Practical Guide is an innovative reference guide to Russian combining traditional and function based grammar in a single volume The Grammar is divided into two parts Part A covers traditional grammatical categories such as agreement nouns verbs and adjectives Part B is carefully organized around language functions covering all major communication situations With a strong emphasis on contemporary usage all grammar points and functions are richly illustrated with examples Main features of the Grammar include clear explanations emphasis on areas of particular difficulty for learners of Russian such as numerals and verbs of motion extensive cross referencing between the different sections This is the ideal reference grammar for learners of Russian at all levels from beginner to advanced No prior knowledge of grammatical terminology is assumed

and a glossary of grammatical terms is provided      **Russian Reference Grammar** U.S. Army Russian Institute,1981      A  
Short Russian Reference Grammar I. M. Pulkina,2005-01-01 The present book aims at giving a systematic exposition of  
Russian morphology pronunciation and spelling for foreign students studying Russian without a teacher and for teachers of  
Russian In this book syntax is touched upon only briefly and in connection with morphology when the uses of a morphological  
form are explained Particular attention has been paid to the following aspects of Russian grammar which in the opinion of  
the author may present greater difficulty to beginners the gender of the noun and the agreement in gender of a word with its  
head noun the meanings and uses of the cases with and without prepositions the aspects of the verb and their use the  
classification of verbs into productive type and nonproductive type verbs and word building A short chapter at the beginning  
of the book outlines the main peculiarities of Russian pronunciation and spelling Much attention has been devoted to stress  
in the Russian language Not being a theoretical grammar the present book contains no definitions of the grammatical  
categories All the grammar material is expounded in tables accompanied by notes giving the most essential explanations  
Each chapter is preceded by General Remarks setting forth the principal peculiarities of the part of speech concerned All  
explanations are based on examples from colloquial Russian as well as from fiction newspapers and magazines Only the most  
essential rules of Russian spelling are dealt with To facilitate the student s work on the meanings and uses of the cases the  
uses are given first without prepositions and then with prepositions in the tables the prepositions are arranged in alphabetic  
order first those governing one case and then those governing several cases Meanings are given only in the cases of  
prepositions which have several meanings      Russian Reference Grammar Roy Bivon,1996      *Russian Reference Grammar*
