Redneck Rhymer Strikes Roy Manning, 1992-01-01 *The North Carolina Historical Review*, 1994 Forthcoming Books Rose Army, 2003 Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 **Schwann-1, Records, Tapes**, 1975 *Horror Literature through History* Matt Cardin, 2017-09-21 This two volume set offers comprehensive coverage of horror literature that spans its deep history dominant themes significant works and major authors such as Stephen King Edgar Allan Poe and Anne Rice as well as lesser known horror writers Many of today s horror story fans who appreciate horror through movies television video games graphic novels and other forms probably don t realize that horror literature is not only one of the most popular types of literature but one of the oldest People have always been mesmerized by stories that speak to their deepest fears *Horror Literature through History* shows 21st century horror fans the literary sources of their favorite entertainment and the rich intrinsic value of horror literature in its own right Through profiles of major authors critical analyses of important works and overview essays focused on horror during particular periods as well as on related issues such as religion apocalypticism social criticism and gender readers will discover the fascinating early roots and evolution of horror writings as well as the reciprocal influence of horror literature and horror cinema This unique two volume reference set provides wide coverage that is current and compelling to modern readers who are of course also eager consumers of entertainment In the first section overview essays on horror during different historical periods situate works of horror literature within the social cultural historical and intellectual currents of their respective eras creating a seamless narrative of the genre s evolution from ancient times to the present The second section demonstrates how otherwise unrelated works of horror have influenced each other how horror subgenres have evolved and how a broad range of topics within horror such as ghosts vampires religion and gender roles have been handled across time The set also provides alphabetically arranged reference entries on authors works and specialized topics that enable readers to zero in on information and concepts presented in the other sections Corridors of Migration Rodolfo F. Acuña, 2008-08-21 A Choice Outstanding Academic Title In the San Joaquin Valley Cotton Strike of 1933 frenzied cotton farmers murdered three strikers intentionally starved at least nine infants wounded dozens of people and arrested more While the story of this incident has been recounted from the perspective of both the farmers and more recently the Mexican workers this is the first book to trace the origins of the Mexican workers activism through their common experience of migrating to the United States Rodolfo F. Acuña documents the history of Mexican workers and their families from seventeenth century Chihuahua to twentieth century California following their patterns of migration and describing the establishment of communities in mining and agricultural regions He shows the combined influences of racism transborder dynamics and events such as the industrialization of the Southwest the Mexican Revolution and World War I in shaping the collective experience of these people as they helped to form the economic political and social landscapes of the American Southwest in their interactions

with agribusiness and absentee copper barons Acu a follows the steps of one of the murdered strikers Pedro Subia reconstructing the times and places in which his wave of migrants lived By balancing the social and geographic trends in the Mexican population with the story of individual protest participants Acu a shows how the strikes were in fact driven by choices beyond the Mexican workers control Their struggle to form communities graphically retells how these workers were continuously uprooted and their organizations destroyed by capital Corridors of Migration thus documents twentieth century Mexican American labor activism from its earliest roots through the mines of Arizona and the Great San Joaquin Valley cotton strike From a founding scholar of Chicano studies and the author of fifteen books comes the culmination of three decades of dedicated research into the causes and effects of migration and labor activism The narrative documents how Mexican workers formed communities against all odds *Schwann-1, Record & Tape Guide* ,1975 *Los Angeles Magazine* ,2002-06 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **Kirkus Reviews** ,1987 Adult books are categorized by genre i e fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club selections and just very good books in the children s section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical **The Tennessee Conservationist** ,1952 **Jim Kobak's Kirkus Reviews** ,1987
