist to help to provide new insights on Sartre's work Even as an academic philosopher Sartre always remained an iconoclast and the aim of this book is at least partially to capture and provide the reader with insight into this spirit *Benjamin Fondane, a*

Presentation of His Life and Works John Kenneth Hyde, 1971 "The Autobiographical Pact" Cosana Maria Eram, 2010

Lev Shestov Matthew Beaumont, 2020-09-17 The Jewish philosopher Lev Shestov 1866-1938 is perhaps the great forgotten thinker of the twentieth century but one whose revival seems timely and urgent in the twenty-first century An important influence on Georges Bataille Albert Camus Gilles Deleuze and many others Shestov developed a fascinating anti-Enlightenment philosophy that critiqued the limits of reason and triumphantly affirmed an ethics of hope in the face of hopelessness In a wide-ranging reappraisal of his life and thought which explores his ideas in relation to the history of literature and painting as well as philosophy Matthew Beaumont restores Shestov to prominence as a thinker for turbulent times In reconstructing Shestov's thought and asserting its continued relevance the book's central theme is wakefulness It argues that for Shestov escape from the limits of rationalist Enlightenment thought comes from maintaining an insomniac vigilance in the face of the spiritual night to which his century appeared condemned Shestov's engagement with the image of Christ remaining awake in the Garden of Gethsemane then is at the core of his inspiring understanding of our ethical responsibilities after the horrors of the twentieth century *Benjamin Fondane* William Kluback, 1996 This is the first book-length study of one of Romania's greatest poets Benjamin Fondane was a close friend of Lev Shestov a profound critic of contemporary European thought and a thoughtful critic of the role of the Jew in Western civilization In Fondane's work we confront the moral fiber of our age Al di là della filosofia Emil Cioran, 2019-09-30T00:00:00+02:00 All'inizio degli anni 40 nella Parigi occupata dalle milizie naziste due intellettuali di origine rumena Emil Cioran e Benjamin Fondane entrambi influenzati dal filosofo russo Lev Shestov stringono un rapporto di intensa amicizia Il sodalizio per sé di breve durata nel marzo del 1944 infatti l'ebreo errante Fondane arrestato dalla polizia del regime collaborazionista di Vichy verrà prima internato a Drancy poi deportato ad Auschwitz dove troverà la morte tra il 2 e il 3 ottobre dello stesso anno Cioran che inutilmente aveva tentato di sottrarre l'amico all'arresto e alla tragica fine che lo avrebbe atteso omaggerà Fondane con un toccante ritratto pubblicato sulla rivista *Non Lieu* 1978 e successivamente negli *Exercices d'admiration* 1986 Le interviste raccolte nel presente volume incentrate sulla figura e l'opera di Benjamin Fondane integrano tale contributo restituendo l'immagine di un uomo di grande spessore morale e di un autore di primissimo piano sulla scena culturale europea del primo Novecento **E. M. Cioran and the Human Condition** Karl White, 2025-06-12 This masterful account situates E. M. Cioran in his rightful place as one of the key figures in French post-war thought Acknowledged for decades as a pillar of European culture the Romanian migrant to Paris has been overlooked by Anglophone scholarship but by placing him in conversation with acclaimed

mainstream thinkers like Martha Nussbaum Hannah Arendt and Samuel Beckett this book finally redresses that balance Cioran is a thinker determined to peel back the layers of polite philosophy to explore the anxious and difficult experience of being human E M Cioran and the Human Condition focuses in on the iconoclastic force of his work and in particular his preoccupation with birth which he conceives of as the source of life s dilemmas Framing its discussions with enduring theological themes like guilt original sin salvation and apocalypse this book brings the true value of Cioran s work for Western thought to the fore These ideas often go unnoticed in the work of more conventional thinkers making Cioran an essential figure in confronting the apocalyptic nature of our own age The unique combination of pessimism dark humour and morbid wit in Cioran s writing pushes us to explore what if any future there is for humanity in a world becoming ever more inhuman This is a lively and thought provoking introduction to an unjustly marginalized thinker who has much to teach us about the human condition after the crises of the twentieth century A Little Tour Through European Poetry John Taylor,2017-09-08 This book is both a sequel to author John Taylor s earlier volume Into the Heart of European Poetry and something different It is a sequel because this volume expands upon the base of the previous book to include many more European poets It is different in that it is framed by stories in which the author juxtaposes his personal experiences involving European poetry or European poets as he travels through different countries where the poets have lived or worked Taylor explores poetry from the Czech Republic Denmark Lithuania Albania Romania Turkey and Portugal all of which were missing in the previous gathering analyzes heady verse written in Galician and presents an important poet born in the Chuvash Republic His tour through European poetry also adds discoveries from countries whose languages he reads fluently Italy Germany and German speaking Switzerland Greece and France Taylor s model is Valery Larbaud to whom his criticism with its liveliness and analytical clarity is often compared Readers will enjoy a renewed dialogue with European poetry especially in an age when translations are rarely reviewed present in literary journals or studied in schools This book along with Into the Heart of European Poetry motivates a dialogue by bringing foreign poetry out of the specialized confines of foreign language departments **Revue d'histoire littéraire de la France, table des articles et des comptes rendus** Andreas Friedel,2006 Rediscovering French Film Mary Lea Bandy,1983 **French XX Bibliography** William H. Thompson,William J. Thompson,2005-09 Provides the most complete listing available of books articles and book reviews concerned with French literature since 1885 The bibliography is divided into three major divisions general studies author subjects arranged alphabetically and cinema This book is for the study of French literature and culture Benjamin Fondane Michael Finkenthal,2013 Examines the life and work of Benjamin Fondane a poet and a literary critic a philosopher and a playwright who wrote film scripts and worked as a director on stage as well as in films This book provides background for Romanian and French cultural scene of period as well as locating writer within context of dramatic events of twentieth century Revue d'histoire littéraire de la France ,2004 Lev Shestov Andrea Oppo,2021-03-02 This study spans the

entire life and work of the Russian philosopher Lev Shestov 1866 1938 It offers keys to understanding his thought while also tracing the historical itinerary of his work Shestov's thought is not only interesting in itself as a philosophy fighting against philosophy but also because it reveals an entire world of cultural connections in its extraordinarily keen exploration of other souls The reader will find in Shestov some of the sharpest analyses of authors such as Shakespeare Nietzsche Tolstoy Dostoevskii Luther Plotinus Pascal Kierkegaard and many others This study will better determine the controversial and fascinating philosopher's place in the history of Russian and Western thought

The YIVO Encyclopedia of Jews in Eastern Europe Gershon David Hundert, Yivo Institute for Jewish Research, 2008 This unprecedented reference work systematically represents the history and culture of Eastern European Jews from their first settlement in the region to the present day More than 1 800 alphabetical entries encompass a vast range of topics including religion folklore politics art music theater language and literature places organizations intellectual movements and important figures The two volume set also features more than 1 000 illustrations and 55 maps With original and up to date contributions from an international team of 450 distinguished scholars the Encyclopedia covers the region between Germany and the Ural Mountains from which more than 2 5 million Jews emigrated to the United States between 1870 and 1920 Even today the majority of Jewish immigrants to North America arrive from Eastern Europe Engaging wide ranging and authoritative this work is a rich and essential reference for readers with interests in Jewish studies and Eastern European history and culture Published in cooperation with YIVO Institute for Jewish Research

Re-imagining the Past Dēmētrēs Tziovas, 2014 Antiquity has often been perceived as the source of Greece's modern achievements as well as its frustrations with the continuity between ancient and modern Greek culture and the legacy of classical Greece in Europe dominating and shaping current perceptions of the classical past By moving beyond the dominant perspectives on the Greek past this edited volume shifts attention to the ways this past has been constructed performed abused Hellenized canonized and ultimately decolonized and reimagined For the contributors reimagining the past is an opportunity to critically examine and engage imaginatively with various approaches Chapters explore both the role of antiquity in texts and established cultural practices and its popular material and everyday uses charting the transition in the study of the reception of antiquity in modern Greek culture from an emphasis on the continuity of the past to the recognition of its diversity Incorporating a number of chapters which adopt a comparative perspective the volume reimagines Greek antiquity and invites the reader to look at the different uses and articulations of the past both in and outside Greece ranging from literature to education and from politics to photography

Rediscovering Benjamin Fondane Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rediscovering Benjamin Fondane PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to

personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rediscovering Benjamin Fondane PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rediscovering Benjamin Fondane free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Rediscovering Benjamin Fondane Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rediscovering Benjamin Fondane is one of the best book in our library for free trial. We provide copy of Rediscovering Benjamin Fondane in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rediscovering Benjamin Fondane. Where to download Rediscovering Benjamin Fondane online for free? Are you looking for Rediscovering Benjamin Fondane PDF? This is definitely going to save you time and cash in something you should think about.
