Reexamining Conscience:

The Voice of Jesus Gordon T. Smith, 2015-07-13 Building on the rich spiritual tradition that spans the diversity of history and theology from Ignatius Loyola to John Wesley to Jonathan Edwards Gordon T Smith helps open your ears and heart to the depths of the inner witness of the Spirit By learning to attend to the Spirit Smith urges you will learn to hear and heed the voice of Jesus in everyday life *Re-examining Contract and Unjust Enrichment* Paula Giliker, 2007-06-30 This collection of essays addresses some of the fundamental questions facing the law of contract and of unjust enrichment in the twenty first century from a comparative perspective Leading academics from Canada and the United Kingdom analyse the nature and development of the principles of unjust enrichment their relationship with contract and fiduciary obligations and their impact upon traditional contractual doctrines such as mistake undue influence frustration and the assessment of damages The text provides an insightful contemporary and provocative examination of this fast developing area of law **Reexamining**

Conscience John Carmody, 1982 *Re-examining the Holocaust through Literature* Aukje Kluge, Benn E. Williams, 2009-03-26 In the late 1980s Holocaust literature emerged as a provocative but poorly defined scholarly field The essays in this volume reflect the increasingly international and pluridisciplinary nature of this scholarship and the widening of the definition of Holocaust literature to include comic books fiction film and poetry as well as the more traditional diaries memoirs and journals Ten contributors from four countries engage issues of authenticity evangelicalism morality representation personal experience and wish fulfillment in Holocaust literature which have been the subject of controversies in the US Europe and the Middle East Of interest to students and instructors of antisemitism national and comparative literatures theater film history literary criticism religion and Holocaust studies this book also contains an extensive bibliography with references in over twenty languages which seeks to inspire further research in an international context

In the Path of the Masters Denise Lardner Carmody, John Tully Carmody, 2015-05-20 Reflecting on the legacy of four great religious figures this book places each in their historical context offers glimpses of what they were like personally assesses how they saved their followers from confusion and traces each religious tradition after its founder's death

Hearing God in Conversation Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn't put it down Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition God is always speaking we've just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical

application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God's questions and how to hear God's voice for others Hearing God in Conversation offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God's guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks

Re-examining Insolvency Law and Theory Emilie Ghio, John M. Wood, Jennifer L.L. Gant, 2023-12-11 An original book offering a unique theoretical approach Re-examining Insolvency Law and Theory analyses the important role that legal theory plays in the development of insolvency law It explores how law and theory are able to respond to issues of financial distress in the 21st century and questions how insolvency law could develop to address contemporary challenges

Re-examining Arthur Conan Doyle Nils Clausson, 2021-08-25 This collection re-examines the works and life of Arthur Conan Doyle from multiple disciplinary perspectives It proposes new ways of studying Conan Doyle and considers overlooked or neglected aspects of his oeuvre offering fresh perspectives on the multiple genres of his fiction and his relationship to contemporary writers and movements

Luther Examined and Reexamined W. H. T. Dau, 2019-12-09 In *Luther Examined and Reexamined* W H T Dau offers a profound exploration of Martin Luther's theological contributions and their enduring significance in Protestantism Dau employs a rigorous analytical approach blending historical scholarship with a critical examination of primary texts His literary style is characterized by clarity and precision making complex theological concepts accessible while providing a nuanced understanding of the sociopolitical context of the Reformation era Throughout the work Dau engages with a tapestry of perspectives emphasizing the multilayered nature of Luther's thought and its implications for contemporary religious discourse W H T Dau was a noted scholar of Reformation history well versed in the intricacies of Lutheran theology His academic background and personal interests in the historical impact of the Reformation likely fueled his desire to engage deeply with Luther's works Dau's insights draw upon a wealth of theological literature and his own experiences reflecting both a reverence for Luther's legacy and a commitment to critical inquiry This book is highly recommended for scholars theologians and anyone interested in understanding the complexities of Luther's teachings in today's context Dau's meticulous research and engaging prose not only illuminate Luther's ideas but also invite readers to contemplate their relevance in modern faith practices

RELIGION REEXAMINED DIEGO A. ODCHIMAR III, 2021-01-18 *Religion Reexamined* is a concise introduction to world religions It is designed to facilitate a comparative study of religions It is divided into eight chapters that thoroughly examine the foundations of Judaism Christianity Islam Hinduism Buddhism Confucianism Taoism and Secularism Following Clifford Geertz it treats each religion as a cultural system composed of three parts ethos character ethics way of life and ethnos social entity Using Stephen Prothero's approach it identifies each religion's problem solutions to the problem techniques for moving from problem to

solution and exemplars who chart the path from problem to solution It includes critical reviews of religion by psychologists sociologists anthropologists and philosophers from Aristotle to Karen Armstrong

Sociogenesis Reexamined Willibrord De Graaf, Robert Maier, 2012-12-06 Sociogenesis Reexamined offers the foundation for an inter disciplinary social scientific approach towards the development of persons in their historical and societal contexts The editors have organized herein the opportunity for exchange and theoretical confrontation on the theme of mechanisms in sociogenesis Stemming from a workshop that took place at the Rijksuniversiteit Utrecht in December 1990 the editors and contributors attempt to begin the refinement and reworking of the concept of sociogenesis Two possible branches in the definition of sociogenesis are presented in the introduction as a useful guide in mapping existing approaches The text is then divided into four parts theoretical and historical foundations new conceptual approaches analysis of existing frameworks empirical case studies Systematic perspectives for research in the field are offered For developmental and social psychologists anthropologists researchers and graduate students this groundbreaking work will surely initiate much elaboration and innovation in the study of sociogenesis
